§ 121. Exclusion of gain from sale of principal residence

(a) Exclusion

(b) Limitations

(1) In general

The amount of gain excluded from gross income under subsection (a) with respect to any sale or exchange shall not exceed $250,000.

(2) Special rules for joint returns

In the case of a husband and wife who make a joint return for the taxable year of the sale or exchange of the property—

(A) $500,000 Limitation for certain joint returns

Paragraph (1) shall be applied by substituting ''$500,000'' for ''$250,000'' if—

(i) either spouse meets the ownership requirements of subsection (a) with respect to such property;

(ii) both spouses meet the use requirements of subsection (a) with respect to such property; and

(iii) neither spouse is ineligible for the benefits of subsection (a) with respect to such property by reason of paragraph (3).

(B) Other joint returns

If such spouses do not meet the requirements of subparagraph (A), the limitation under paragraph (1) shall be the sum of the limitations under paragraph (1) to which each spouse would be entitled if such spouses had not been married. For purposes of the preceding sentence, each spouse shall be treated as owning the property during the period that either spouse owned the property.

(3) Application to only 1 sale or exchange every 2 years

Subsection (a) shall not apply to any sale or exchange by the taxpayer if, during the 2-year period ending on the date of such sale or exchange, there was any other sale or exchange by the taxpayer to which subsection (a) applied.

(4) Special rule for certain sales by surviving spouses

In the case of a sale or exchange of property by an unmarried individual whose spouse is deceased on the date of such sale, paragraph (1) shall be applied by substituting ''$500,000'' for ''$250,000'' if such sale occurs not later than 2 years after the date of death of such spouse and the requirements of paragraph (2)(A) were met immediately before such date of death.

(5) Exclusion of gain allocated to nonqualified use

(A) In general

Subsection (a) shall not apply to so much of the gain from the sale or exchange of property as is allocated to periods of nonqualified use.

(B) Gain allocated to periods of nonqualified use

(i) the aggregate periods of nonqualified use during the period such property was owned by the taxpayer, bears to

(C) Period of nonqualified use

For purposes of this paragraph—

(i) In general

The term ''period of nonqualified use'' means any period (other than the portion of any period preceding January 1, 2009) during which the property is not used as the principal residence of the taxpayer or the taxpayer's spouse or former spouse.

(c) Exclusion for taxpayers failing to meet certain requirements

(1) In general

In the case of a sale or exchange to which this subsection applies, the ownership and use requirements of subsection (a), and subsection (b)(3), shall not apply; but the dollar limitation under paragraph (1) or (2) of subsection (b), whichever is applicable, shall be equal to—

(A) the amount which bears the same ratio to such limitation (determined without regard to this paragraph) as

(B)(i) the shorter of—

(I) the aggregate periods, during the 5-year period ending on the date of such sale or exchange, such property has been owned and used by the taxpayer as the taxpayer's principal residence; or

(II) the period after the date of the most recent prior sale or exchange by the taxpayer to which subsection (a) applied and before the date of such sale or exchange, bears to

(ii) 2 years.

(2) Sales and exchanges to which subsection applies

This subsection shall apply to any sale or exchange if—

(A) subsection (a) would not (but for this subsection) apply to such sale or exchange by reason of—

(i) a failure to meet the ownership and use requirements of subsection (a), or

(C) Property acquired after involuntary conversion

If the basis of the property sold or exchanged is determined (in whole or in part) under section 1033(b) (relating to basis of property acquired through involuntary conversion), then the holding and use by the taxpayer of the converted property shall be treated as holding and use by the taxpayer of the property sold or exchanged.

(6) Recognition of gain attributable to depreciation

Subsection (a) shall not apply to so much of the gain from the sale of any property as does not exceed the portion of the depreciation adjustments (as defined in section 1250(b)(3)) attributable to periods after May 6, 1997, in respect of such property.

(3) Property owned by spouse or former spouse

For purposes of this section—

(A) Property transferred to individual from spouse or former spouse

In the case of an individual holding property transferred to such individual in a transaction described in section 1041(a), the period such individual owns such property shall include the period the transferor owned the property.

CODIFICATION

Pub. L. 109–135, title IV, § 403(ee)(1), (nn), Dec. 21, 2005, 119 Stat. 2631, 2632, which directed that subsec. (d) of this section be amended by redesignating the paragraph (10) relating to property acquired from a decedent as paragraph (11), effective as if included in the provisions to which such amendment relates of the American Jobs Creation Act of 2004, Pub. L. 108–357, was executed as the probable intent of Congress by redesignating as paragraph (11) the paragraph (10) directed to be added to subsec. (d) of this section by Pub. L. 107–16, § 542(c), (f)(1), applicable to estates of decedents dying after Dec. 31, 2009. See Codification note, 2001, 2003, and 2005 Amendment notes, and Effective Date of 2005 Amendment note below.

Pub. L. 108–121, title I, § 101(a), (b)(1), Nov. 11, 2003, 117 Stat. 1336, which directed that subsec. (d) of this section be amended by redesignating paragraph (9) as (10) and adding a new paragraph (9), effective as if included in the amendments made by section 312 of the Taxpayer Relief Act of 1997, Pub. L. 105–34, could not literally be executed insofar as it directed the redesignation because subsec. (d), as amended by Pub. L. 105–34, did not contain a paragraph (9). However, to reflect the probable intent of Congress, the amendment was executed by redesignating as paragraph (10) the paragraph (9) directed to be added to subsec. (d) of this section by Pub. L. 107–16, § 542(c), (f)(1), applicable to estates of decedents dying after Dec. 31, 2009. (c) Discrimination as to benefits or contributions

For purposes of subparagraph (B) of subsection (b)(1), a cafeteria plan does not discriminate where qualified benefits and total benefits (or employer contributions allocable to qualified benefits and employer contributions for total benefits) do not discriminate in favor of highly compensated participants.

(d) Cafeteria plan defined

For purposes of this section—

(1) In general

The term ''cafeteria plan'' means a written plan under which—

(A) all participants are employees, and

(B) the participants may choose among 2 or more benefits consisting of cash and qualified benefits.

(2) Deferred compensation plans excluded

(C) Exception for certain plans maintained by educational institutions

Subparagraph (A) shall not apply to a plan maintained by an educational organization described in section 170(b)(1)(A)(ii) to the extent of amounts which a covered employee may elect to have the employer pay as contributions for post-retirement group life insurance if—

(i) all contributions for such insurance must be made before retirement, and

(ii) such life insurance does not have a cash surrender value at any time.

For purposes of section 79, any life insurance described in the preceding sentence shall be treated as group-term life insurance.

Such term includes any group term life insurance which is includible in gross income only because it exceeds the dollar limitation of section 79 and such term includes any other benefit permitted under regulations.

(2) Long-term care insurance not qualified

The term ''qualified benefit'' shall not include any product which is advertised, marketed, or offered as long-term care insurance.

(3) Certain exchange-participating qualified health plans not qualified

change established under section 1311 of such Act.

(B) Exception for exchange-eligible employers

Subparagraph (A) shall not apply with respect to any employee if such employee's employer is a qualified employer (as defined in section 1312(f)(2) of the Patient Protection and Affordable Care Act) offering the employee the opportunity to enroll through such an Exchange in a qualified health plan in a group market.

(g) Special rules

(1) Collectively bargained plan not considered discriminatory

For purposes of this section, a plan shall not be treated as discriminatory if the plan is maintained under an agreement which the Secretary finds to be a collective bargaining agreement between employee representatives and one or more employers.

(2) Health benefits

For purposes of subparagraph (B) of subsection (b)(1), a cafeteria plan which provides health benefits shall not be treated as discriminatory if—

(A) contributions under the plan on behalf of each participant include an amount which—

(i) equals 100 percent of the cost of the health benefit coverage under the plan of the majority of the highly compensated participants similarly situated, or

(ii) equals or exceeds 75 percent of the cost of the health benefit coverage of the participant (similarly situated) having the highest cost health benefit coverage under the plan, and

(B) contributions or benefits under the plan in excess of those described in subparagraph (A) bear a uniform relationship to compensation.

(3) Certain participation eligibility rules not treated as discriminatory

For purposes of subparagraph (A) of subsection (b)(1), a classification shall not be treated as discriminatory if the plan—

(A) benefits a group of employees described in section 410(b)(2)(A)(i), and

(B) meets the requirements of clauses (i) and (ii):

(i) No employee is required to complete more than 3 years of employment with the employer or employers maintaining the plan as a condition of participation in the plan, and the employment requirement for each employee is the same.

(ii) Any employee who has satisfied the employment requirement of clause (i) and who is otherwise entitled to participate in the plan commences participation no later than the first day of the first plan year beginning after the date the employment requirement was satisfied unless the employee was separated from service before the first day of that plan year.

(4) Certain controlled groups, etc.

All employees who are treated as employed by a single employer under subsection (b), (c), or (m) of section 414 shall be treated as employed by a single employer for purposes of this section.

(h) Special rule for unused benefits in health flexible spending arrangements of individuals called to active duty

(1) In general

For purposes of this title, a plan or other arrangement shall not fail to be treated as a cafeteria plan or health flexible spending arrangement (and shall not fail to be treated as an accident or health plan) merely because such arrangement provides for qualified reservist distributions.

(2) Qualified reservist distribution

For purposes of this subsection, the term ''qualified reservist distribution'' means any distribution to an individual of all or a portion of the balance in the employee's account under such arrangement if—

(A) such individual was (by reason of being a member of a reserve component (as defined in section 101 of title 37, United States Code)) ordered or called to active duty for a period in excess of 179 days or for an indefinite period, and

(B) such distribution is made during the period beginning on the date of such order or call and ending on the last date that reimbursements could otherwise be made under such arrangement for the plan year which includes the date of such order or call.

(i) Limitation on health flexible spending arrangements

(1) In general

For purposes of this section, if a benefit is provided under a cafeteria plan through employer contributions to a health flexible spending arrangement, such benefit shall not be treated as a qualified benefit unless the cafeteria plan provides that an employee may not elect for any taxable year to have salary reduction contributions in excess of $2,500 made to such arrangement.

(2) Adjustment for inflation

In the case of any taxable year beginning after December 31, 2013, the dollar amount in paragraph (1) shall be increased by an amount equal to—

(B) the cost-of-living adjustment determined under section 1(f)(3) for the calendar year in which such taxable year begins by substituting ''calendar year 2012'' for ''calendar year 2016'' in subparagraph (A)(ii) thereof.

If any increase determined under this paragraph is not a multiple of $50, such increase shall be rounded to the next lowest multiple of $50.

(j) Simple cafeteria plans for small businesses

(1) In general

An eligible employer maintaining a simple cafeteria plan with respect to which the requirements of this subsection are met for any year shall be treated as meeting any applica-

ble nondiscrimination requirement during such year.

(2) Simple cafeteria plan

For purposes of this subsection, the term ''simple cafeteria plan'' means a cafeteria plan—

(A) which is established and maintained by an eligible employer, and

(B) with respect to which the contribution requirements of paragraph (3), and the eligibility and participation requirements of paragraph (4), are met.

(3) Contribution requirements

(A) In general

The requirements of this paragraph are met if, under the plan the employer is required, without regard to whether a qualified employee makes any salary reduction contribution, to make a contribution to provide qualified benefits under the plan on behalf of each qualified employee in an amount equal to—

(i) a uniform percentage (not less than 2 percent) of the employee's compensation for the plan year, or

(ii) an amount which is not less than the lesser of—

(I) 6 percent of the employee's compensation for the plan year, or

(II) twice the amount of the salary reduction contributions of each qualified employee.

(B) Matching contributions on behalf of highly compensated and key employees

The requirements of subparagraph (A)(ii) shall not be treated as met if, under the plan, the rate of contributions with respect to any salary reduction contribution of a highly compensated or key employee at any rate of contribution is greater than that with respect to an employee who is not a highly compensated or key employee.

(C) Additional contributions

Subject to subparagraph (B), nothing in this paragraph shall be treated as prohibiting an employer from making contributions to provide qualified benefits under the plan in addition to contributions required under subparagraph (A).

(D) Definitions

For purposes of this paragraph—

(i) Salary reduction contribution

The term ''salary reduction contribution'' means, with respect to a cafeteria plan, any amount which is contributed to the plan at the election of the employee and which is not includible in gross income by reason of this section.

(iv) Key employee

The term ''key employee'' has the meaning given such term by section 416(i).

(ii) each employee eligible to participate in the plan may, subject to terms and conditions applicable to all participants, elect any benefit available under the plan.

(B) Certain employees may be excluded

For purposes of subparagraph (A)(i), an employer may elect to exclude under the plan employees—

(i) who have not attained the age of 21 before the close of a plan year,

(ii) who have less than 1 year of service with the employer as of any day during the plan year,

(iii) who are covered under an agreement which the Secretary of Labor finds to be a collective bargaining agreement if there is evidence that the benefits covered under the cafeteria plan were the subject of good faith bargaining between employee representatives and the employer, or

(iv) who are described in section 410(b)(3)(C) (relating to nonresident aliens working outside the United States).

A plan may provide a shorter period of service or younger age for purposes of clause (i) or (ii).

(5) Eligible employer

For purposes of this subsection—

(A) In general

The term ''eligible employer'' means, with respect to any year, any employer if such employer employed an average of 100 or fewer employees on business days during either of the 2 preceding years. For purposes of this subparagraph, a year may only be taken into account if the employer was in existence throughout the year.

(B) Employers not in existence during preceding year

If an employer was not in existence throughout the preceding year, the determination under subparagraph (A) shall be based on the average number of employees that it is reasonably expected such employer will employ on business days in the current year.

(C) Growing employers retain treatment as small employer

(i) In general

If—

(I) an employer was an eligible employer for any year (a ''qualified year''), and

(II) such employer establishes a simple cafeteria plan for its employees for such year,

then, notwithstanding the fact the employer fails to meet the requirements of subparagraph (A) for any subsequent year, such employer shall be treated as an eligible employer for such subsequent year with respect to employees (whether or not employees during a qualified year) of any trade or business which was covered by the plan during any qualified year.

(ii) Exception

This subparagraph shall cease to apply if the employer employs an average of 200 or more employees on business days during any year preceding any such subsequent year.

§ 127. Educational assistance programs

(a) Exclusion from gross income

(1) In general

Gross income of an employee does not include amounts paid or expenses incurred by the employer for educational assistance to the employee if the assistance is furnished pursuant to a program which is described in subsection (b).

(2) $5,250 maximum exclusion

If, but for this paragraph, this section would exclude from gross income more than $5,250 of educational assistance furnished to an individual during a calendar year, this section shall apply only to the first $5,250 of such assistance so furnished.

(b) Educational assistance program

(1) In general

For purposes of this section an educational assistance program is a separate written plan of an employer for the exclusive benefit of his employees to provide such employees with educational assistance. The program must meet the requirements of paragraphs (2) through (6) of this subsection.

(2) Eligibility

The program shall benefit employees who qualify under a classification set up by the employer and found by the Secretary not to be discriminatory in favor of employees who are highly compensated employees (within the meaning of section 414(q)) or their dependents. For purposes of this paragraph, there shall be excluded from consideration employees not included in the program who are included in a unit of employees covered by an agreement which the Secretary of Labor finds to be a collective bargaining agreement between employee representatives and one or more employers, if there is evidence that educational assistance benefits were the subject of good faith bargaining between such employee representatives and such employer or employers.

(3) Principal shareholders or owners

Not more than 5 percent of the amounts paid or incurred by the employer for educational assistance during the year may be provided for the class of individuals who are shareholders or owners (or their spouses or dependents), each of whom (on any day of the year) owns more than 5 percent of the stock or of the capital or profits interest in the employer.

(4) Other benefits as an alternative

A program must not provide eligible employees with a choice between educational assistance and other remuneration includible in gross income. For purposes of this section, the business practices of the employer (as well as the written program) will be taken into account.

(5) No funding required

A program referred to in paragraph (1) is not required to be funded.

(6) Notification of employees

Reasonable notification of the availability and terms of the program must be provided to eligible employees.

(c) Definitions; special rules

For purposes of this section—

(1) Educational assistance

The term ''educational assistance'' means—

(B) the provision, by an employer, of courses of instruction for such employee (including books, supplies, and equipment),

but does not include payment for, or the provision of, tools or supplies which may be retained by the employee after completion of a course of instruction, or meals, lodging, or transportation. The term ''educational assistance'' also does not include any payment for, or the provision of any benefits with respect to, any course or other education involving sports, games, or hobbies.

(2) Employee

The term ''employee'' includes, for any year, an individual who is an employee within the meaning of section 401(c)(1) (relating to self-employed individuals).

An individual who owns the entire interest in an unincorporated trade or business shall be treated as his own employer. A partnership shall be treated as the employer of each partner who is an employee within the meaning of paragraph (2).

Ownership of stock in a corporation shall be determined in accordance with the rules provided under subsections (d) and (e) of section 1563 (without regard to section 1563(e)(3)(C)).

The interest of an employee in a trade or business which is not incorporated shall be determined in accordance with regulations prescribed by the Secretary, which shall be based on principles similar to the principles which apply in the case of subparagraph (A).

(5) Certain tests not applicable

An educational assistance program shall not be held or considered to fail to meet any requirements of subsection (b) merely because—

(A) of utilization rates for the different types of educational assistance made available under the program; or

(B) successful completion, or attaining a particular course grade, is required for or considered in determining reimbursement under the program.

(6) Relationship to current law

This section shall not be construed to affect the deduction or inclusion in income of amounts (not within the exclusion under this section) which are paid or incurred, or re-

ceived as reimbursement, for educational expenses under section 117, 162 or 212.

(7) Disallowance of excluded amounts as credit or deduction

§ 141. Private activity bond; qualified bond

(a) Private activity bond

For purposes of this title, the term ''private activity bond'' means any bond issued as part of an issue—

(1) which meets—

(A) the private business use test of paragraph (1) of subsection (b), and

(B) the private security or payment test of paragraph (2) of subsection (b), or

(2) which meets the private loan financing test of subsection (c).

(b) Private business tests

(1) Private business use test

Except as otherwise provided in this subsection, an issue meets the test of this paragraph if more than 10 percent of the proceeds of the issue are to be used for any private business use.

(2) Private security or payment test

Except as otherwise provided in this subsection, an issue meets the test of this paragraph if the payment of the principal of, or the interest on, more than 10 percent of the proceeds of such issue is (under the terms of such issue or any underlying arrangement) directly or indirectly—

(ii) payments in respect of such property, or

(B) to be derived from payments (whether or not to the issuer) in respect of property, or borrowed money, used or to be used for a private business use.

(3) 5 percent test for private business use not related or disproportionate to government use financed by the issue

(A) In general

An issue shall be treated as meeting the tests of paragraphs (1) and (2) if such tests would be met if such paragraphs were applied—

(i) by substituting ''5 percent'' for ''10 percent'' each place it appears, and

(ii) by taking into account only—

(I) the proceeds of the issue which are to be used for any private business use which is not related to any government use of such proceeds,

(II) the disproportionate related business use proceeds of the issue, and

The excess determined under this sentence is the excess of—

(5) Coordination with volume cap where nonqualified amount exceeds $15,000,000

If the nonqualified amount with respect to an issue—

(A) exceeds $15,000,000, but

(B) does not exceed the amount which would cause a bond which is part of such

[1] So in original. Does not conform to section catchline.

issue to be treated as a private activity bond without regard to this paragraph,

such bond shall nonetheless be treated as a private activity bond unless the issuer allocates a portion of its volume cap under section 146 to such issue in an amount equal to the excess of such nonqualified amount over $15,000,000.

(6) Private business use defined

(9) Exception for qualified 501(c)(3) bonds

There shall not be taken into account under this subsection or subsection (c) the portion of the proceeds of an issue which (if issued as a separate issue) would be treated as a qualified 501(c)(3) bond if the issuer elects to treat such portion as a qualified 501(c)(3) bond.

(c) Private loan financing test

(1) In general

An issue meets the test of this subsection if the amount of the proceeds of the issue which are to be used (directly or indirectly) to make or finance loans (other than loans described in paragraph (2)) to persons other than governmental units exceeds the lesser of—

Except as otherwise provided in this subparagraph, an issue shall not meet the requirement of subparagraph (A)(i) unless—

(I) all proceeds of the issue required to be used to finance owner-occupied residences are so used within the 42-month period beginning on the date of issuance of the issue (or, in the case of a refunding bond, within the 42-month period beginning on the date of issuance of the original bond) or, to the extent not so used within such period, are used within such period to redeem bonds which are part of such issue, and

For purposes of this subsection, the family income of mortgagors, and area median gross income, shall be determined by the Secretary after taking into account the regulations prescribed under section 8 of the United States Housing Act of 1937 (or, if such program is terminated, under such program as in effect immediately before such termination).

(3) Special rule for applying paragraph (1) in the case of targeted area residences

In the case of any financing provided under any issue for targeted area residences—

(A) ⅓ of the amount of such financing may be provided without regard to paragraph (1), and

(C) High housing cost areas

For purposes of this paragraph, the term ''high housing cost area'' means any statistical area for which the housing cost/income ratio is greater than 1.2.

(D) Housing cost/income ratio

For purposes of this paragraph—

(i) In general

The term ''housing cost/income ratio'' means, with respect to any statistical area, the number determined by dividing—

(I) the applicable housing price ratio for such area, by

(II) the ratio which the area median gross income for such area bears to the median gross income for the United States.

(ii) Applicable housing price ratio

For purposes of clause (i), the applicable housing price ratio for any area is the new housing price ratio or the existing housing price ratio, whichever results in the housing cost/income ratio being closer to 1.

(iii) New housing price ratio

The new housing price ratio for any area is the ratio which—

(I) the average area purchase price (as defined in subsection (e)(2)) for residences described in subsection (e)(3)(A) which are located in such area bears to

(II) the average purchase price (determined in accordance with the principles of subsection (e)(2)) for residences so described which are located in the United States.

(iv) Existing housing price ratio

The existing housing price ratio for any area is the ratio determined in accordance

with clause (iii) but with respect to residences described in subsection (e)(3)(B).

(B) ''120 percent'' for ''140 percent'' each place it appears.

(g) Requirements related to arbitrage

(1) In general

An issue meets the requirements of this subsection only if such issue meets the requirements of paragraph (2) of this subsection and, in the case of an issue described in subsection (b)(1), such issue also meets the requirements of paragraph (3) of this subsection. Such requirements shall be in addition to the requirements of section 148.

(2) Effective rate of mortgage interest cannot exceed bond yield by more than 1.125 percentage points

(A) In general

An issue shall be treated as meeting the requirements of this paragraph only if the excess of—

(i) the effective rate of interest on the mortgages provided under the issue, over

(ii) the yield on the issue,

is not greater than 1.125 percentage points.

(B) Effective rate of mortgage interest

(i) In general

In determining the effective rate of interest on any mortgage for purposes of this paragraph, there shall be taken into account all fees, charges, and other amounts borne by the mortgagor which are attributable to the mortgage or to the bond issue.

(ii) Specification of some of the amounts to be treated as borne by the mortgagor

For purposes of clause (i), the following items (among others) shall be treated as borne by the mortgagor:

(I) all points or similar charges paid by the seller of the property, and

(II) the excess of the amounts received from any person other than the mortgagor by any person in connection with the acquisition of the mortgagor's interest in the property over the usual and reasonable acquisition costs of a person acquiring like property where owner-financing is not provided through the use of qualified mortgage bonds or qualified veterans' mortgage bonds.

(iii) Specification of some of the amounts to be treated as not borne by the mortgagor

For purposes of clause (i), the following items shall not be taken into account:

(I) any expected rebate of arbitrage profits, and

(II) any application fee, survey fee, credit report fee, insurance charge, or similar amount to the extent such amount does not exceed amounts charged in such area in cases where owner-financing is not provided through the use of qualified mortgage bonds or qualified veterans' mortgage bonds.

Subclause (II) shall not apply to origination fees, points, or similar amounts.

(iv) Prepayment assumptions

In determining the effective rate of interest—

(I) it shall be assumed that the mortgage prepayment rate will be the rate set forth in the most recent applicable mortgage maturity experience table published by the Federal Housing Administration, and

(II) prepayments of principal shall be treated as received on the last day of the month in which the issuer reasonably expects to receive such prepayments.

The Secretary may by regulation adjust the mortgage prepayment rate otherwise used in determining the effective rate of interest to the extent the Secretary determines that such an adjustment is appropriate by reason of the impact of subsection (m).

(C) Yield on the issue

For purposes of this subsection, the yield on an issue shall be determined on the basis of—

(i) the issue price (within the meaning of sections 1273 and 1274), and

(ii) an expected maturity for the bonds which is consistent with the assumptions required under subparagraph (B)(iv).

(3) Arbitrage and investment gains to be used to reduce costs of owner-financing

(A) In general

An issue shall be treated as meeting the requirements of this paragraph only if an amount equal to the sum of—

(i) the excess of—

(I) the amount earned on all nonpurpose investments (other than investments attributable to an excess described in this clause), over

(II) the amount which would have been earned if such investments were invested at a rate equal to the yield on the issue, plus

(ii) any income attributable to the excess described in clause (i),

(B) Investment gains and losses

For purposes of subparagraph (A), in determining the amount earned on all nonpurpose investments, any gain or loss on the disposition of such investments shall be taken into account.

(C) Reduction where issuer does not use full 1.125 percentage points under paragraph (2)

(i) In general

The amount required to be paid or credited to mortgagors under subparagraph (A) (determined under this paragraph without regard to this subparagraph) shall be reduced by the unused paragraph (2) amount.

(ii) Unused paragraph (2) amount

For purposes of clause (i), the unused paragraph (2) amount is the amount which (if it were treated as an interest payment made by mortgagors) would result in the excess referred to in paragraph (2)(A) being equal to 1.125 percentage points. Such amount shall be fixed and determined as of the yield determination date.

(D) Election to pay United States

Subparagraph (A) shall be satisfied with respect to any issue if the issuer elects before issuing the bonds to pay over to the United States—

(i) not less frequently than once each 5 years after the date of issue, an amount equal to 90 percent of the aggregate amount which would be required to be paid or credited to mortgagors under subparagraph (A) (and not theretofore paid to the United States), and

(ii) not later than 60 days after the redemption of the last bond, 100 percent of such aggregate amount not theretofore paid to the United States.

(2) Limitation

Nothing in paragraph (1) shall be treated as requiring the making available of an amount which exceeds 40 percent of the average annual aggregate principal amount of mortgages executed during the immediately preceding 3 calendar years for single-family, owner-occupied residences located in targeted areas within the jurisdiction of the issuing authority.

(i) Other requirements

(1) Mortgages must be new mortgages

§ 144. Qualified small issue bond; qualified student loan bond; qualified redevelopment bond

(a) Qualified small issue bond

(1) In general

For purposes of this part, the term ''qualified small issue bond'' means any bond issued as part of an issue the aggregate authorized face amount of which is $1,000,000 or less and 95 percent or more of the net proceeds of which are to be used—

(A) for the acquisition, construction, reconstruction, or improvement of land or property of a character subject to the allowance for depreciation, or

(B) to redeem part or all of a prior issue which was issued for purposes described in subparagraph (A) or this subparagraph.

(2) Certain prior issues taken into account

If—

(A) the proceeds of 2 or more issues of bonds (whether or not the issuer of each such issue is the same) are or will be used primarily with respect to facilities located in the same incorporated municipality or located in the same county (but not in any incorporated municipality),

(B) the principal user of such facilities is or will be the same person or 2 or more related persons, and

(C) but for this paragraph, paragraph (1) (or the corresponding provision of prior law) would apply to each such issue,

then, for purposes of paragraph (1), in determining the aggregate face amount of any later issue there shall be taken into account the aggregate face amount of tax-exempt bonds issued under all prior such issues and outstanding at the time of such later issue (not including as outstanding any bond which is to be redeemed (other than in an advance refunding) from the net proceeds of the later issue).

(3) Related persons

For purposes of this subsection, a person is a related person to another person if—

(A) the relationship between such persons would result in a disallowance of losses under section 267 or 707(b), or

(B) such persons are members of the same controlled group of corporations (as defined in section 1563(a), except that ''more than 50 percent'' shall be substituted for ''at least 80 percent'' each place it appears therein).

(4) $10,000,000 limit in certain cases

(A) In general

At the election of the issuer with respect to any issue, this subsection shall be applied—

(i) by substituting ''$10,000,000'' for ''$1,000,000'' in paragraph (1), and

(ii) in determining the aggregate face amount of such issue, by taking into account not only the amount described in paragraph (2), but also the aggregate amount of capital expenditures with respect to facilities described in subparagraph (B) paid or incurred during the 6-year period beginning 3 years before the date of such issue and ending 3 years after such date (and financed otherwise than out of the proceeds of outstanding tax-exempt issues to which paragraph (1) (or the corresponding provision of prior law) applied), as if the aggregate amount of such capital expenditures constituted the face amount of a prior outstanding issue described in paragraph (2).

(B) Facilities taken into account

For purposes of subparagraph (A)(ii), the facilities described in this subparagraph are facilities—

(i) located in the same incorporated municipality or located in the same county (but not in any incorporated municipality), and

(ii) the principal user of which is or will be the same person or 2 or more related persons.

For purposes of clause (i), the determination of whether or not facilities are located in the same governmental unit shall be made as of the date of issue of the issue in question.

(C) Certain capital expenditures not taken into account

For purposes of subparagraph (A)(ii), any capital expenditure—

(i) to replace property destroyed or damaged by fire, storm, or other casualty, to the extent of the fair market value of the property replaced,

(ii) required by a change made after the date of issue of the issue in question in a Federal or State law or local ordinance of general application or required by a change made after such date in rules and regulations of general application issued under such a law or ordinance,

(iii) required by circumstances which could not be reasonably foreseen on such date of issue or arising out of a mistake of law or fact (but the aggregate amount of expenditures not taken into account under this clause with respect to any issue shall not exceed $1,000,000), or

Where more than one governmental unit within a State has made a request described in section 150(d)(2)(B), the State may also be treated for purposes of paragraph (2) of this subsection as the governmental unit on behalf of which such bond was issued.

(B) Volunteer fire department bonds

In the case of a bond of a volunteer fire department which meets the requirements of section 150(e), the political subdivision described in section 150(e)(2)(B) with respect to such department shall be treated for purposes of paragraph (2) of this subsection as the governmental unit on behalf of which such bond was issued.

(g) Restriction on issuance costs financed by issue

(1) In general

A private activity bond shall not be a qualified bond if the issuance costs financed by the issue (of which such bond is a part) exceed 2 percent of the proceeds of the issue.

(2) Special rule for small mortgage revenue bond issues

In the case of an issue of qualified mortgage bonds or qualified veterans' mortgage bonds, paragraph (1) shall be applied by substituting ''3.5 percent'' for ''2 percent'' if the proceeds of the issue do not exceed $20,000,000.

(h) Certain rules not to apply to certain bonds

(1) Mortgage revenue bonds and qualified student loan bonds

Subsections (a), (b), (c), and (d) shall not apply to any qualified mortgage bond, qualified veterans' mortgage bond, or qualified student loan bond.

(2) Qualified 501(c)(3) bonds

Subsections (a), (c), and (d) shall not apply to any qualified 501(c)(3) bond and subsection (e) shall be applied as if it did not contain ''health club facility'' with respect to such a bond.

(3) Exempt facility bonds for qualified public-private schools

Subsection (c) shall not apply to any exempt facility bond issued as part of an issue described in section 142(a)(13) (relating to qualified public educational facilities).

SUBPART B—REQUIREMENTS APPLICABLE TO ALL STATE AND LOCAL BONDS

§ 148. Arbitrage

(a) Arbitrage bond defined

For purposes of section 103, the term ''arbitrage bond'' means any bond issued as part of an issue any portion of the proceeds of which are reasonably expected (at the time of issuance of the bond) to be used directly or indirectly—

(1) to acquire higher yielding investments, or

(2) to replace funds which were used directly or indirectly to acquire higher yielding investments.

For purposes of this subsection, a bond shall be treated as an arbitrage bond if the issuer intentionally uses any portion of the proceeds of the issue of which such bond is a part in a manner described in paragraph (1) or (2).

(b) Higher yielding investments

For purposes of this section—

(1) In general

The term ''higher yielding investments'' means any investment property which produces a yield over the term of the issue which is materially higher than the yield on the issue.

(2) Investment property

The term ''investment property'' means—

(A) any security (within the meaning of section 165(g)(2)(A) or (B)),

(B) any obligation,

(C) any annuity contract,

(D) any investment-type property, or

(E) in the case of a bond other than a private activity bond, any residential rental property for family units which is not located within the jurisdiction of the issuer and which is not acquired to implement a court ordered or approved housing desegregation plan.

(3) Alternative minimum tax bonds treated as investment property in certain cases

(A) In general

Except as provided in subparagraph (B), the term ''investment property'' does not include any tax-exempt bond.

(B) Exception

With respect to an issue other than an issue a part of which is a specified private activity bond (as defined in section 57(a)(5)(C)), the term ''investment property'' includes a specified private activity bond (as so defined).

(4) Safe harbor for prepaid natural gas

(A) In general

The term ''investment-type property'' does not include a prepayment under a qualified natural gas supply contract.

(B) Qualified natural gas supply contract

For purposes of this paragraph, the term ''qualified natural gas supply contract'' means any contract to acquire natural gas for resale by a utility owned by a governmental unit if the amount of gas permitted to be acquired under the contract by the utility during any year does not exceed the sum of—

(i) the annual average amount during the testing period of natural gas purchased (other than for resale) by customers of such utility who are located within the service area of such utility, and

(ii) the amount of natural gas to be used to transport the prepaid natural gas to the utility during such year.

(C) Natural gas used to generate electricity

Natural gas used to generate electricity shall be taken into account in determining the average under subparagraph (B)(i)—

(i) only if the electricity is generated by a utility owned by a governmental unit, and

(ii) only to the extent that the electricity is sold (other than for resale) to customers of such utility who are located within the service area of such utility.

(D) Adjustments for changes in customer base

(i) New business customers

If—

(I) after the close of the testing period and before the date of issuance of the issue, the utility owned by a governmental unit enters into a contract to supply natural gas (other than for resale) for a business use at a property within the service area of such utility, and

(II) the utility did not supply natural gas to such property during the testing period or the ratable amount of natural gas to be supplied under the contract is significantly greater than the ratable amount of gas supplied to such property during the testing period,

then a contract shall not fail to be treated as a qualified natural gas supply contract by reason of supplying the additional natural gas under the contract referred to in subclause (I).

(ii) Lost customers

The average under subparagraph (B)(i) shall not exceed the annual amount of natural gas reasonably expected to be purchased (other than for resale) by persons who are located within the service area of such utility and who, as of the date of issuance of the issue, are customers of such utility.

(E) Ruling requests

The Secretary may increase the average under subparagraph (B)(i) for any period if the utility owned by the governmental unit establishes to the satisfaction of the Secretary that, based on objective evidence of growth in natural gas consumption or popu-

lation, such average would otherwise be insufficient for such period.

(F) Adjustment for natural gas otherwise on hand

(i) In general

The amount otherwise permitted to be acquired under the contract for any period shall be reduced by—

(I) the applicable share of natural gas held by the utility on the date of issuance of the issue, and

(II) the natural gas (not taken into account under subclause (I)) which the utility has a right to acquire during such period (determined as of the date of issuance of the issue).

(ii) Applicable share

For purposes of the clause (i), the term ''applicable share'' means, with respect to any period, the natural gas allocable to such period if the gas were allocated ratably over the period to which the prepayment relates.

(G) Intentional acts

Subparagraph (A) shall cease to apply to any issue if the utility owned by the governmental unit engages in any intentional act to render the volume of natural gas acquired by such prepayment to be in excess of the sum of—

(i) the amount of natural gas needed (other than for resale) by customers of such utility who are located within the service area of such utility, and

(ii) the amount of natural gas used to transport such natural gas to the utility.

(H) Testing period

For purposes of this paragraph, the term ''testing period'' means, with respect to an issue, the most recent 5 calendar years ending before the date of issuance of the issue.

(I) Service area

For purposes of this paragraph, the service area of a utility owned by a governmental unit shall be comprised of—

(i) any area throughout which such utility provided at all times during the testing period—

(I) in the case of a natural gas utility, natural gas transmission or distribution services, and

(II) in the case of an electric utility, electricity distribution services,

(ii) any area within a county contiguous to the area described in clause (i) in which retail customers of such utility are located if such area is not also served by another utility providing natural gas or electricity services, as the case may be, and

(iii) any area recognized as the service area of such utility under State or Federal law.

(c) Temporary period exception

(1) In general

For purposes of subsection (a), a bond shall not be treated as an arbitrage bond solely by reason of the fact that the proceeds of the issue of which such bond is a part may be invested in higher yielding investments for a reasonable temporary period until such proceeds are needed for the purpose for which such issue was issued.

(2) Limitation on temporary period for pooled financings

(A) In general

The temporary period referred to in paragraph (1) shall not exceed 6 months with respect to the proceeds of an issue which are to be used to make or finance loans (other than nonpurpose investments) to 2 or more persons.

(B) Shorter temporary period for loan repayments, etc.

Subparagraph (A) shall be applied by substituting ''3 months'' for ''6 months'' with respect to the proceeds from the sale or repayment of any loan which are to be used to make or finance any loan. For purposes of the preceding sentence, a nonpurpose investment shall not be treated as a loan.

(C) Bonds used to provide construction financing

In the case of an issue described in subparagraph (A) any portion of which is used to make or finance loans for construction expenditures (within the meaning of subsection (f)(4)(C)(iv))—

(i) rules similar to the rules of subsection (f)(4)(C)(v) shall apply, and

(ii) subparagraph (A) shall be applied with respect to such portion by substituting ''2 years'' for ''6 months''.

(D) Exception for mortgage revenue bonds

This paragraph shall not apply to any qualified mortgage bond or qualified veterans' mortgage bond.

(d) Special rules for reasonably required reserve or replacement fund

(1) In general

For purposes of subsection (a), a bond shall not be treated as an arbitrage bond solely by reason of the fact that an amount of the proceeds of the issue of which such bond is a part may be invested in higher yielding investments which are part of a reasonably required reserve or replacement fund. The amount referred to in the preceding sentence shall not exceed 10 percent of the proceeds of such issue unless the issuer establishes to the satisfaction of the Secretary that a higher amount is necessary.

(2) Limitation on amount in reserve or replacement fund which may be financed by issue

A bond issued as part of an issue shall be treated as an arbitrage bond if the amount of the proceeds from the sale of such issue which is part of any reserve or replacement fund exceeds 10 percent of the proceeds of the issue (or such higher amount which the issuer establishes is necessary to the satisfaction of the Secretary).

(e) Minor portion may be invested in higher yielding investments

Notwithstanding subsections (a), (c), and (d), a bond issued as part of an issue shall not be treated as an arbitrage bond solely by reason of the fact that an amount of the proceeds of such issue (in addition to the amounts under subsections (c) and (d)) is invested in higher yielding investments if such amount does not exceed the lesser of—

(1) 5 percent of the proceeds of the issue, or

(2) $100,000.

(f) Required rebate to the United States

(1) In general

A bond which is part of an issue shall be treated as an arbitrage bond if the requirements of paragraphs (2) and (3) are not met with respect to such issue. The preceding sentence shall not apply to any qualified veterans' mortgage bond.

(2) Rebate to United States

An issue shall be treated as meeting the requirements of this paragraph only if an amount equal to the sum of—

(A) the excess of—

(i) the amount earned on all nonpurpose investments (other than investments attributable to an excess described in this subparagraph), over

(ii) the amount which would have been earned if such nonpurpose investments were invested at a rate equal to the yield on the issue, plus

(B) any income attributable to the excess described in subparagraph (A),

is paid to the United States by the issuer in accordance with the requirements of paragraph (3).

(3) Due date of payments under paragraph (2)

Except to the extent provided by the Secretary, the amount which is required to be paid to the United States by the issuer shall be paid in installments which are made at least once every 5 years. Each installment shall be in an amount which ensures that 90 percent of the amount described in paragraph (2) with respect to the issue at the time payment of such installment is required will have been paid to the United States. The last installment shall be made no later than 60 days after the day on which the last bond of the issue is redeemed and shall be in an amount sufficient to pay the remaining balance of the amount described in paragraph (2) with respect to such issue. A series of issues which are redeemed during a 6-month period (or such longer period as the Secretary may prescribe) shall be treated (at the election of the issuer) as 1 issue for purposes of the preceding sentence if no bond which is part of any issue in such series has a maturity of more than 270 days or is a private activity bond. In the case of a tax and revenue anticipation bond, the last installment shall not be required to be made before the date 8 months after the date of issuance of the issue of which the bond is a part.

(4) Special rules for applying paragraph (2)

(A) In general

In determining the aggregate amount earned on nonpurpose investments for purposes of paragraph (2)—

(i) any gain or loss on the disposition of a nonpurpose investment shall be taken into account, and

(ii) any amount earned on a bona fide debt service fund shall not be taken into account if the gross earnings on such fund for the bond year is less than $100,000.

In the case of an issue no bond of which is a private activity bond, clause (ii) shall be applied without regard to the dollar limitation therein if the average maturity of the issue (determined in accordance with section 147(b)(2)(A)) is at least 5 years and the rates of interest on bonds which are part of the issue do not vary during the term of the issue.

(B) Temporary investments

Under regulations prescribed by the Secretary—

(i) In general

An issue shall, for purposes of this subsection, be treated as meeting the requirements of paragraph (2) if—

(I) the gross proceeds of such issue are expended for the governmental purposes for which the issue was issued no later than the day which is 6 months after the date of issuance of the issue, and

(II) the requirements of paragraph (2) are met with respect to amounts not required to be spent as provided in subclause (I) (other than earnings on amounts in any bona fide debt service fund).

Gross proceeds which are held in a bona fide debt service fund or a reasonably required reserve or replacement fund, and gross proceeds which arise after such 6 months and which were not reasonably anticipated as of the date of issuance, shall not be considered gross proceeds for purposes of subclause (I) only.

(ii) Additional period for certain bonds

(I) In general

In the case of an issue described in subclause (II), clause (i) shall be applied by substituting ''1 year'' for ''6 months'' each place it appears with respect to the portion of the proceeds of the issue which are not expended in accordance with clause (i) if such portion does not exceed 5 percent of the proceeds of the issue.

(II) Issues to which subclause (I) applies

An issue is described in this subclause if no bond which is part of such issue is a private activity bond (other than a qualified 501(c)(3) bond) or a tax or revenue anticipation bond.

(iii) Safe harbor for determining when proceeds of tax and revenue anticipation bonds are expended

(I) In general

For purposes of clause (i), in the case of an issue of tax or revenue anticipation bonds, the net proceeds of such issue (including earnings thereon) shall be treated as expended for the governmental purpose of the issue on the 1st day after the date of issuance that the cumulative cash flow deficit to be financed by such issue exceeds 90 percent of the proceeds of such issue.

(II) Cumulative cash flow deficit

For purposes of subclause (I), the term ''cumulative cash flow deficit'' means, as of the date of computation, the excess of the expenses paid during the period described in subclause (III) which would ordinarily be paid out of or financed by anticipated tax or other revenues over the aggregate amount available (other than from the proceeds of the issue) during such period for the payment of such expenses.

(III) Period involved

For purposes of subclause (II), the period described in this subclause is the period beginning on the date of issuance of the issue and ending on the earlier of the date 6 months after such date of issuance or the date of the computation of cumulative cash flow deficit.

(iv) Payments of principal not to affect requirements

For purposes of this subparagraph, payments of principal on the bonds which are part of an issue shall not be treated as expended for the governmental purposes of the issue.

(C) Exception from rebate for certain proceeds to be used to finance construction expenditures

(i) In general

In the case of a construction issue, paragraph (2) shall not apply to the available construction proceeds of such issue if the spending requirements of clause (ii) are met.

(ii) Spending requirements

The spending requirements of this clause are met if at least—

(I) 10 percent of the available construction proceeds of the construction issue are spent for the governmental purposes of the issue within the 6-month period beginning on the date the bonds are issued,

(II) 45 percent of such proceeds are spent for such purposes within the 1-year period beginning on such date,

(III) 75 percent of such proceeds are spent for such purposes within the 18-month period beginning on such date, and

(IV) 100 percent of such proceeds are spent for such purposes within the 2-year period beginning on such date.

(iii) Exception for reasonable retainage

The spending requirement of clause (ii)(IV) shall be treated as met if—

(I) such requirement would be met at the close of such 2-year period but for a reasonable retainage (not exceeding 5 percent of the available construction proceeds of the construction issue), and

(II) 100 percent of the available construction proceeds of the construction issue are spent for the governmental purposes of the issue within the 3-year period beginning on the date the bonds are issued.

(iv) Construction issue

For purposes of this subparagraph, the term ''construction issue'' means any issue if—

(I) at least 75 percent of the available construction proceeds of such issue are to be used for construction expenditures with respect to property which is to be owned by a governmental unit or a 501(c)(3) organization, and

(II) all of the bonds which are part of such issue are qualified 501(c)(3) bonds, bonds which are not private activity bonds, or private activity bonds issued to finance property to be owned by a governmental unit or a 501(c)(3) organization.

For purposes of this subparagraph, the term ''construction'' includes reconstruction and rehabilitation, and rules similar to the rules of section 142(b)(1)(B) shall apply.

(v) Portions of issues used for construction

If—

(I) all of the construction expenditures to be financed by an issue are to be financed from a portion thereof, and

(II) the issuer elects to treat such portion as a construction issue for purposes of this subparagraph,

then, for purposes of this subparagraph and subparagraph (B), such portion shall be treated as a separate issue.

(vi) Available construction proceeds

For purposes of this subparagraph—

(I) In general

The term ''available construction proceeds'' means the amount equal to the issue price (within the meaning of sections 1273 and 1274) of the construction issue, increased by earnings on the issue price, earnings on amounts in any reasonably required reserve or replacement fund not funded from the issue, and earnings on all of the foregoing earnings, and reduced by the amount of the issue price in any reasonably required reserve or replacement fund and the issuance costs financed by the issue.

(II) Earnings on reserve included only for certain periods

The term ''available construction proceeds'' shall not include amounts earned

on any reasonably required reserve or replacement fund after the earlier of the close of the 2-year period described in clause (ii) or the date the construction is substantially completed.

(III) Payments on acquired purpose obligations excluded

The term ''available construction proceeds'' shall not include payments on any obligation acquired to carry out the governmental purposes of the issue and shall not include earnings on such payments.

(IV) Election to rebate on earnings on reserve

At the election of the issuer, the term ''available construction proceeds'' shall not include earnings on any reasonably required reserve or replacement fund.

(vii) Election to pay penalty in lieu of rebate

(I) In general

At the election of the issuer, paragraph (2) shall not apply to available construction proceeds which do not meet the spending requirements of clause (ii) if the issuer pays a penalty, with respect to each 6-month period after the date the bonds were issued, equal to 1½ percent of the amount of the available construction proceeds of the issue which, as of the close of such 6-month period, is not spent as required by clause (ii).

(II) Termination

The penalty imposed by this clause shall cease to apply only as provided in clause (viii) or after the latest maturity date of any bond in the issue (including any refunding bond with respect thereto).

(viii) Election to terminate 1½ percent penalty

At the election of the issuer (made not later than 90 days after the earlier of the end of the initial temporary period or the date the construction is substantially completed), the penalty under clause (vii) shall not apply to any 6-month period after the initial temporary period under subsection (c) if the requirements of subclauses (I), (II), and (III) are met.

(I) 3 percent penalty

The requirement of this subclause is met if the issuer pays a penalty equal to 3 percent of the amount of available construction proceeds of the issue which is not spent for the governmental purposes of the issue as of the close of such initial temporary period multiplied by the number of years (including fractions thereof) in the initial temporary period.

(II) Yield restriction at close of temporary period

The requirement of this subclause is met if the amount of the available construction proceeds of the issue which is not spent for the governmental purposes of the issue as of the close of such initial temporary period is invested at a yield not exceeding the yield on the issue or which is invested in any tax-exempt bond which is not investment property.

(III) Redemption of bonds at earliest call date

The requirement of this subclause is met if the amount of the available construction proceeds of the issue which is not spent for the governmental purposes of the issue as of the earliest date on which bonds may be redeemed is used to redeem bonds on such date.

(ix) Election to terminate 1½ percent penalty before end of temporary period

If—

(I) the construction to be financed by a construction issue is substantially completed before the end of the initial temporary period,

(II) the issuer identifies an amount of available construction proceeds which will not be spent for the governmental purposes of the issue,

(III) the issuer has made the election under clause (viii), and

(IV) the issuer makes an election under this clause before the close of the initial temporary period and not later than 90 days after the date the construction is substantially completed,

then clauses (vii) and (viii) shall be applied to the available construction proceeds so identified as if the initial temporary period ended as of the date the election is made.

(x) Failure to pay penalties

In the case of a failure (which is not due to willful neglect) to pay any penalty required to be paid under clause (vii) or (viii) in the amount or at the time prescribed therefor, the Secretary may treat such failure as not occurring if, in addition to paying such penalty, the issuer pays a penalty equal to the sum of—

(I) 50 percent of the amount which was not paid in accordance with clauses (vii) and (viii), plus

(II) interest (at the underpayment rate established under section 6621) on the portion of the amount which was not paid on the date required for the period beginning on such date.

The Secretary may waive all or any portion of the penalty under this clause. Bonds which are part of an issue with respect to which there is a failure to pay the amount required under this clause (and any refunding bond with respect thereto) shall be treated as not being, and as never having been, tax-exempt bonds.

(xi) Election for pooled financing bonds

At the election of the issuer of an issue the proceeds of which are to be used to make or finance loans (other than nonpur-

pose investments) to 2 or more persons, the periods described in clauses (ii) and (iii) shall begin on—

(I) the date the loan is made, in the case of loans made within the 1-year period after the date the bonds are issued, and

(II) the date following such 1-year period, in the case of loans made after such 1-year period.

If such an election applies to an issue, the requirements of paragraph (2) shall apply to amounts earned before the beginning of the periods determined under the preceding sentence.

(xii) Payments of principal not to affect requirements

For purposes of this subparagraph, payments of principal on the bonds which are part of the construction issue shall not be treated as an expenditure of the available construction proceeds of the issue.

(xiii) Refunding bonds

(I) In general

Except as provided in this clause, clause (vii)(II), and the last sentence of clause (x), this subparagraph shall not apply to any refunding bond and no proceeds of a refunded bond shall be treated for purposes of this subparagraph as proceeds of a refunding bond.

(II) Determination of construction portion of issue

For purposes of clause (v), any portion of an issue which is used to refund any issue (or portion thereof) shall be treated as a separate issue.

(III) Coordination with rebate requirement on refunding bonds

The requirements of paragraph (2) shall be treated as met with respect to earnings for any period if a penalty is paid under clause (vii) or (viii) with respect to such earnings for such period.

(xiv) Elections

Any election under this subparagraph (other than clauses (viii) and (ix)) shall be made on or before the date the bonds are issued; and, once made, shall be irrevocable.

(xv) Time for payment of penalties

Any penalty under this subparagraph shall be paid to the United States not later than 90 days after the period to which the penalty relates.

(xvi) Treatment of bona fide debt service funds

If the spending requirements of clause (ii) are met with respect to the available construction proceeds of a construction issue, then paragraph (2) shall not apply to earnings on a bona fide debt service fund for such issue.

(D) Exception for governmental units issuing $5,000,000 or less of bonds

(i) In general

An issue shall, for purposes of this subsection, be treated as meeting the requirements of paragraphs (2) and (3) if—

(I) the issue is issued by a governmental unit with general taxing powers,

(II) no bond which is part of such issue is a private activity bond,

(III) 95 percent or more of the net proceeds of such issue are to be used for local governmental activities of the issuer (or of a governmental unit the jurisdiction of which is entirely within the jurisdiction of the issuer), and

(IV) the aggregate face amount of all tax-exempt bonds (other than private activity bonds) issued by such unit during the calendar year in which such issue is issued is not reasonably expected to exceed $5,000,000.

(ii) Aggregation of issuers

For purposes of subclause (IV) of clause (i)—

(I) an issuer and all entities which issue bonds on behalf of such issuer shall be treated as 1 issuer,

(II) all bonds issued by a subordinate entity shall, for purposes of applying such subclause to each other entity to which such entity is subordinate, be treated as issued by such other entity, and

(III) an entity formed (or, to the extent provided by the Secretary, availed of) to avoid the purposes of such subclause (IV) and all other entities benefiting thereby shall be treated as 1 issuer.

(iii) Certain refunding bonds not taken into account in determining small issuer status

There shall not be taken into account under subclause (IV) of clause (i) any bond issued to refund (other than to advance refund) any bond to the extent the amount of the refunding bond does not exceed the outstanding amount of the refunded bond.

(iv) Certain issues issued by subordinate governmental units, etc., exempt from rebate requirement

An issue issued by a subordinate entity of a governmental unit with general taxing powers shall be treated as described in clause (i)(I) if the aggregate face amount of such issue does not exceed the lesser of—

(I) $5,000,000, or

(II) the amount which, when added to the aggregate face amount of other issues issued by such entity, does not exceed the portion of the $5,000,000 limitation under clause (i)(IV) which such governmental unit allocates to such entity.

For purposes of the preceding sentence, an entity which issues bonds on behalf of a governmental unit with general taxing powers shall be treated as a subordinate

entity of such unit. An allocation shall be taken into account under subclause (II) only if it is irrevocable and made before the issuance date of such issue and only to the extent that the limitation so allocated bears a reasonable relationship to the benefits received by such governmental unit from issues issued by such entity.

(v) Determination of whether refunding bonds eligible for exception from rebate requirement

If any portion of an issue is issued to refund other bonds, such portion shall be treated as a separate issue which does not meet the requirements of paragraphs (2) and (3) by reason of this subparagraph unless—

(I) the aggregate face amount of such issue does not exceed $5,000,000,

(II) each refunded bond was issued as part of an issue which was treated as meeting the requirements of paragraphs (2) and (3) by reason of this subparagraph,

(III) the average maturity date of the refunding bonds issued as part of such issue is not later than the average maturity date of the bonds to be refunded by such issue, and

(IV) no refunding bond has a maturity date which is later than the date which is 30 years after the date the original bond was issued.

Subclause (III) shall not apply if the average maturity of the issue of which the original bond was a part (and of the issue of which the bonds to be refunded are a part) is 3 years or less. For purposes of this clause, average maturity shall be determined in accordance with section 147(b)(2)(A).

(vi) Refundings of bonds issued under law prior to Tax Reform Act of 1986

If section 141(a) did not apply to any refunded bond, the issue of which such refunded bond was a part shall be treated as meeting the requirements of subclause (II) of clause (v) if—

(I) such issue was issued by a governmental unit with general taxing powers,

(II) no bond issued as part of such issue was an industrial development bond (as defined in section 103(b)(2), but without regard to subparagraph (B) of section 103(b)(3)) or a private loan bond (as defined in section 103(*o*)(2)(A), but without regard to any exception from such definition other than section 103(*o*)(2)(C)), and

(III) the aggregate face amount of all tax-exempt bonds (other than bonds described in subclause (II)) issued by such unit during the calendar year in which such issue was issued did not exceed $5,000,000.

References in subclause (II) to section 103 shall be to such section as in effect on the day before the date of the enactment of the Tax Reform Act of 1986. Rules similar to the rules of clauses (ii) and (iii) shall apply for purposes of subclause (III). For purposes of subclause (II) of clause (i), bonds described in subclause (II) of this clause to which section 141(a) does not apply shall not be treated as private activity bonds.

(vii) Increase in exception for bonds financing public school capital expenditures

Each of the $5,000,000 amounts in the preceding provisions of this subparagraph shall be increased by the lesser of $10,000,000 or so much of the aggregate face amount of the bonds as are attributable to financing the construction (within the meaning of subparagraph (C)(iv)) of public school facilities.

(5) Exemption from gross income of sum rebated

Gross income shall not include the sum described in paragraph (2). Notwithstanding any other provision of this title, no deduction shall be allowed for any amount paid to the United States under paragraph (2).

(6) Definitions

For purposes of this subsection and subsections (c) and (d)—

(A) Nonpurpose investment

The term ''nonpurpose investment'' means any investment property which—

(i) is acquired with the gross proceeds of an issue, and

(ii) is not acquired in order to carry out the governmental purpose of the issue.

(B) Gross proceeds

Except as otherwise provided by the Secretary, the gross proceeds of an issue include—

(i) amounts received (including repayments of principal) as a result of investing the original proceeds of the issue, and

(ii) amounts to be used to pay debt service on the issue.

(7) Penalty in lieu of loss of tax exemption

In the case of an issue which would (but for this paragraph) fail to meet the requirements of paragraph (2) or (3), the Secretary may treat such issue as not failing to meet such requirements if—

(A) no bond which is part of such issue is a private activity bond (other than a qualified 501(c)(3) bond),

(B) the failure to meet such requirements is not due to willful neglect, and

(C) the issuer pays to the United States a penalty in an amount equal to the sum of—

(i) 50 percent of the amount which was not paid in accordance with paragraphs (2) and (3), plus

(ii) interest (at the underpayment rate established under section 6621) on the portion of the amount which was not paid on the date required under paragraph (3) for the period beginning on such date.

The Secretary may waive all or any portion of the penalty under this paragraph.

(g) Student loan incentive payments

Except to the extent otherwise provided in regulations, payments made by the Secretary of Education pursuant to section 438 of the Higher Education Act of 1965 are not to be taken into account, for purposes of subsection (a)(1), in determining yields on student loan notes.

(h) Determinations of yield

For purposes of this section, the yield on an issue shall be determined on the basis of the issue price (within the meaning of sections 1273 and 1274).

(i) Regulations

The Secretary shall prescribe such regulations as may be necessary or appropriate to carry out the purposes of this section.

(C) Net proceeds

For purposes of subparagraph (A), the term ''net proceeds'' has the meaning given such term by section 150 but shall not include proceeds used to finance issuance costs and shall not include proceeds necessary to pay interest (during such period) on the bonds which are part of the issue.

(iii) Refunding of pre-effective date bonds entitled to 5-year temporary period

A refunding bond shall be treated as meeting the requirements of this subsection if—

(II) the issuer reasonably expected that 85 percent of the spendable proceeds of the issue of which the original bond is a part would be used to carry out the governmental purposes of the issue within the 5-year period beginning on the date the original bonds were issued but did not reasonably expect that 85 percent of such proceeds would be so spent within the 3-year period beginning on such date, and

(III) at least 85 percent of the spendable proceeds of the original issue (and all other prior original issues issued to finance the governmental purposes of such issue) were spent before the date the refunding bonds are issued.

(4) Special rules

For purposes of this subsection—

(A) Construction period in excess of 5 years

The Secretary may, at the request of any issuer, provide that the requirement of paragraph (2) shall be treated as met with respect to the portion of the spendable proceeds of an issue which is to be used for any construction project having a construction period in excess of 5 years if it is reasonably expected that such proceeds will be spent over a reasonable construction schedule specified in such request.

(2) Governmental unit not to include Federal Government

The term ''governmental unit'' does not include the United States or any agency or instrumentality thereof.

(3) Net proceeds

The term ''net proceeds'' means, with respect to any issue, the proceeds of such issue reduced by amounts in a reasonably required reserve or replacement fund.

(4) 501(c)(3) organization

The term ''501(c)(3) organization'' means any organization described in section 501(c)(3) and exempt from tax under section 501(a).

(b) Change in use of facilities financed with tax-exempt private activity bonds

(1) Mortgage revenue bonds

(A) In general

In the case of any residence with respect to which financing is provided from the proceeds of a tax-exempt qualified mortgage bond or qualified veterans' mortgage bond, if there is a continuous period of at least 1 year during which such residence is not the principal residence of at least 1 of the mortgagors who received such financing, then no deduction shall be allowed under this chapter for interest on such financing which accrues on or after the date such period began and before the date such residence is again the principal residence of at least 1 of the mortgagors who received such financing.

(B) Exception

Subparagraph (A) shall not apply to the extent the Secretary determines that its application would result in undue hardship and that the failure to meet the requirements of subparagraph (A) resulted from circumstances beyond the mortgagor's control.

(2) Qualified residential rental projects

In the case of any project for residential rental property—

(A) with respect to which financing is provided from the proceeds of any private activity bond which, when issued, purported to be a tax-exempt bond described in paragraph (7) of section 142(a), and

(A) In general

In the case of any facility with respect to which financing is provided from the proceeds of any private activity bond which, when issued, purported to be a tax-exempt qualified 501(c)(3) bond, if any portion of such facility—

(ii) continues to be owned by a 501(c)(3) organization,

then the owner of such portion shall be treated for purposes of this title as engaged in an unrelated trade or business (as defined in section 513) with respect to such portion. The amount of gross income attributable to such portion for any period shall not be less than the fair rental value of such portion for such period.

(B) Denial of deduction for interest

(C) such facility is not so owned,

then no deduction shall be allowed under this chapter for interest on such financing which accrues during the period beginning on the date such facility is not so owned and ending on the date such facility is so owned.

(6) Small issue bonds which exceed capital expenditure limitation

In the case of any financing provided from the proceeds of any bond which, when issued, purported to be a qualified small issue bond, no deduction shall be allowed under this chapter for interest on such financing which accrues during the period such bond is not a qualified small issue bond.

(c) Exception and special rules for purposes of subsection (b)

For purposes of subsection (b)—

(1) Exception

Any use with respect to facilities financed with proceeds of an issue which are not required to be used for the exempt purpose of such issue shall not be taken into account.

(2) Treatment of amounts other than interest

If the amounts payable for the use of a facility are not interest, subsection (b) shall apply to such amounts as if they were interest but only to the extent such amounts for any period do not exceed the amount of interest accrued on the bond financing for such period.

§ 164. Taxes

(a) General rule

Except as otherwise provided in this section, the following taxes shall be allowed as a deduction for the taxable year within which paid or accrued:

(1) State and local, and foreign, real property taxes.

(2) State and local personal property taxes.

(3) State and local, and foreign, income, war profits, and excess profits taxes.

(4) The GST tax imposed on income distributions.

In addition, there shall be allowed as a deduction State and local, and foreign, taxes not described in the preceding sentence which are paid or accrued within the taxable year in carrying on a trade or business or an activity described in section 212 (relating to expenses for production of income). Notwithstanding the preceding sentence, any tax (not described in the first sentence of this subsection) which is paid or accrued by the taxpayer in connection with an acquisition or disposition of property shall be treated as part of the cost of the acquired property or, in the case of a disposition, as a reduction in the amount realized on the disposition.

(b) Definitions and special rules

For purposes of this section—

(1) Personal property taxes

The term ''personal property tax'' means an ad valorem tax which is imposed on an annual basis in respect of personal property.

(2) State or local taxes

A State or local tax includes only a tax imposed by a State, a possession of the United States, or a political subdivision of any of the foregoing, or by the District of Columbia.

(3) Foreign taxes

A foreign tax includes only a tax imposed by the authority of a foreign country.

(4) Special rules for GST tax

(A) In general

The GST tax imposed on income distributions is—

(i) the tax imposed by section 2601, and

(ii) any State tax described in section 2604 (as in effect before its repeal),

but only to the extent such tax is imposed on a transfer which is included in the gross income of the distributee and to which section 666 does not apply.

(B) Special rule for tax paid before due date

Any tax referred to in subparagraph (A) imposed with respect to a transfer occurring during the taxable year of the distributee (or, in the case of a taxable termination, the trust) which is paid not later than the time prescribed by law (including extensions) for filing the return with respect to such transfer shall be treated as having been paid on the last day of the taxable year in which the transfer was made.

(5) General sales taxes

For purposes of subsection (a)—

(A) Election to deduct State and local sales taxes in lieu of State and local income taxes

At the election of the taxpayer for the taxable year, subsection (a) shall be applied—

(i) without regard to the reference to State and local income taxes, and

(ii) as if State and local general sales taxes were referred to in a paragraph thereof.

(B) Definition of general sales tax

The term ''general sales tax'' means a tax imposed at one rate with respect to the sale at retail of a broad range of classes of items.

(C) Special rules for food, etc.

In the case of items of food, clothing, medical supplies, and motor vehicles—

(i) the fact that the tax does not apply with respect to some or all of such items shall not be taken into account in determining whether the tax applies with respect to a broad range of classes of items, and

(ii) the fact that the rate of tax applicable with respect to some or all of such items is lower than the general rate of tax shall not be taken into account in determining whether the tax is imposed at one rate.

(D) Items taxed at different rates

Except in the case of a lower rate of tax applicable with respect to an item described in subparagraph (C), no deduction shall be allowed under this paragraph for any general sales tax imposed with respect to an item at a rate other than the general rate of tax.

(E) Compensating use taxes

A compensating use tax with respect to an item shall be treated as a general sales tax.

For purposes of the preceding sentence, the term ''compensating use tax'' means, with respect to any item, a tax which—

(i) is imposed on the use, storage, or consumption of such item, and

(ii) is complementary to a general sales tax, but only if a deduction is allowable under this paragraph with respect to items sold at retail in the taxing jurisdiction which are similar to such item.

(F) Special rule for motor vehicles

In the case of motor vehicles, if the rate of tax exceeds the general rate, such excess shall be disregarded and the general rate shall be treated as the rate of tax.

(G) Separately stated general sales taxes

If the amount of any general sales tax is separately stated, then, to the extent that the amount so stated is paid by the consumer (other than in connection with the consumer's trade or business) to the seller, such amount shall be treated as a tax imposed on, and paid by, such consumer.

(H) Amount of deduction may be determined under tables

(i) In general

At the election of the taxpayer for the taxable year, the amount of the deduction allowed under this paragraph for such year shall be—

(I) the amount determined under this paragraph (without regard to this subparagraph) with respect to motor vehicles, boats, and other items specified by the Secretary, and

(II) the amount determined under tables prescribed by the Secretary with respect to items to which subclause (I) does not apply.

(ii) Requirements for tables

The tables prescribed under clause (i)—

(I) shall reflect the provisions of this paragraph,

(II) shall be based on the average consumption by taxpayers on a State-by-State basis (as determined by the Secretary) of items to which clause (i)(I) does not apply, taking into account filing status, number of dependents, adjusted gross income, and rates of State and local general sales taxation, and

(III) need only be determined with respect to adjusted gross incomes up to the applicable amount (as determined under section 68(b)).

(6) Limitation on individual deductions for taxable years 2018 through 2025

In the case of an individual and a taxable year beginning after December 31, 2017, and before January 1, 2026—

(A) foreign real property taxes shall not be taken into account under subsection (a)(1), and

(B) the aggregate amount of taxes taken into account under paragraphs (1), (2), and (3) of subsection (a) and paragraph (5) of this subsection for any taxable year shall not exceed $10,000 ($5,000 in the case of a married individual filing a separate return).

The preceding sentence shall not apply to any foreign taxes described in subsection (a)(3) or to any taxes described in paragraph (1) and (2) of subsection (a) which are paid or accrued in carrying on a trade or business or an activity described in section 212. For purposes of subparagraph (B), an amount paid in a taxable year beginning before January 1, 2018, with respect to a State or local income tax imposed for a taxable year beginning after December 31, 2017, shall be treated as paid on the last day of the taxable year for which such tax is so imposed.

(c) Deduction denied in case of certain taxes

No deduction shall be allowed for the following taxes:

(1) Taxes assessed against local benefits of a kind tending to increase the value of the property assessed; but this paragraph shall not prevent the deduction of so much of such taxes as is properly allocable to maintenance or interest charges.

(2) Taxes on real property, to the extent that subsection (d) requires such taxes to be treated as imposed on another taxpayer.

(d) Apportionment of taxes on real property between seller and purchaser

(1) General rule

For purposes of subsection (a), if real property is sold during any real property tax year, then—

(A) so much of the real property tax as is properly allocable to that part of such year which ends on the day before the date of the sale shall be treated as a tax imposed on the seller, and

(B) so much of such tax as is properly allocable to that part of such year which begins on the date of the sale shall be treated as a tax imposed on the purchaser.

(2) Special rules

(A) In the case of any sale of real property, if—

(i) a taxpayer may not, by reason of his method of accounting, deduct any amount for taxes unless paid, and

(ii) the other party to the sale is (under the law imposing the real property tax) liable for the real property tax for the real property tax year,

then for purposes of subsection (a) the taxpayer shall be treated as having paid, on the date of the sale, so much of such tax as, under paragraph (1) of this subsection, is treated as imposed on the taxpayer. For purposes of the preceding sentence, if neither party is liable for the tax, then the party holding the property at the time the tax becomes a lien on the property shall be considered liable for the real property tax for the real property tax year.

(B) In the case of any sale of real property, if the taxpayer's taxable income for the taxable year during which the sale occurs is computed under an accrual method of accounting, and if no election under section

461(c) (relating to the accrual of real property taxes) applies, then, for purposes of subsection (a), that portion of such tax which—

(i) is treated, under paragraph (1) of this subsection, as imposed on the taxpayer, and

(ii) may not, by reason of the taxpayer's method of accounting, be deducted by the taxpayer for any taxable year,

shall be treated as having accrued on the date of the sale.

(e) Taxes of shareholder paid by corporation

Where a corporation pays a tax imposed on a shareholder on his interest as a shareholder, and where the shareholder does not reimburse the corporation, then—

(1) the deduction allowed by subsection (a) shall be allowed to the corporation; and

(2) no deduction shall be allowed the shareholder for such tax.

(f) Deduction for one-half of self-employment taxes

(1) In general

In the case of an individual, in addition to the taxes described in subsection (a), there shall be allowed as a deduction for the taxable year an amount equal to one-half of the taxes imposed by section 1401 (other than the taxes imposed by section 1401(b)(2)) for such taxable year.

(2) Deduction treated as attributable to trade or business

For purposes of this chapter, the deduction allowed by paragraph (1) shall be treated as attributable to a trade or business carried on by the taxpayer which does not consist of the performance of services by the taxpayer as an employee.

(B) Exception related to personal casualty gains

If a taxpayer has personal casualty gains for any taxable year to which subparagraph (A) applies—

(i) subparagraph (A) shall not apply to the portion of the personal casualty loss not attributable to a Federally declared disaster (as so defined) to the extent such loss does not exceed such gains, and

(ii) in applying paragraph (2) for purposes of subparagraph (A) to the portion of personal casualty loss which is so attributable to such a disaster, the amount of personal casualty gains taken into account under paragraph (2)(A) shall be reduced by the portion of such gains taken into account under clause (i).

(i) Disaster losses

(1) Election to take deduction for preceding year

Notwithstanding the provisions of subsection (a), any loss occurring in a disaster area and attributable to a federally declared disaster may, at the election of the taxpayer, be taken into account for the taxable year immediately preceding the taxable year in which the disaster occurred.

If an election is made under this subsection, the casualty resulting in the loss shall be treated for purposes of this title as having occurred in the taxable year for which the deduction is claimed.

Nothing in this title shall be construed to prohibit the Secretary from prescribing regulations or other guidance under which an appraisal for the purpose of obtaining a loan of Federal funds or a loan guarantee from the Federal Government as a result of a federally declared disaster may be used to establish the amount of any loss described in paragraph (1) or (2).

(k) Treatment as disaster loss where taxpayer ordered to demolish or relocate residence in disaster area because of disaster

In the case of a taxpayer whose residence is located in an area which has been determined by the President of the United States to warrant assistance by the Federal Government under the Robert T. Stafford Disaster Relief and Emergency Assistance Act, if—

(1) not later than the 120th day after the date of such determination, the taxpayer is ordered, by the government of the State or any political subdivision thereof in which such residence is located, to demolish or relocate such residence, and

(2) the residence has been rendered unsafe for use as a residence by reason of the disaster,

any loss attributable to such disaster shall be treated as a loss which arises from a casualty and which is described in subsection (i).

***(l)* Treatment of certain losses in insolvent financial institutions**

If—

(A) as of the close of the taxable year, it can reasonably be estimated that there is a loss on a qualified individual's deposit in a qualified financial institution, and

(B) Limitations

(i) Deposit may not be federally insured

No election may be made under subparagraph (A) with respect to any loss on a deposit in a qualified financial institution if part or all of such deposit is insured under Federal law.

(ii) Dollar limitation

With respect to each financial institution, the aggregate amount of losses attributable to deposits in such financial institution to which an election under subparagraph (A) may be made by the taxpayer for any taxable year shall not exceed $20,000 ($10,000 in the case of a separate return by a married individual). The limitation of the preceding sentence shall be reduced by the amount of any insurance proceeds under any State law which can reasonably be expected to be received with respect to losses on deposits in such institution.

Such 60-month period shall begin with the month of July 1980 (or if later, the month in which acquired), or at the election of the taxpayer, the first month of the taxpayer's first taxable year beginning after July 1, 1980.

In the case of a married individual filing a separate return, the preceding sentence shall be applied by substituting '$7,500' for '$15,000'.

''(e) STATUTE OF LIMITATIONS.—If refund or credit of any overpayment of income tax resulting from an election made under this section is prevented on the date of the enactment of this Act [Oct. 4, 1976], or at any time within one year after such date, by the operation of any law, or rule of law, refund or credit of such overpayment (to the extent attributable to such election) may, nevertheless, be made or allowed if claim therefor is filed within one year after such date. If the taxpayer makes an election under this section and if assessment of any deficiency for any taxable year resulting from such election is prevented on the date of the enactment of this Act [Oct. 4, 1976], or at any time within one year after such date, by the operation of any law or rule of law, such assessment (to the extent attributable to such election) may, nevertheless, be made if made within one year after such date.''

§ 167. Depreciation

(a) General rule

There shall be allowed as a depreciation deduction a reasonable allowance for the exhaustion, wear and tear (including a reasonable allowance for obsolescence)—

(1) of property used in the trade or business, or

(2) of property held for the production of income.

(b) Cross reference

For determination of depreciation deduction in case of property to which section 168 applies, see section 168.

(c) Basis for depreciation

(1) In general

The basis on which exhaustion, wear and tear, and obsolescence are to be allowed in respect of any property shall be the adjusted basis provided in section 1011, for the purpose of determining the gain on the sale or other disposition of such property.

(2) Special rule for property subject to lease

If any property is acquired subject to a lease—

(A) no portion of the adjusted basis shall be allocated to the leasehold interest, and

(B) the entire adjusted basis shall be taken into account in determining the depreciation deduction (if any) with respect to the property subject to the lease.

(d) Life tenants and beneficiaries of trusts and estates

In the case of property held by one person for life with remainder to another person, the deduction shall be computed as if the life tenant were the absolute owner of the property and shall be allowed to the life tenant. In the case of property held in trust, the allowable deduction shall be apportioned between the income beneficiaries and the trustee in accordance with the pertinent provisions of the instrument creating the trust, or, in the absence of such provisions, on the basis of the trust income allocable to each. In the case of an estate, the allowable deduction shall be apportioned between the estate and the heirs, legatees, and devisees on the basis of the income of the estate allocable to each.

(e) Certain term interests not depreciable

(1) In general

No depreciation deduction shall be allowed under this section (and no depreciation or amortization deduction shall be allowed under any other provision of this subtitle) to the taxpayer for any term interest in property for any period during which the remainder interest in such property is held (directly or indirectly) by a related person.

(2) Coordination with other provisions

(A) Section 273

This subsection shall not apply to any term interest to which section 273 applies.

(B) Section 305(e)

This subsection shall not apply to the holder of the dividend rights which were separated from any stripped preferred stock to which section 305(e)(1) applies.

(3) Basis adjustments

If, but for this subsection, a depreciation or amortization deduction would be allowable to the taxpayer with respect to any term interest in property—

(A) the taxpayer's basis in such property shall be reduced by any depreciation or am-

ortization deductions disallowed under this subsection, and

(B) the basis of the remainder interest in such property shall be increased by the amount of such disallowed deductions (properly adjusted for any depreciation deductions allowable under subsection (d) to the taxpayer).

(4) Special rules

(A) Denial of increase in basis of remainderman

No increase in the basis of the remainder interest shall be made under paragraph (3)(B) for any disallowed deductions attributable to periods during which the term interest was held—

(i) by an organization exempt from tax under this subtitle, or

(ii) by a nonresident alien individual or foreign corporation but only if income from the term interest is not effectively connected with the conduct of a trade or business in the United States.

(B) Coordination with subsection (d)

If, but for this subsection, a depreciation or amortization deduction would be allowable to any person with respect to any term interest in property, the principles of subsection (d) shall apply to such person with respect to such term interest.

(5) Definitions

For purposes of this subsection—

(A) Term interest in property

The term ''term interest in property'' has the meaning given such term by section 1001(e)(2).

(B) Related person

The term ''related person'' means any person bearing a relationship to the taxpayer described in subsection (b) or (e) of section 267.

(6) Regulations

The Secretary shall prescribe such regulations as may be necessary to carry out the purposes of this subsection, including regulations preventing avoidance of this subsection through cross-ownership arrangements or otherwise.

(f) Treatment of certain property excluded from section 197

(1) Computer software

(A) In general

If a depreciation deduction is allowable under subsection (a) with respect to any computer software, such deduction shall be computed by using the straight line method and a useful life of 36 months.

(B) Computer software

For purposes of this section, the term ''computer software'' has the meaning given to such term by section 197(e)(3)(B); except that such term shall not include any such software which is an amortizable section 197 intangible.

(C) Tax-exempt use property subject to lease

In the case of computer software which would be tax-exempt use property as defined in subsection (h) of section 168 if such section applied to computer software, the useful life under subparagraph (A) shall not be less than 125 percent of the lease term (within the meaning of section 168(i)(3)).

(2) Certain interests or rights acquired separately

If a depreciation deduction is allowable under subsection (a) with respect to any property described in subparagraph (B), (C), or (D) of section 197(e)(4), such deduction shall be computed in accordance with regulations prescribed by the Secretary. If such property would be tax-exempt use property as defined in subsection (h) of section 168 if such section applied to such property, the useful life under such regulations shall not be less than 125 percent of the lease term (within the meaning of section 168(i)(3)).

(3) Mortgage servicing rights

If a depreciation deduction is allowable under subsection (a) with respect to any right described in section 197(e)(6), such deduction shall be computed by using the straight line method and a useful life of 108 months.

(g) Depreciation under income forecast method

(1) In general

If the depreciation deduction allowable under this section to any taxpayer with respect to any property is determined under the income forecast method or any similar method—

(A) the income from the property to be taken into account in determining the depreciation deduction under such method shall be equal to the amount of income earned in connection with the property before the close of the 10th taxable year following the taxable year in which the property was placed in service,

(B) the adjusted basis of the property shall only include amounts with respect to which the requirements of section 461(h) are satisfied,

(C) the depreciation deduction under such method for the 10th taxable year beginning after the taxable year in which the property was placed in service shall be equal to the adjusted basis of such property as of the beginning of such 10th taxable year, and

(D) such taxpayer shall pay (or be entitled to receive) interest computed under the look-back method of paragraph (2) for any recomputation year.

(2) Look-back method

The interest computed under the look-back method of this paragraph for any recomputation year shall be determined by—

(A) first determining the depreciation deductions under this section with respect to such property which would have been allowable for prior taxable years if the determination of the amounts so allowable had been made on the basis of the sum of the following (instead of the estimated income from such property)—

(i) the actual income earned in connection with such property for periods before the close of the recomputation year, and

(ii) an estimate of the future income to be earned in connection with such property for periods after the recomputation year and before the close of the 10th taxable year following the taxable year in which the property was placed in service,

(B) second, determining (solely for purposes of computing such interest) the overpayment or underpayment of tax for each such prior taxable year which would result solely from the application of subparagraph (A), and

(C) then using the adjusted overpayment rate (as defined in section 460(b)(7)), compounded daily, on the overpayment or underpayment determined under subparagraph (B).

For purposes of the preceding sentence, any cost incurred after the property is placed in service (which is not treated as a separate property under paragraph (5)) shall be taken into account by discounting (using the Federal mid-term rate determined under section 1274(d) as of the time such cost is incurred) such cost to its value as of the date the property is placed in service. The taxpayer may elect with respect to any property to have the preceding sentence not apply to such property.

(3) Exception from look-back method

Paragraph (1)(D) shall not apply with respect to any property which had a cost basis of $100,000 or less.

(4) Recomputation year

For purposes of this subsection, except as provided in regulations, the term ''recomputation year'' means, with respect to any property, the 3d and the 10th taxable years beginning after the taxable year in which the property was placed in service, unless the actual income earned in connection with the property for the period before the close of such 3d or 10th taxable year is within 10 percent of the income earned in connection with the property for such period which was taken into account under paragraph (1)(A).

(5) Special rules

(A) Certain costs treated as separate property

For purposes of this subsection, the following costs shall be treated as separate properties:

(i) Any costs incurred with respect to any property after the 10th taxable year beginning after the taxable year in which the property was placed in service.

(ii) Any costs incurred after the property is placed in service and before the close of such 10th taxable year if such costs are significant and give rise to a significant increase in the income from the property which was not included in the estimated income from the property.

(B) Syndication income from television series

In the case of property which is 1 or more episodes in a television series, income from syndicating such series shall not be required to be taken into account under this subsection before the earlier of—

(i) the 4th taxable year beginning after the date the first episode in such series is placed in service, or

(ii) the earliest taxable year in which the taxpayer has an arrangement relating to the future syndication of such series.

(C) Special rules for financial exploitation of characters, etc.

For purposes of this subsection, in the case of television and motion picture films, the income from the property shall include income from the exploitation of characters, designs, scripts, scores, and other incidental income associated with such films, but only to the extent that such income is earned in connection with the ultimate use of such items by, or the ultimate sale of merchandise to, persons who are not related persons (within the meaning of section 267(b)) to the taxpayer.

(D) Collection of interest

For purposes of subtitle F (other than sections 6654 and 6655), any interest required to be paid by the taxpayer under paragraph (1) for any recomputation year shall be treated as an increase in the tax imposed by this chapter for such year.

(E) Treatment of distribution costs

For purposes of this subsection, the income with respect to any property shall be the taxpayer's gross income from such property.

(F) Determinations

For purposes of paragraph (2), determinations of the amount of income earned in connection with any property shall be made in the same manner as for purposes of applying the income forecast method; except that any income from the disposition of such property shall be taken into account.

(G) Treatment of pass-thru entities

Rules similar to the rules of section 460(b)(4) shall apply for purposes of this subsection.

(6) Limitation on property for which income forecast method may be used

The depreciation deduction allowable under this section may be determined under the income forecast method or any similar method only with respect to—

(A) property described in paragraph (3) or (4) of section 168(f),

(B) copyrights,

(C) books,

(D) patents, and

(E) other property specified in regulations.

Such methods may not be used with respect to any amortizable section 197 intangible (as defined in section 197(c)).

(7) Treatment of participations and residuals

(A) In general

For purposes of determining the depreciation deduction allowable with respect to a property under this subsection, the taxpayer may include participations and residuals with respect to such property in the adjusted

basis of such property for the taxable year in which the property is placed in service, but only to the extent that such participations and residuals relate to income estimated (for purposes of this subsection) to be earned in connection with the property before the close of the 10th taxable year referred to in paragraph (1)(A).

(B) Participations and residuals

For purposes of this paragraph, the term ''participations and residuals'' means, with respect to any property, costs the amount of which by contract varies with the amount of income earned in connection with such property.

(C) Special rules relating to recomputation years

If the adjusted basis of any property is determined under this paragraph, paragraph (4) shall be applied by substituting ''for each taxable year in such period'' for ''for such period''.

(D) Other special rules

(i) Participations and residuals

Notwithstanding subparagraph (A), the taxpayer may exclude participations and residuals from the adjusted basis of such property and deduct such participations and residuals in the taxable year that such participations and residuals are paid.

(ii) Coordination with other rules

Deductions computed in accordance with this paragraph shall be allowable notwithstanding paragraph (1)(B), section 263, 263A, 404, 419, or 461(h).

(E) Authority to make adjustments

The Secretary shall prescribe appropriate adjustments to the basis of property and to the look-back method for the additional amounts allowable as a deduction solely by reason of this paragraph.

(8) Special rules for certain musical works and copyrights

(A) In general

If an election is in effect under this paragraph for any taxable year, then, notwithstanding paragraph (1), any expense which—

(i) is paid or incurred by the taxpayer in creating or acquiring any applicable musical property placed in service during the taxable year, and

(ii) is otherwise properly chargeable to capital account,

shall be amortized ratably over the 5-year period beginning with the month in which the property was placed in service. The preceding sentence shall not apply to any expense which, without regard to this paragraph, would not be allowable as a deduction.

(B) Exclusive method

Except as provided in this paragraph, no depreciation or amortization deduction shall be allowed with respect to any expense to which subparagraph (A) applies.

(C) Applicable musical property

For purposes of this paragraph—

(i) In general

The term ''applicable musical property'' means any musical composition (including any accompanying words), or any copyright with respect to a musical composition, which is property to which this subsection applies without regard to this paragraph.

(ii) Exceptions

Such term shall not include any property—

(I) with respect to which expenses are treated as qualified creative expenses to which section 263A(h) applies,

(II) to which a simplified procedure established under section 263A(i)(2)[1] applies, or

(III) which is an amortizable section 197 intangible (as defined in section 197(c)).

(D) Election

An election under this paragraph shall be made at such time and in such form as the Secretary may prescribe and shall apply to all applicable musical property placed in service during the taxable year for which the election applies.

(E) Termination

An election may not be made under this paragraph for any taxable year beginning after December 31, 2010.

(h) Amortization of geological and geophysical expenditures

(1) In general

Any geological and geophysical expenses paid or incurred in connection with the exploration for, or development of, oil or gas within the United States (as defined in section 638) shall be allowed as a deduction ratably over the 24-month period beginning on the date that such expense was paid or incurred.

(2) Half-year convention

For purposes of paragraph (1), any payment paid or incurred during the taxable year shall be treated as paid or incurred on the mid-point of such taxable year.

(4) Treatment upon abandonment

If any property with respect to which geological and geophysical expenses are paid or incurred is retired or abandoned during the 24-month period described in paragraph (1), no deduction shall be allowed on account of such retirement or abandonment and the amortization deduction under this subsection shall continue with respect to such payment.

(B) Major integrated oil company

For purposes of this paragraph, the term ''major integrated oil company'' means, with respect to any taxable year, a producer of crude oil—

''(B) AVERAGE RATE ASSUMPTION METHOD.—The average rate assumption method is the method under which the excess in the reserve for deferred taxes is reduced over the remaining lives of the property as used in its regulated books of account which gave rise to the reserve for deferred taxes. Under such method, if timing differences for the property reverse, the amount of the adjustment to the reserve for the deferred taxes is calculated by multiplying—

''(i) the ratio of the aggregate deferred taxes for the property to the aggregate timing differences for the property as of the beginning of the period in question, by

NORMALIZATION REQUIREMENTS

Pub. L. 115–97, title I, §13001(d), Dec. 22, 2017, 131 Stat. 2099, provided that:

''(1) IN GENERAL.—A normalization method of accounting shall not be treated as being used with respect to any public utility property for purposes of section 167 or 168 of the Internal Revenue Code of 1986 if the taxpayer, in computing its cost of service for ratemaking purposes and reflecting operating results in its regulated books of account, reduces the excess tax reserve more rapidly or to a greater extent than such reserve would be reduced under the average rate assumption method.

''(2) ALTERNATIVE METHOD FOR CERTAIN TAXPAYERS.—If, as of the first day of the taxable year that includes the date of enactment of this Act [Dec. 22, 2017]—

''(A) the taxpayer was required by a regulatory agency to compute depreciation for public utility property on the basis of an average life or composite rate method, and

''(B) the taxpayer's books and underlying records did not contain the vintage account data necessary to apply the average rate assumption method,

the taxpayer will be treated as using a normalization method of accounting if, with respect to such jurisdiction, the taxpayer uses the alternative method for public utility property that is subject to the regulatory authority of that jurisdiction.

''(3) DEFINITIONS.—For purposes of this subsection—

''(A) EXCESS TAX RESERVE.—The term 'excess tax reserve' means the excess of—

''(i) the reserve for deferred taxes (as described in section 168(i)(9)(A)(ii) of the Internal Revenue Code of 1986) as of the day before the corporate rate reductions provided in the amendments made by this section [amending this section and sections 11, 12, 280C, 453A, 527, 535, 594, 691, 801, 831, 832, 834, 852, 857, 860E, 882, 904, 1374, 1381, 1445, 1446, 1561, 6425, 6655, 7518, and 7874 of this title and repealing sections 1201 and 1551 of this title] take effect, over

''(ii) the amount which would be the balance in such reserve if the amount of such reserve were determined by assuming that the corporate rate reductions provided in this Act [see Tables for classification] were in effect for all prior periods.

''(B) AVERAGE RATE ASSUMPTION METHOD.—The average rate assumption method is the method under which the excess in the reserve for deferred taxes is reduced over the remaining lives of the property as used in its regulated books of account which gave rise to the reserve for deferred taxes. Under such method, during the time period in which the timing differences for the property reverse, the amount of the adjustment to the reserve for the deferred taxes is calculated by multiplying—

''(i) the ratio of the aggregate deferred taxes for the property to the aggregate timing differences for the property as of the beginning of the period in question, by

''(ii) the amount of the timing differences which reverse during such period.

''(C) ALTERNATIVE METHOD.—The 'alternative method' is the method in which the taxpayer—

''(i) computes the excess tax reserve on all public utility property included in the plant account on the basis of the weighted average life or composite rate used to compute depreciation for regulatory purposes, and

''(ii) reduces the excess tax reserve ratably over the remaining regulatory life of the property.

''(4) TAX INCREASED FOR NORMALIZATION VIOLATION.—If, for any taxable year ending after the date of the enactment of this Act, the taxpayer does not use a normalization method of accounting for the corporate rate reductions provided in the amendments made by this section—

''(A) the taxpayer's tax for the taxable year shall be increased by the amount by which it reduces its excess tax reserve more rapidly than permitted under a normalization method of accounting, and

''(B) such taxpayer shall not be treated as using a normalization method of accounting for purposes of subsections (f)(2) and (i)(9)(C) of section 168 of the Internal Revenue Code of 1986.''

§ 169. Amortization of pollution control facilities

(a) Allowance of deduction

Every person, at his election, shall be entitled to a deduction with respect to the amortization of the amortizable basis of any certified pollution control facility (as defined in subsection (d)), based on a period of 60 months. Such amortization deduction shall be an amount, with respect to each month of such period within the taxable year, equal to the amortizable basis of the pollution control facility at the end of such month divided by the number of months (including the month for which the deduction is computed) remaining in the period. Such amortizable basis at the end of the month shall be computed without regard to the amortization deduction for such month. The amortization deduction provided by this section with respect to any month shall be in lieu of the depreciation deduction with respect to such pollution control facility for such month provided by section 167. The 60-month period shall begin, as to any pollution control facility, at the election of the taxpayer, with the month following the month in which such facility was completed or acquired, or with the succeeding taxable year.

(b) Election of amortization

The election of the taxpayer to take the amortization deduction and to begin the 60-month period with the month following the month in which the facility is completed or acquired, or with the taxable year succeeding the taxable year in which such facility is completed or acquired, shall be made by filing with the Secretary, in such manner, in such form, and within such time, as the Secretary may by regulations prescribe, a statement of such election.

(c) Termination of amortization deduction

A taxpayer which has elected under subsection (b) to take the amortization deduction provided in subsection (a) may, at any time after making such election, discontinue the amortization deduction with respect to the remainder of the amortization period, such discontinuance to begin as of the beginning of any month specified by the taxpayer in a notice in writing filed with the Secretary before the beginning of such month. The depreciation deduction provided under section 167 shall be allowed, beginning with the first month as to which the amortization deduction does not apply, and the taxpayer shall not be entitled to any further amortization deduction under this section with respect to such pollution control facility.

(d) Definitions and special rules

For purposes of this section—

(1) Certified pollution control facility

The term ''certified pollution control facility'' means a new identifiable treatment facility which is used, in connection with a plant or other property in operation before January 1, 1976, to abate or control water or atmospheric pollution or contamination by removing, altering, disposing, storing, or preventing the creation or emission of pollutants, contaminants, wastes, or heat and which—

certified to the Federal certifying authority as having been constructed, reconstructed, erected, or acquired in conformity with the State program or requirements for abatement or control of water or atmospheric pollution or contamination;

(B) the Federal certifying authority has certified to the Secretary (i) as being in compliance with the applicable regulations of Federal agencies and (ii) as being in furtherance of the general policy of the United States for cooperation with the States in the prevention and abatement of water pollution under the Federal Water Pollution Control Act, as amended (33 U.S.C. 466 et seq.), or in the prevention and abatement of atmospheric pollution and contamination under the Clean Air Act, as amended (42 U.S.C. 1857 et seq.); and

(i) the construction, reconstruction, or erection of which is completed by the taxpayer after December 31, 1968, or

(ii) acquired after December 31, 1968, if the original use of the property commences with the taxpayer and commences after such date.

(B) The amortizable basis of a certified pollution control facility with respect to which an election under this section is in effect shall not be increased, for purposes of this section, for additions or improvements after the amortization period has begun.

then the taxpayer may elect to treat such contribution as paid during such taxable year.

The election may be made only at the time of the filing of the return for such taxable year, and shall be signified in such manner as the Secretary shall by regulations prescribe.

(3) Future interests in tangible personal property

For purposes of this section, payment of a charitable contribution which consists of a future interest in tangible personal property shall be treated as made only when all intervening interests in, and rights to the actual possession or enjoyment of, the property have expired or are held by persons other than the taxpayer or those standing in a relationship to the taxpayer described in section 267(b) or 707(b). For purposes of the preceding sentence, a fixture which is intended to be severed from the real property shall be treated as tangible personal property.

(b) Percentage limitations

(1) Individuals

In the case of an individual, the deduction provided in subsection (a) shall be limited as provided in the succeeding subparagraphs.

(A) General rule

(B) Other contributions

Any charitable contribution other than a charitable contribution to which subparagraph (A) applies shall be allowed to the extent that the aggregate of such contributions does not exceed the lesser of—

If the aggregate of such contributions exceeds the limitation of the preceding sentence, such excess shall be treated (in a manner consistent with the rules of subsection (d)(1)) as a charitable contribution (to which subparagraph (A) does not apply) in each of the 5 succeeding taxable years in order of time.

(ii) Carryover

(iii) a private foundation all of the contributions to which are pooled in a common fund and which would be described in section 509(a)(3) but for the right of any substantial contributor (hereafter in this clause called ''donor'') or his spouse to designate annually the recipients, from among organizations described in paragraph (1) of section 509(a), of the income attributable to the donor's contribution to the fund and to direct (by deed or by will) the payment, to an organization described in such paragraph (1), of the corpus in the common fund attributable to the donor's contribution; but this clause shall apply only if all of the income of the common fund is required to be (and is) distributed to one or more organizations described in such paragraph (1) not later than the 15th day of the third month after the close of the taxable year in which the income is realized by the fund and only if all of the corpus attributable to any donor's contribution to the fund is required to be (and is) distributed to one or more of such organizations not later than one year after his death or after the death of his surviving spouse if she has the right to designate the recipients of such corpus.

(B) Special rule for net operating loss carryovers

For purposes of subparagraph (A), the excess of—

(i) the contributions made by a corporation in a taxable year to which this section applies, over

(ii) the amount deductible in such year under the limitation in subsection (b)(2)(A),

shall be reduced to the extent that such excess reduces taxable income (as computed for purposes of the second sentence of section 172(b)(2)) and increases a net operating loss carryover under section 172 to a succeeding taxable year.

(e) Certain contributions of ordinary income and capital gain property

(1) General rule

The amount of any charitable contribution of property otherwise taken into account under this section shall be reduced by the sum of—

(A) the amount of gain which would not have been long-term capital gain (determined without regard to section 1221(b)(3)) if the property contributed had been sold by the taxpayer at its fair market value (determined at the time of such contribution), and

(B) in the case of a charitable contribution—

(i) of tangible personal property—

(I) if the use by the donee is unrelated to the purpose or function constituting the basis for its exemption under section 501 (or, in the case of a governmental unit, to any purpose or function described in subsection (c)), or

(II) which is applicable property (as defined in paragraph (7)(C), but without regard to clause (ii) thereof) which is sold, exchanged, or otherwise disposed of by the donee before the last day of the taxable year in which the contribution was made and with respect to which the donee has not made a certification in accordance with paragraph (7)(D),

(ii) to or for the use of a private foundation (as defined in section 509(a)), other than a private foundation described in subsection (b)(1)(F),

(iii) of any patent, copyright (other than a copyright described in section 1221(a)(3) or 1231(b)(1)(C)), trademark, trade name, trade secret, know-how, software (other than software described in section 197(e)(3)(A)(i)), or similar property, or applications or registrations of such property, or

(iv) of any taxidermy property which is contributed by the person who prepared, stuffed, or mounted the property or by any person who paid or incurred the cost of such preparation, stuffing, or mounting,

the amount of gain which would have been long-term capital gain if the property contributed had been sold by the taxpayer at its fair market value (determined at the time of such contribution).

For purposes of applying this paragraph (other than in the case of gain to which section 617(d)(1), 1245(a), 1250(a), 1252(a), or 1254(a) applies), property which is property used in the trade or business (as defined in section 1231(b)) shall be treated as a capital asset. For purposes of applying this paragraph in the case of a charitable contribution of stock in an S corporation, rules similar to the rules of section 751 shall apply in determining whether gain on such stock would have been long-term capital gain if such stock were sold by the taxpayer.

(2) Allocation of basis

For purposes of paragraph (1), in the case of a charitable contribution of less than the taxpayer's entire interest in the property contributed, the taxpayer's adjusted basis in such property shall be allocated between the interest contributed and any interest not contributed in accordance with regulations prescribed by the Secretary.

(3) Special rule for certain contributions of inventory and other property

(A) Qualified contributions

For purposes of this paragraph, a qualified contribution shall mean a charitable contribution of property described in paragraph (1) or (2) of section 1221(a), by a corporation (other than a corporation which is an S corporation) to an organization which is described in section 501(c)(3) and is exempt under section 501(a) (other than a private foundation, as defined in section 509(a), which is not an operating foundation, as defined in section 4942(j)(3)), but only if—

(i) the use of the property by the donee is related to the purpose or function constituting the basis for its exemption under section 501 and the property is to be used by the donee solely for the care of the ill, the needy, or infants;

(ii) the property is not transferred by the donee in exchange for money, other property, or services;

(iii) the taxpayer receives from the donee a written statement representing that its use and disposition of the property will be in accordance with the provisions of clauses (i) and (ii); and

(iv) in the case where the property is subject to regulation under the Federal Food, Drug, and Cosmetic Act, as amended, such property must fully satisfy the applicable requirements of such Act and regulations promulgated thereunder on the date of transfer and for one hundred and eighty days prior thereto.

(B) Amount of reduction

The reduction under paragraph (1)(A) for any qualified contribution (as defined in subparagraph (A)) shall be no greater than the sum of—

(i) one-half of the amount computed under paragraph (1)(A) (computed without regard to this paragraph), and

(ii) the amount (if any) by which the charitable contribution deduction under this section for any qualified contribution (computed by taking into account the amount determined in clause (i), but without regard to this clause) exceeds twice the basis of such property.

(C) Special rule for contributions of food inventory

(II) Coordination with overall corporate limitation

In the case of any charitable contribution which is allowable after the application of clause (ii)(II), subsection (b)(2)(A) shall not apply to such contribution, but the limitation imposed by such subsection shall be reduced (but not below zero) by the aggregate amount of such contributions. For purposes of subsection (b)(2)(B), such contributions shall be treated as allowable under subsection (b)(2)(A).

(iv) Determination of basis for certain taxpayers

If a taxpayer—

(I) does not account for inventories under section 471, and

(II) is not required to capitalize indirect costs under section 263A,

the taxpayer may elect, solely for purposes of subparagraph (B), to treat the basis of any apparently wholesome food as being equal to 25 percent of the fair market value of such food.

(v) Determination of fair market value

In the case of any such contribution of apparently wholesome food which cannot or will not be sold solely by reason of internal standards of the taxpayer, lack of market, or similar circumstances, or by reason of being produced by the taxpayer exclusively for the purposes of transferring the food to an organization described in subparagraph (A), the fair market value of such contribution shall be determined—

(I) without regard to such internal standards, such lack of market, such circumstances, or such exclusive purpose, and

(II) by taking into account the price at which the same or substantially the same food items (as to both type and quality) are sold by the taxpayer at the time of the contribution (or, if not so sold at such time, in the recent past).

(vi) Apparently wholesome food

For purposes of this subparagraph, the term ''apparently wholesome food'' has the meaning given to such term by section 22(b)(2) of the Bill Emerson Good Samaritan Food Donation Act (42 U.S.C. 1791(b)(2)), as in effect on the date of the enactment of this subparagraph.

(II) the donee will use the books in its educational programs.

(iv) Termination

This subparagraph shall not apply to contributions made after December 31, 2011.

No deduction shall be allowed under this section for a contribution to or for the use of an organization or trust described in section 508(d) or 4948(c)(4) subject to the conditions specified in such sections.

(2) Contributions of property placed in trust

(A) Remainder interest

In the case of property transferred in trust, no deduction shall be allowed under this section for the value of a contribution of a remainder interest unless the trust is a charitable remainder annuity trust or a charitable remainder unitrust (described in section 664), or a pooled income fund (described in section 642(c)(5)).

(B) Income interests, etc.

No deduction shall be allowed under this section for the value of any interest in property (other than a remainder interest) transferred in trust unless the interest is in the form of a guaranteed annuity or the trust instrument specifies that the interest is a fixed percentage distributed yearly of the fair market value of the trust property (to be determined yearly) and the grantor is treated as the owner of such interest for purposes of applying section 671. If the donor ceases to be treated as the owner of such an interest for purposes of applying section 671, at the time the donor ceases to be so treated, the donor shall for purposes of this chapter be considered as having received an amount of income equal to the amount of any deduction he received under this section for the contribution reduced by the dis-

counted value of all amounts of income earned by the trust and taxable to him before the time at which he ceases to be treated as the owner of the interest. Such amounts of income shall be discounted to the date of the contribution. The Secretary shall prescribe such regulations as may be necessary to carry out the purposes of this subparagraph.

(A) In general

In the case of a contribution (not made by a transfer in trust) of an interest in property which consists of less than the taxpayer's entire interest in such property, a deduction shall be allowed under this section only to the extent that the value of the interest contributed would be allowable as a deduction under this section if such interest had been transferred in trust. For purposes of this subparagraph, a contribution by a taxpayer of the right to use property shall be treated as a contribution of less than the taxpayer's entire interest in such property.

(B) Exceptions

Subparagraph (A) shall not apply to—

(i) a contribution of a remainder interest in a personal residence or farm,

(ii) a contribution of an undivided portion of the taxpayer's entire interest in property, and

(iii) a qualified conservation contribution.

(5) Reduction for certain interest

If, in connection with any charitable contribution, a liability is assumed by the recipient or by any other person, or if a charitable contribution is of property which is subject to a liability, then, to the extent necessary to avoid the duplication of amounts, the amount taken into account for purposes of this section as the amount of the charitable contribution—

(A) shall be reduced for interest (i) which has been paid (or is to be paid) by the taxpayer, (ii) which is attributable to the liability, and (iii) which is attributable to any period after the making of the contribution, and

(B) in the case of a bond, shall be further reduced for interest (i) which has been paid (or is to be paid) by the taxpayer on indebtedness incurred or continued to purchase or carry such bond, and (ii) which is attributable to any period before the making of the contribution.

The reduction pursuant to subparagraph (B) shall not exceed the interest (including interest equivalent) on the bond which is attributable to any period before the making of the contribution and which is not (under the taxpayer's method of accounting) includible in the gross income of the taxpayer for any taxable year. (ii) the due date (including extensions) for filing such return.

(D) Regulations

The Secretary shall prescribe such regulations as may be necessary or appropriate to carry out the purposes of this paragraph, including regulations that may provide that some or all of the requirements of this paragraph do not apply in appropriate cases.

(9) Denial of deduction where contribution for lobbying activities

No deduction shall be allowed under this section for a contribution to an organization which conducts activities to which section 162(e)(1) applies on matters of direct financial interest to the donor's trade or business, if a principal purpose of the contribution was to avoid Federal income tax by securing a deduction for such activities under this section which would be disallowed by reason of section 162(e) if the donor had conducted such activities directly. (i) such organization possesses all of the incidents of ownership under such contract,

(ii) such organization is entitled to all the payments under such contract, and

(iii) the timing and amount of payments under such contract are substantially the same as the timing and amount of payments to each such person under such obligation (as such obligation is in effect at the time of such transfer).

A person shall not be treated for purposes of subparagraph (B) as an indirect beneficiary under any life insurance, annuity, or endowment contract held by a charitable remainder annuity trust or a charitable remainder unitrust (as defined in section 664(d)) solely by reason of being entitled to any payment referred to in paragraph (1)(A) or (2)(A) of section 664(d) if—

§ 171. Amortizable bond premium

(a) General rule

In the case of any bond, as defined in subsection (d), the following rules shall apply to the amortizable bond premium (determined under subsection (b)) on the bond:

(1) Taxable bonds

In the case of a bond (other than a bond the interest on which is excludable from gross income), the amount of the amortizable bond premium for the taxable year shall be allowed as a deduction.

(2) Tax-exempt bonds

In the case of any bond the interest on which is excludable from gross income, no deduction shall be allowed for the amortizable bond premium for the taxable year.

(3) Cross reference

For adjustment to basis on account of amortizable bond premium, see section 1016(a)(5).

(b) Amortizable bond premium

(1) Amount of bond premium

For purposes of paragraph (2), the amount of bond premium, in the case of the holder of any bond, shall be determined—

(A) with reference to the amount of the basis (for determining loss on sale or exchange) of such bond,

(B)(i) with reference to the amount payable on maturity (or if it results in a smaller amortizable bond premium attributable to the period before the call date, with reference to the amount payable on the earlier call date), in the case of a bond described in subsection (a)(1), and

(ii) with reference to the amount payable on maturity or on an earlier call date, in the case of a bond described in subsection (a)(2).

(C) with adjustments proper to reflect unamortized bond premium, with respect to the bond, for the period before the date as of which subsection (a) becomes applicable with respect to the taxpayer with respect to such bond.

In no case shall the amount of bond premium on a convertible bond include any amount attributable to the conversion features of the bond.

(2) Amount amortizable

The amortizable bond premium of the taxable year shall be the amount of the bond premium attributable to such year. In the case of a bond to which paragraph (1)(B)(i) applies and which has a call date, the amount of bond premium attributable to the taxable year in which the bond is called shall include an amount equal to the excess of the amount of the adjusted basis (for determining loss on sale or exchange) of such bond as of the beginning of the taxable year over the amount received on redemption of the bond or (if greater) the amount payable on maturity.

(3) Method of determination

(A) In general

Except as provided in regulations prescribed by the Secretary, the determinations required under paragraphs (1) and (2) shall be made on the basis of the taxpayer's yield to maturity determined by—

(i) using the taxpayer's basis (for purposes of determining loss on sale or exchange) of the obligation, and

(ii) compounding at the close of each accrual period (as defined in section 1272(a)(5)).

(B) Special rule where earlier call date is used

For purposes of subparagraph (A), if the amount payable on an earlier call date is used under paragraph (1)(B)(i) in determining the amortizable bond premium attributable to the period before the earlier call date, such bond shall be treated as maturing on such date for the amount so payable and then reissued on such date for the amount so payable.

(4) Treatment of certain bonds acquired in exchange for other property

(A) In general

If—

(i) a bond is acquired by any person in exchange for other property, and

(ii) the basis of such bond is determined (in whole or in part) by reference to the basis of such other property,

for purposes of applying this subsection to such bond while held by such person, the basis of such bond shall not exceed its fair market value immediately after the exchange. A similar rule shall apply in the case of such bond while held by any other person whose basis is determined (in whole or in part) by reference to the basis in the hands of the person referred to in clause (i).

(B) Special rule where bond exchanged in reorganization

Subparagraph (A) shall not apply to an exchange by the taxpayer of a bond for another bond if such exchange is a part of a reorganization (as defined in section 368). If any portion of the basis of the taxpayer in a bond transferred in such an exchange is not taken into account in determining bond premium by reason of this paragraph, such portion shall not be taken into account in determin-

ing the amount of bond premium on any bond received in the exchange.

(c) Election as to taxable bonds

(1) Eligibility to elect; bonds with respect to which election permitted

In the case of bonds the interest on which is not excludible from gross income, this section shall apply only if the taxpayer has so elected.

(2) Manner and effect of election

The election authorized under this subsection shall be made in accordance with such regulations as the Secretary shall prescribe. If such election is made with respect to any bond (described in paragraph (1)) of the taxpayer, it shall also apply to all such bonds held by the taxpayer at the beginning of the first taxable year to which the election applies and to all such bonds thereafter acquired by him and shall be binding for all subsequent taxable years with respect to all such bonds of the taxpayer, unless, on application by the taxpayer, the Secretary permits him, subject to such conditions as the Secretary deems necessary, to revoke such election. In the case of bonds held by a common trust fund, as defined in section 584(a), the election authorized under this subsection shall be exercisable with respect to such bonds only by the common trust fund. In case of bonds held by an estate or trust, the election authorized under this subsection shall be exercisable with respect to such bonds only by the fiduciary.

(d) Bond defined

For purposes of this section, the term ''bond'' means any bond, debenture, note, or certificate or other evidence of indebtedness, but does not include any such obligation which constitutes stock in trade of the taxpayer or any such obligation of a kind which would properly be included in the inventory of the taxpayer if on hand at the close of the taxable year, or any such obligation held by the taxpayer primarily for sale to customers in the ordinary course of his trade or business.

(e) Treatment as offset to interest payments

Except as provided in regulations, in the case of any taxable bond—

(1) the amount of any bond premium shall be allocated among the interest payments on the bond under rules similar to the rules of subsection (b)(3), and

(2) in lieu of any deduction under subsection (a), the amount of any premium so allocated to any interest payment shall be applied against (and operate to reduce) the amount of such interest payment.

For purposes of the preceding sentence, the term ''taxable bond'' means any bond the interest of which is not excludable from gross income.

(f) Dealers in tax-exempt securities

For special rules applicable, in the case of dealers in securities, with respect to premium attributable to certain wholly tax-exempt securities, see section 75.

§ 172. Net operating loss deduction

(a) Deduction allowed

There shall be allowed as a deduction for the taxable year an amount equal to the lesser of—

(1) the aggregate of the net operating loss carryovers to such year, plus the net operating loss carrybacks to such year, or

(2) 80 percent of taxable income computed without regard to the deduction allowable under this section.

For purposes of this subtitle, the term ''net operating loss deduction'' means the deduction allowed by this subsection.

(b) Net operating loss carrybacks and carryovers

(1) Years to which loss may be carried

(A) General rule

Except as otherwise provided in this paragraph, a net operating loss for any taxable year—

(i) except as otherwise provided in this paragraph, shall not be a net operating loss carryback to any taxable year preceding the taxable year of such loss, and

(ii) shall be a net operating loss carryover to each taxable year following the taxable year of the loss.

(B) Farming losses

(i) In general

In the case of any portion of a net operating loss for the taxable year which is a farming loss with respect to the taxpayer, such loss shall be a net operating loss carryback to each of the 2 taxable years preceding the taxable year of such loss.

(ii) Farming loss

For purposes of this section, the term ''farming loss'' means the lesser of—

(I) the amount which would be the net operating loss for the taxable year if only income and deductions attributable to farming businesses (as defined in section 263A(e)(4)) are taken into account, or

(II) the amount of the net operating loss for such taxable year.

(iii) Coordination with paragraph (2)

For purposes of applying paragraph (2), a farming loss for any taxable year shall be treated as a separate net operating loss for such taxable year to be taken into account after the remaining portion of the net operating loss for such taxable year.

(2) Amount of carrybacks and carryovers

The entire amount of the net operating loss for any taxable year (hereinafter in this section referred to as the ''loss year'') shall be carried to the earliest of the taxable years to which (by reason of paragraph (1)) such loss may be carried. The portion of such loss which shall be carried to each of the other taxable years shall be the excess, if any, of the amount of such loss over the sum of the taxable income for each of the prior taxable years to which such loss may be carried. For purposes of the preceding sentence, the taxable income for any such prior taxable year shall—

Any taxpayer entitled to a carryback period under paragraph (1) may elect to relinquish the entire carryback period with respect to a net operating loss for any taxable year. Such election shall be made in such manner as may be prescribed by the Secretary, and shall be made by the due date (including extensions of time) for filing the taxpayer's return for the taxable year of the net operating loss for which the election is to be in effect. Such election, once made for any taxable year, shall be irrevocable for such taxable year.

(c) Net operating loss defined

§ 175. Soil and water conservation expenditures; endangered species recovery expenditures

(a) In general

A taxpayer engaged in the business of farming may treat expenditures which are paid or incurred by him during the taxable year for the purpose of soil or water conservation in respect of land used in farming, or for the prevention of erosion of land used in farming, or for endangered species recovery, as expenses which are not chargeable to capital account. The expenditures so treated shall be allowed as a deduction.

(b) Limitation

The amount deductible under subsection (a) for any taxable year shall not exceed 25 percent of the gross income derived from farming during the taxable year. If for any taxable year the total of the expenditures treated as expenses which are not chargeable to capital account exceeds 25 percent of the gross income derived from farming during the taxable year, such excess shall be deductible for succeeding taxable years in order of time; but the amount deductible under this section for any one such succeeding taxable year (including the expenditures actually paid or incurred during the taxable year) shall not exceed 25 percent of the gross income derived from farming during the taxable year.

(c) Definitions

For purposes of subsection (a)—

(1) The term ''expenditures which are paid or incurred by him during the taxable year for the purpose of soil or water conservation in respect of land used in farming, or for the prevention of erosion of land used in farming, or for endangered species recovery'' means expenditures paid or incurred for the treatment or moving of earth, including (but not limited to) leveling, grading and terracing, contour furrowing, the construction, control, and protection of diversion channels, drainage ditches, earthen dams, watercourses, outlets, and ponds, the eradication of brush, and the planting of windbreaks. Such term shall include expenditures paid or incurred for the purpose of achieving site-specific management actions recommended in recovery plans approved pursuant to the Endangered Species Act of 1973. Such term does not include—

(A) the purchase, construction, installation, or improvement of structures, appliances, or facilities which are of a character which is subject to the allowance for depreciation provided in section 167, or

(B) any amount paid or incurred which is allowable as a deduction without regard to this section.

Notwithstanding the preceding sentences, such term also includes any amount, not otherwise allowable as a deduction, paid or incurred to satisfy any part of an assessment levied by a soil or water conservation or drainage district to defray expenditures made by such district (i) which, if paid or incurred by the taxpayer, would without regard to this sentence constitute expenditures deductible under this section, or (ii) for property of a character subject to the allowance for depreciation provided in section 167 and used in the soil or water conservation or drainage district's business as such (to the extent that the taxpayer's share of the assessment levied on the members of the district for such property does not exceed 10 percent of such assessment).

(2) The term ''land used in farming'' means land used (before or simultaneously with the expenditures described in paragraph (1)) by the taxpayer or his tenant for the production of crops, fruits, or other agricultural products or for the sustenance of livestock.

(3) ADDITIONAL LIMITATIONS.—

(A) EXPENDITURES MUST BE CONSISTENT WITH SOIL CONSERVATION PLAN OR ENDAN-

GERED SPECIES RECOVERY PLAN.—Notwithstanding any other provision of this section, subsection (a) shall not apply to any expenditures unless such expenditures are consistent with—

(i) the plan (if any) approved by the Soil Conservation Service of the Department of Agriculture or the recovery plan approved pursuant to the Endangered Species Act of 1973 for the area in which the land is located, or

(ii) if there is no plan described in clause (i), any soil conservation plan of a comparable State agency.

(B) CERTAIN WETLAND, ETC., ACTIVITIES NOT QUALIFIED.—Subsection (a) shall not apply to any expenditures in connection with the draining or filling of wetlands or land preparation for center pivot irrigation systems.

(d) When method may be adopted

(1) Without consent

A taxpayer may, without the consent of the Secretary, adopt the method provided in this section for the taxpayer's first taxable year for which expenditures described in subsection (a) are paid or incurred.

(2) With consent

A taxpayer may, with the consent of the Secretary, adopt at any time the method provided in this section.

(e) Scope

The method adopted under this section shall apply to all expenditures described in subsection (a). The method adopted shall be adhered to in computing taxable income for the taxable year and for all subsequent taxable years unless, with the approval of the Secretary, a change to a different method is authorized with respect to part or all of such expenditures.

(f) Rules applicable to assessments for depreciable property

(1) Amounts treated as paid or incurred over 9-year period

In the case of an assessment levied to defray expenditures for property described in clause (ii) of the last sentence of subsection (c)(1), if the amount of such assessment paid or incurred by the taxpayer during the taxable year (determined without the application of this paragraph) is in excess of an amount equal to 10 percent of the aggregate amounts which have been and will be assessed as the taxpayer's share of the expenditures by the district for such property, and if such excess is more than $500, the entire excess shall be treated as paid or incurred ratably over each of the 9 succeeding taxable years.

(2) Disposition of land during 9-year period

If paragraph (1) applies to an assessment and the land with respect to which such assessment was made is sold or otherwise disposed of by the taxpayer (other than by the reason of his death) during the 9 succeeding taxable years, any amount of the excess described in paragraph (1) which has not been treated as paid or incurred for a taxable year ending on or before the sale or other disposition shall be added to the adjusted basis of such land immediately prior to its sale or other disposition and shall not thereafter be treated as paid or incurred ratably under paragraph (1).

(3) Disposition by reason of death

If paragraph (1) applies to an assessment and the taxpayer dies during the 9 succeeding taxable years, any amount of the excess described in paragraph (1) which has not been treated as paid or incurred for a taxable year ending before his death shall be treated as paid or incurred in the taxable year in which he dies.

§179D. Energy efficient commercial buildings deduction

(a) In general

There shall be allowed as a deduction an amount equal to the cost of energy efficient commercial building property placed in service during the taxable year.

(b) Maximum amount of deduction

The deduction under subsection (a) with respect to any building for any taxable year shall not exceed the excess (if any) of—

(1) the product of—

(A) $1.80, and

(B) the square footage of the building, over

(2) the aggregate amount of the deductions under subsection (a) with respect to the building for all prior taxable years.

(c) Definitions

For purposes of this section—

(1) Energy efficient commercial building property

The term ''energy efficient commercial building property'' means property—

(A) with respect to which depreciation (or amortization in lieu of depreciation) is allowable,

(B) which is installed on or in any building which is—

(i) located in the United States, and

(ii) within the scope of Standard 90.1–2007,

(C) which is installed as part of—

(i) the interior lighting systems,

(ii) the heating, cooling, ventilation, and hot water systems, or

(iii) the building envelope, and

(D) which is certified in accordance with subsection (d)(6) as being installed as part of a plan designed to reduce the total annual energy and power costs with respect to the interior lighting systems, heating, cooling, ventilation, and hot water systems of the

building by 50 percent or more in comparison to a reference building which meets the minimum requirements of Standard 90.1–2007 using methods of calculation under subsection (d)(2).

(2) Standard 90.1–2007

The term ''Standard 90.1–2007'' means Standard 90.1–2007 of the American Society of Heating, Refrigerating, and Air Conditioning Engineers and the Illuminating Engineering Society of North America (as in effect on the day before the date of the adoption of Standard 90.1–2010 of such Societies).

(d) Special rules

(1) Partial allowance

(A) In general

Except as provided in subsection (f), if—

(i) the requirement of subsection (c)(1)(D) is not met, but

(ii) there is a certification in accordance with paragraph (6) that any system referred to in subsection (c)(1)(C) satisfies the energy-savings targets established by the Secretary under subparagraph (B) with respect to such system,

then the requirement of subsection (c)(1)(D) shall be treated as met with respect to such system, and the deduction under subsection (a) shall be allowed with respect to energy efficient commercial building property installed as part of such system and as part of a plan to meet such targets, except that subsection (b) shall be applied to such property by substituting ''$.60'' for ''$1.80''.

(B) Regulations

The Secretary, after consultation with the Secretary of Energy, shall establish a target for each system described in subsection (c)(1)(C) which, if such targets were met for all such systems, the building[1] would meet the requirements of subsection (c)(1)(D).

(2) Methods of calculation

The Secretary, after consultation with the Secretary of Energy, shall promulgate regulations which describe in detail methods for calculating and verifying energy and power consumption and cost, based on the provisions of the 2005 California Nonresidential Alternative Calculation Method Approval Manual.

(3) Computer software

(A) In general

Any calculation under paragraph (2) shall be prepared by qualified computer software.

(B) Qualified computer software

For purposes of this paragraph, the term ''qualified computer software'' means software—

(i) for which the software designer has certified that the software meets all procedures and detailed methods for calculating energy and power consumption and costs as required by the Secretary,

(ii) which provides such forms as required to be filed by the Secretary in connection with energy efficiency of property and the deduction allowed under this section, and

(iii) which provides a notice form which documents the energy efficiency features of the building and its projected annual energy costs.

(4) Allocation of deduction for public property

In the case of energy efficient commercial building property installed on or in property owned by a Federal, State, or local government or a political subdivision thereof, the Secretary shall promulgate a regulation to allow the allocation of the deduction to the person primarily responsible for designing the property in lieu of the owner of such property. Such person shall be treated as the taxpayer for purposes of this section.

(5) Notice to owner

Each certification required under this section shall include an explanation to the building owner regarding the energy efficiency features of the building and its projected annual energy costs as provided in the notice under paragraph (3)(B)(iii).

(6) Certification

(A) In general

The Secretary shall prescribe the manner and method for the making of certifications under this section.

(B) Procedures

The Secretary shall include as part of the certification process procedures for inspection and testing by qualified individuals described in subparagraph (C) to ensure compliance of buildings with energy-savings plans and targets. Such procedures shall be comparable, given the difference between commercial and residential buildings, to the requirements in the Mortgage Industry National Accreditation Procedures for Home Energy Rating Systems.

(C) Qualified individuals

Individuals qualified to determine compliance shall be only those individuals who are recognized by an organization certified by the Secretary for such purposes.

(e) Basis reduction

For purposes of this subtitle, if a deduction is allowed under this section with respect to any energy efficient commercial building property, the basis of such property shall be reduced by the amount of the deduction so allowed.

(f) Interim rules for lighting systems

Until such time as the Secretary issues final regulations under subsection (d)(1)(B) with respect to property which is part of a lighting system—

(1) In general

The lighting system target under subsection (d)(1)(A)(ii) shall be a reduction in lighting power density of 25 percent (50 percent in the case of a warehouse) of the minimum requirements in Table 9.5.1 or Table 9.6.1 (not including additional interior lighting power allowances) of Standard 90.1–2007.

[1] So in original.

(2) Reduction in deduction if reduction less than 40 percent

(A) In general

If, with respect to the lighting system of any building other than a warehouse, the reduction in lighting power density of the lighting system is not at least 40 percent, only the applicable percentage of the amount of deduction otherwise allowable under this section with respect to such property shall be allowed.

(B) Applicable percentage

For purposes of subparagraph (A), the applicable percentage is the number of percentage points (not greater than 100) equal to the sum of—

(i) 50, and

(ii) the amount which bears the same ratio to 50 as the excess of the reduction of lighting power density of the lighting system over 25 percentage points bears to 15.

(C) Exceptions

This subsection shall not apply to any system—

(i) the controls and circuiting of which do not comply fully with the mandatory and prescriptive requirements of Standard 90.1–2007 and which do not include provision for bilevel switching in all occupancies except hotel and motel guest rooms, store rooms, restrooms, and public lobbies, or

(ii) which does not meet the minimum requirements for calculated lighting levels as set forth in the Illuminating Engineering Society of North America Lighting Handbook, Performance and Application, Ninth Edition, 2000.

(g) Regulations

The Secretary shall promulgate such regulations as necessary—

(1) to take into account new technologies regarding energy efficiency and renewable energy for purposes of determining energy efficiency and savings under this section, and

(2) to provide for a recapture of the deduction allowed under this section if the plan described in subsection (c)(1)(D) or (d)(1)(A) is not fully implemented.

(h) Termination

This section shall not apply with respect to property placed in service after December 31, 2016.

Any amount so apportioned to a beneficiary shall be taken into account as expenditures incurred by such beneficiary in applying this section to such beneficiary.

(5) Application with other deductions

(9) Anti-churning rules

For purposes of this section—

(A) In general

The term ''amortizable section 197 intangible'' shall not include any section 197 intangible which is described in subparagraph (A) or (B) of subsection (d)(1) (or for which depreciation or amortization would not have been allowable but for this section) and which is acquired by the taxpayer after the date of the enactment of this section, if—

(i) the intangible was held or used at any time on or after July 25, 1991, and on or before such date of enactment by the taxpayer or a related person,

(ii) the intangible was acquired from a person who held such intangible at any time on or after July 25, 1991, and on or before such date of enactment, and, as part of the transaction, the user of such intangible does not change, or

(iii) the taxpayer grants the right to use such intangible to a person (or a person related to such person) who held or used such intangible at any time on or after July 25, 1991, and on or before such date of enactment.

For purposes of this subparagraph, the determination of whether the user of property changes as part of a transaction shall be determined in accordance with regulations prescribed by the Secretary. For purposes of this subparagraph, deductions allowable under section 1253(d) shall be treated as deductions allowable for amortization.

(B) Exception where gain recognized

If—

(i) subparagraph (A) would not apply to an intangible acquired by the taxpayer but for the last sentence of subparagraph (C)(i), and

(ii) the person from whom the taxpayer acquired the intangible elects, notwithstanding any other provision of this title—

(I) to recognize gain on the disposition of the intangible, and

(II) to pay a tax on such gain which, when added to any other income tax on such gain under this title, equals such gain multiplied by the highest rate of income tax applicable to such person under this title,

then subparagraph (A) shall apply to the intangible only to the extent that the taxpayer's adjusted basis in the intangible ex-

ceeds the gain recognized under clause (ii)(I).

(C) Related person defined

For purposes of this paragraph—

(i) Related person

A person (hereinafter in this paragraph referred to as the ''related person'') is related to any person if—

(I) the related person bears a relationship to such person specified in section 267(b) or section 707(b)(1), or

(II) the related person and such person are engaged in trades or businesses under common control (within the meaning of subparagraphs (A) and (B) of section 41(f)(1)).

For purposes of subclause (I), in applying section 267(b) or 707(b)(1), ''20 percent'' shall be substituted for ''50 percent''.

(ii) Time for making determination

A person shall be treated as related to another person if such relationship exists immediately before or immediately after the acquisition of the intangible involved.

(D) Acquisitions by reason of death

Subparagraph (A) shall not apply to the acquisition of any property by the taxpayer if the basis of the property in the hands of the taxpayer is determined under section 1014(a).

(E) Special rule for partnerships

With respect to any increase in the basis of partnership property under section 732, 734, or 743, determinations under this paragraph shall be made at the partner level and each partner shall be treated as having owned and used such partner's proportionate share of the partnership assets.

(F) Anti-abuse rules

The term ''amortizable section 197 intangible'' does not include any section 197 intangible acquired in a transaction, one of the principal purposes of which is to avoid the requirement of subsection (c)(1) that the intangible be acquired after the date of the enactment of this section or to avoid the provisions of subparagraph (A).

(10) Tax-exempt use property subject to lease

In the case of any section 197 intangible which would be tax-exempt use property as defined in subsection (h) of section 168 if such section applied to such intangible, the amortization period under this section shall not be less than 125 percent of the lease term (within the meaning of section 168(i)(3)).

(g) Regulations

The Secretary shall prescribe such regulations as may be appropriate to carry out the purposes of this section, including such regulations as may be appropriate to prevent avoidance of the purposes of this section through related persons or otherwise.

§ 216. Deduction of taxes, interest, and business depreciation by cooperative housing corporation tenant-stockholder

(a) Allowance of deduction

In the case of a tenant-stockholder (as defined in subsection (b)(2)), there shall be allowed as a deduction amounts (not otherwise deductible) paid or accrued to a cooperative housing corporation within the taxable year, but only to the extent that such amounts represent the tenant-stockholder's proportionate share of—

(1) the real estate taxes allowable as a deduction to the corporation under section 164 which are paid or incurred by the corporation on the houses or apartment building and on the land on which such houses (or building) are situated, or

(2) the interest allowable as a deduction to the corporation under section 163 which is paid or incurred by the corporation on its indebtedness contracted—

(A) in the acquisition, construction, alteration, rehabilitation, or maintenance of the houses or apartment building, or

(B) in the acquisition of the land on which the houses (or apartment building) are situated.

(b) Definitions

For purposes of this section—

(1) Cooperative housing corporation

The term ''cooperative housing corporation'' means a corporation—

(A) having one and only one class of stock outstanding,

(B) each of the stockholders of which is entitled, solely by reason of his ownership of stock in the corporation, to occupy for dwelling purposes a house, or an apartment in a building, owned or leased by such corporation,

(C) no stockholder of which is entitled (either conditionally or unconditionally) to receive any distribution not out of earnings and profits of the corporation except on a complete or partial liquidation of the corporation, and

(D) meeting 1 or more of the following requirements for the taxable year in which the taxes and interest described in subsection (a) are paid or incurred:

(i) 80 percent or more of the corporation's gross income for such taxable year is derived from tenant-stockholders.

(ii) At all times during such taxable year, 80 percent or more of the total square footage of the corporation's property is used or available for use by the tenant-stockholders for residential purposes or purposes ancillary to such residential use.

(iii) 90 percent or more of the expenditures of the corporation paid or incurred during such taxable year are paid or incurred for the acquisition, construction, management, maintenance, or care of the corporation's property for the benefit of the tenant-stockholders.

(2) Tenant-stockholder

The term ''tenant-stockholder'' means a person who is a stockholder in a cooperative housing corporation, and whose stock is fully paid-up in an amount not less than an amount shown to the satisfaction of the Secretary as bearing a reasonable relationship to the portion of the value of the corporation's equity in the houses or apartment building and the land on which situated which is attributable to the house or apartment which such person is entitled to occupy.

(3) Tenant-stockholder's proportionate share

(A) In general

Except as provided in subparagraph (B), the term ''tenant-stockholder's proportionate share'' means that proportion which the stock of the cooperative housing corporation owned by the tenant-stockholder is of the total outstanding stock of the corporation (including any stock held by the corporation).

(B) Special rule where allocation of taxes or interest reflect cost to corporation of stockholder's unit

(i) In general

If, for any taxable year—

(I) each dwelling unit owned or leased by a cooperative housing corporation is separately allocated a share of such corporation's real estate taxes described in subsection (a)(1) or a share of such corporation's interest described in subsection (a)(2), and

(II) such allocations reasonably reflect the cost to such corporation of such taxes, or of such interest, attributable to the tenant-stockholder's dwelling unit (and such unit's share of the common areas),

then the term ''tenant-stockholder's proportionate share'' means the shares determined in accordance with the allocations described in subclause (II).

(ii) Election by corporation required

Clause (i) shall apply with respect to any cooperative housing corporation only if such corporation elects its application. Such an election, once made, may be revoked only with the consent of the Secretary.

(4) Stock owned by governmental units

For purposes of this subsection, in determining whether a corporation is a cooperative housing corporation, stock owned and apartments leased by the United States or any of its possessions, a State or any political subdivision thereof, or any agency or instrumentality of the foregoing empowered to acquire shares in a cooperative housing corporation for the purpose of providing housing facilities, shall not be taken into account.

(5) Prior approval of occupancy

For purposes of this section, in the following cases there shall not be taken into account the fact that (by agreement with the cooperative housing corporation) the person or his nominee may not occupy the house or apartment without the prior approval of such corporation:

(A) In any case where a person acquires stock of a cooperative housing corporation by operation of law.

(B) In any case where a person other than an individual acquires stock of a cooperative housing corporation.

(C) In any case where the original seller acquires any stock of the cooperative housing corporation from the corporation not later than 1 year after the date on which the apartments or houses (or leaseholds therein) are transferred by the original seller to the corporation.

(6) Original seller defined

For purposes of paragraph (5), the term ''original seller'' means the person from whom the corporation has acquired the apartments or houses (or leaseholds therein).

(c) Treatment as property subject to depreciation

(1) In general

So much of the stock of a tenant-stockholder in a cooperative housing corporation as is allocable, under regulations prescribed by the Secretary, to a proprietary lease or right of tenancy in property subject to the allowance for depreciation under section 167(a)

shall, to the extent such proprietary lease or right of tenancy is used by such tenant-stockholder in a trade or business or for the production of income, be treated as property subject to the allowance for depreciation under section 167(a). The preceding sentence shall not be construed to limit or deny a deduction for depreciation under section 167(a) by a cooperative housing corporation with respect to property owned by such a corporation and leased to tenant-stockholders.

(2) Deduction limited to adjusted basis in stock

(A) In general

The amount of any deduction for depreciation allowable under section 167(a) to a tenant-stockholder with respect to any stock for any taxable year by reason of paragraph (1) shall not exceed the adjusted basis of such stock as of the close of the taxable year of the tenant-stockholder in which such deduction was incurred.

(B) Carryforward of disallowed amount

The amount of any deduction which is not allowed by reason of subparagraph (A) shall, subject to the provisions of subparagraph (A), be treated as a deduction allowable under section 167(a) in the succeeding taxable year.

(d) Disallowance of deduction for certain payments to the corporation

No deduction shall be allowed to a stockholder in a cooperative housing corporation for any amount paid or accrued to such corporation during any taxable year (in excess of the stockholder's proportionate share of the items described in subsections (a)(1) and (a)(2)) to the extent that, under regulations prescribed by the Secretary, such amount is properly allocable to amounts paid or incurred at any time by the corporation which are chargeable to the corporation's capital account. The stockholder's adjusted basis in the stock in the corporation shall be increased by the amount of such disallowance.

(e) Distributions by cooperative housing corporations

Except as provided in regulations no gain or loss shall be recognized on the distribution by a cooperative housing corporation of a dwelling unit to a stockholder in such corporation if such distribution is in exchange for the stockholder's stock in such corporation and such dwelling unit is used as his principal residence (within the meaning of section 121).

Any amount paid or distributed out of an Archer MSA which is not used exclusively to pay the qualified medical expenses of the account holder shall be included in the gross income of such holder.

(3) Excess contributions returned before due date of return

(A) In general

If any excess contribution is contributed for a taxable year to any Archer MSA of an individual, paragraph (2) shall not apply to distributions from the Archer MSAs of such individual (to the extent such distributions do not exceed the aggregate excess contributions to all such accounts of such individual for such year) if—

(i) such distribution is received by the individual on or before the last day prescribed by law (including extensions of time) for filing such individual's return for such taxable year, and

(ii) such distribution is accompanied by the amount of net income attributable to such excess contribution.

Any net income described in clause (ii) shall be included in the gross income of the individual for the taxable year in which it is received.

(B) Excess contribution

For purposes of subparagraph (A), the term ''excess contribution'' means any contribution (other than a rollover contribution) which is neither excludable from gross income under section 106(b) nor deductible under this section.

(4) Additional tax on distributions not used for qualified medical expenses

(A) In general

The tax imposed by this chapter on the account holder for any taxable year in which there is a payment or distribution from an Archer MSA of such holder which is includible in gross income under paragraph (2) shall be increased by 20 percent of the amount which is so includible.

(B) Exception for disability or death

Subparagraph (A) shall not apply if the payment or distribution is made after the account holder becomes disabled within the meaning of section 72(m)(7) or dies.

Subparagraph (A) shall not apply to any payment or distribution after the date on

which the account holder attains the age specified in section 1811 of the Social Security Act.

(5) Rollover contribution

An amount is described in this paragraph as a rollover contribution if it meets the requirements of subparagraphs (A) and (B).

(A) In general

Paragraph (2) shall not apply to any amount paid or distributed from an Archer MSA to the account holder to the extent the amount received is paid into an Archer MSA or a health savings account (as defined in section 223(d)) for the benefit of such holder not later than the 60th day after the day on which the holder receives the payment or distribution.

(B) Limitation

This paragraph shall not apply to any amount described in subparagraph (A) received by an individual from an Archer MSA if, at any time during the 1-year period ending on the day of such receipt, such individual received any other amount described in subparagraph (A) from an Archer MSA which was not includible in the individual's gross income because of the application of this paragraph.

(6) Coordination with medical expense deduction

For purposes of determining the amount of the deduction under section 213, any payment or distribution out of an Archer MSA for qualified medical expenses shall not be treated as an expense paid for medical care.

(7)[1] Transfer of account incident to divorce

The transfer of an individual's interest in an Archer MSA to an individual's spouse or former spouse under a divorce or separation instrument described in subparagraph (A) of section 71(b)(2) shall not be considered a taxable transfer made by such individual notwithstanding any other provision of this subtitle, and such interest shall, after such transfer, be treated as an Archer MSA with respect to which such spouse is the account holder.

(8) Treatment after death of account holder

(A) Treatment if designated beneficiary is spouse

If the account holder's surviving spouse acquires such holder's interest in an Archer MSA by reason of being the designated beneficiary of such account at the death of the account holder, such Archer MSA shall be treated as if the spouse were the account holder.

(B) Other cases

(i) In general

If, by reason of the death of the account holder, any person acquires the account holder's interest in an Archer MSA in a case to which subparagraph (A) does not apply—

(I) such account shall cease to be an Archer MSA as of the date of death, and

(II) an amount equal to the fair market value of the assets in such account on such date shall be includible if such person is not the estate of such holder, in such person's gross income for the taxable year which includes such date, or if such person is the estate of such holder, in such holder's gross income for the last taxable year of such holder.

(ii) Special rules

(I) Reduction of inclusion for pre-death expenses

The amount includible in gross income under clause (i) by any person (other than the estate) shall be reduced by the amount of qualified medical expenses which were incurred by the decedent before the date of the decedent's death and paid by such person within 1 year after such date.

(II) Deduction for estate taxes

An appropriate deduction shall be allowed under section 691(c) to any person (other than the decedent or the decedent's spouse) with respect to amounts included in gross income under clause (i) by such person.

(g) Cost-of-living adjustment

In the case of any taxable year beginning in a calendar year after 1998, each dollar amount in subsection (c)(2) shall be increased by an amount equal to—

(1) such dollar amount, multiplied by

(2) the cost-of-living adjustment determined under section 1(f)(3) for the calendar year in which such taxable year begins by substituting ''calendar year 1997'' for ''calendar year 2016'' in subparagraph (A)(ii) thereof.

If any increase under the preceding sentence is not a multiple of $50, such increase shall be rounded to the nearest multiple of $50.

(h) Reports

The Secretary may require the trustee of an Archer MSA to make such reports regarding such account to the Secretary and to the account holder with respect to contributions, distributions, and such other matters as the Secretary determines appropriate. The reports required by this subsection shall be filed at such time and in such manner and furnished to such individuals at such time and in such manner as may be required by the Secretary.

(i) Limitation on number of taxpayers having Archer MSAs

(1) In general

Except as provided in paragraph (5), no individual shall be treated as an eligible individual for any taxable year beginning after the cut-off year unless—

(A) such individual was an active MSA participant for any taxable year ending on or before the close of the cut-off year, or

(B) such individual first became an active MSA participant for a taxable year ending after the cut-off year by reason of coverage under a high deductible health plan of an MSA-participating employer.

[1] See Amendment of Subsection (f)(7) note below.

(2) Cut-off year

For purposes of paragraph (1), the term ''cut-off year'' means the earlier of—

(A) calendar year 2007, or

(B) the first calendar year before 2007 for which the Secretary determines under subsection (j) that the numerical limitation for such year has been exceeded.

(3) Active MSA participant

For purposes of this subsection—

(A) In general

The term ''active MSA participant'' means, with respect to any taxable year, any individual who is the account holder of any Archer MSA into which any contribution was made which was excludable from gross income under section 106(b), or allowable as a deduction under this section, for such taxable year.

(B) Special rule for cut-off years before 2007

In the case of a cut-off year before 2007—

(i) an individual shall not be treated as an eligible individual for any month of such year or an active MSA participant under paragraph (1)(A) unless such individual is, on or before the cut-off date, covered under a high deductible health plan, and

(ii) an employer shall not be treated as an MSA-participating employer unless the employer, on or before the cut-off date, offered coverage under a high deductible health plan to any employee.

(C) Cut-off date

For purposes of subparagraph (B)—

(i) In general

Except as otherwise provided in this subparagraph, the cut-off date is October 1 of the cut-off year.

(ii) Employees with enrollment periods after October 1

In the case of an individual described in subclause (I) of subsection (c)(1)(A)(iii), if the regularly scheduled enrollment period for health plans of the individual's employer occurs during the last 3 months of the cut-off year, the cut-off date is December 31 of the cut-off year.

(iii) Self-employed individuals

In the case of an individual described in subclause (II) of subsection (c)(1)(A)(iii), the cut-off date is November 1 of the cut-off year.

(iv) Special rules for 1997

If 1997 is a cut-off year by reason of subsection (j)(1)(A)—

(I) each of the cut-off dates under clauses (i) and (iii) shall be 1 month earlier than the date determined without regard to this clause, and

(II) clause (ii) shall be applied by substituting ''4 months'' for ''3 months''.

(4) MSA-participating employer

For purposes of this subsection, the term ''MSA-participating employer'' means any small employer if—

(A) such employer made any contribution to the Archer MSA of any employee during the cut-off year or any preceding calendar year which was excludable from gross income under section 106(b), or

(B) at least 20 percent of the employees of such employer who are eligible individuals for any month of the cut-off year by reason of coverage under a high deductible health plan of such employer each made a contribution of at least $100 to their Archer MSAs for any taxable year ending with or within the cut-off year which was allowable as a deduction under this section.

(5) Additional eligibility after cut-off year

If the Secretary determines under subsection (j)(2)(A) that the numerical limit for the calendar year following a cut-off year described in paragraph (2)(B) has not been exceeded—

(A) this subsection shall not apply to any otherwise eligible individual who is covered under a high deductible health plan during the first 6 months of the second calendar year following the cut-off year (and such individual shall be treated as an active MSA participant for purposes of this subsection if a contribution is made to any Archer MSA with respect to such coverage), and

(B) any employer who offers coverage under a high deductible health plan to any employee during such 6-month period shall be treated as an MSA-participating employer for purposes of this subsection if the requirements of paragraph (4) are met with respect to such coverage.

For purposes of this paragraph, subsection (j)(2)(A) shall be applied for 1998 by substituting ''750,000'' for ''600,000''.

(j) Determination of whether numerical limits are exceeded

(1) Determination of whether limit exceeded for 1997

The numerical limitation for 1997 is exceeded if, based on the reports required under paragraph (4), the number of Archer MSAs established as of—

(A) April 30, 1997, exceeds 375,000, or

(B) June 30, 1997, exceeds 525,000.

(2) Determination of whether limit exceeded for 1998, 1999, 2001, 2002, 2004, 2005, or 2006

(A) In general

The numerical limitation for 1998, 1999, 2001, 2002, 2004, 2005, or 2006 is exceeded if the sum of—

(i) the number of MSA returns filed on or before April 15 of such calendar year for taxable years ending with or within the preceding calendar year, plus

(ii) the Secretary's estimate (determined on the basis of the returns described in clause (i)) of the number of MSA returns for such taxable years which will be filed after such date,

exceeds 750,000 (600,000 in the case of 1998). For purposes of the preceding sentence, the

term ''MSA return'' means any return on which any exclusion is claimed under section 106(b) or any deduction is claimed under this section.

(B) Alternative computation of limitation

The numerical limitation for 1998, 1999, 2001, 2002, 2004, 2005, or 2006 is also exceeded if the sum of—

(i) 90 percent of the sum determined under subparagraph (A) for such calendar year, plus

(ii) the product of 2.5 and the number of Archer MSAs established during the portion of such year preceding July 1 (based on the reports required under paragraph (4)) for taxable years beginning in such year,

exceeds 750,000.

(C) No limitation for 2000 or 2003

The numerical limitation shall not apply for 2000 or 2003.

(3) Previously uninsured individuals not included in determination

(A) In general

The determination of whether any calendar year is a cut-off year shall be made by not counting the Archer MSA of any previously uninsured individual.

(B) Previously uninsured individual

For purposes of this subsection, the term ''previously uninsured individual'' means, with respect to any Archer MSA, any individual who had no health plan coverage (other than coverage referred to in subsection (c)(1)(B)) at any time during the 6-month period before the date such individual's coverage under the high deductible health plan commences.

(4) Reporting by MSA trustees

(A) In general

Not later than August 1 of 1997, 1998, 1999, 2001, 2002, 2004, 2005, and 2006, each person who is the trustee of an Archer MSA established before July 1 of such calendar year shall make a report to the Secretary (in such form and manner as the Secretary shall specify) which specifies—

(i) the number of Archer MSAs established before such July 1 (for taxable years beginning in such calendar year) of which such person is the trustee,

(ii) the name and TIN of the account holder of each such account, and

(iii) the number of such accounts which are accounts of previously uninsured individuals.

(B) Additional report for 1997

Not later than June 1, 1997, each person who is the trustee of an Archer MSA established before May 1, 1997, shall make an additional report described in subparagraph (A) but only with respect to accounts established before May 1, 1997.

(C) Penalty for failure to file report

The penalty provided in section 6693(a) shall apply to any report required by this paragraph, except that—

(i) such section shall be applied by substituting ''$25'' for ''$50'', and

(ii) the maximum penalty imposed on any trustee shall not exceed $5,000.

(D) Aggregation of accounts

§ 243. Dividends received by corporations

(a) General rule

In the case of a corporation, there shall be allowed as a deduction an amount equal to the following percentages of the amount received as dividends from a domestic corporation which is subject to taxation under this chapter:

(1) 50 percent, in the case of dividends other than dividends described in paragraph (2) or (3);

(2) 100 percent, in the case of dividends received by a small business investment company operating under the Small Business Investment Act of 1958 (15 U.S.C. 661 and following); and

(3) 100 percent, in the case of qualifying dividends (as defined in subsection (b)(1)).

(b) Qualifying dividends

(1) In general

For purposes of this section, the term ''qualifying dividend'' means any dividend received by a corporation—

(A) if at the close of the day on which such dividend is received, such corporation is a member of the same affiliated group as the corporation distributing such dividend, and

(B) if—

(i) such dividend is distributed out of the earnings and profits of a taxable year of the distributing corporation which ends after December 31, 1963, for which an election under section 1562 was not in effect, and on each day of which the distributing corporation and the corporation receiving the dividend were members of such affiliated group, or

(ii) such dividend is paid by a corporation with respect to which an election under section 936 is in effect for the taxable year in which such dividend is paid.

(2) Affiliated group

For purposes of this subsection:

(A) In general

The term ''affiliated group'' has the meaning given such term by section 1504(a), except that for such purposes sections 1504(b)(2), 1504(b)(4), and 1504(c) shall not apply.

(B) Group must be consistent in foreign tax treatment

The requirements of paragraph (1)(A) shall not be treated as being met with respect to any dividend received by a corporation if, for any taxable year which includes the day on which such dividend is received—

(i) 1 or more members of the affiliated group referred to in paragraph (1)(A) choose to any extent to take the benefits of section 901, and

(ii) 1 or more other members of such group claim to any extent a deduction for taxes otherwise creditable under section 901.

(3) Special rule for groups which include life insurance companies

(A) In general

In the case of an affiliated group which includes 1 or more insurance companies under section 801, no dividend by any member of such group shall be treated as a qualifying dividend unless an election under this paragraph is in effect for the taxable year in which the dividend is received. The preceding sentence shall not apply in the case of a dividend described in paragraph (1)(B)(ii).

(B) Effect of election

If an election under this paragraph is in effect with respect to any affiliated group—

(i) part II of subchapter B of chapter 6 (relating to certain controlled corporations) shall be applied with respect to the members of such group without regard to sections 1563(a)(4) and 1563(b)(2)(D), and

(ii) for purposes of this subsection, a distribution by any member of such group which is subject to tax under section 801 shall not be treated as a qualifying dividend if such distribution is out of earnings and profits for a taxable year for which an election under this paragraph is not effective and for which such distributing corporation was not a component member of a controlled group of corporations within the meaning of section 1563 solely by reason of section 1563(b)(2)(D).

(C) Election

An election under this paragraph shall be made by the common parent of the affiliated group and at such time and in such manner as the Secretary shall by regulations prescribe. Any such election shall be binding on all members of such group and may be revoked only with the consent of the Secretary.

(c) Increased percentage for dividends from 20-percent owned corporations

(1) In general

In the case of any dividend received from a 20-percent owned corporation, subsection (a)(1) shall be applied by substituting ''65 percent'' for ''50 percent''.

(2) 20-percent owned corporation

For purposes of this section, the term ''20-percent owned corporation'' means any corporation if 20 percent or more of the stock of such corporation (by vote and value) is owned by the taxpayer. For purposes of the preceding sentence, stock described in section 1504(a)(4) shall not be taken into account.

(d) Special rules for certain distributions

For purposes of subsection (a)—

(1) Any amount allowed as a deduction under section 591 (relating to deduction for dividends paid by mutual savings banks, etc.) shall not be treated as a dividend.

(2) A dividend received from a regulated investment company shall be subject to the limitations prescribed in section 854.

(3) Any dividend received from a real estate investment trust which, for the taxable year

of the trust in which the dividend is paid, qualifies under part II of subchapter M (section 856 and following) shall not be treated as a dividend.

(e) Certain dividends from foreign corporations

For purposes of subsection (a) and for purposes of section 245, any dividend from a foreign corporation from earnings and profits accumulated by a domestic corporation during a period with respect to which such domestic corporation was subject to taxation under this chapter (or corresponding provisions of prior law) shall be treated as a dividend from a domestic corporation which is subject to taxation under this chapter.

(2) Any amount paid or accrued on indebtedness incurred or continued to purchase or carry a single premium life insurance, endowment, or annuity contract.

(3) Except as provided in subsection (d), any amount paid or accrued on indebtedness incurred or continued to purchase or carry a life insurance, endowment, or annuity contract (other than a single premium contract or a contract treated as a single premium contract) pursuant to a plan of purchase which contemplates the systematic direct or indirect borrowing of part or all of the increases in the cash value of such contract (either from the insurer or otherwise).

(4) Except as provided in subsection (e), any interest paid or accrued on any indebtedness with respect to 1 or more life insurance policies owned by the taxpayer covering the life of any individual, or any endowment or annuity contracts owned by the taxpayer covering any individual.

For purposes of subclause (II), the term ''applicable period'' means the 12-month

period beginning on the date the policy is issued (and each successive 12-month period thereafter) unless the taxpayer elects a number of months (not greater than 12) other than such 12-month period to be its applicable period. Such an election shall be made not later than the 90th day after the date of the enactment of this sentence and, if made, shall apply to the taxpayer's first taxable year ending on or after October 13, 1995, and all subsequent taxable years unless revoked with the consent of the Secretary.

(4) Exception for certain policies and contracts

(A) Policies and contracts covering 20-percent owners, officers, directors, and employees

Paragraph (1) shall not apply to any policy or contract owned by an entity engaged in a trade or business if such policy or contract covers only 1 individual and if such individual is (at the time first covered by the policy or contract)—

(i) a 20-percent owner of such entity, or

(ii) an individual (not described in clause (i)) who is an officer, director, or employee of such trade or business.

(B) a parsonage allowance excludable from gross income under section 107.

(b) Pro rata allocation of interest expense of financial institutions to tax-exempt interest

(B) such average adjusted bases for all assets of the taxpayer.

(I) any qualified 501(c)(3) bond (as defined in section 145), or

(II) any obligation issued to refund (or which is part of a series of obligations issued to refund) an obligation issued before August 8, 1986, which was not an industrial development bond (as defined in section 103(b)(2) as in effect on the day before the date of the enactment of the Tax Reform Act of 1986) or a private loan bond (as defined in section 103(*o*)(2)(A), as so in effect, but without regard to any exemption from such definition other than section 103(*o*)(2)(A)).

(C) Qualified small issuer

(i) In general

For purposes of subparagraph (B), the term ''qualified small issuer'' means, with respect to obligations issued during any calendar year, any issuer if the reasonably anticipated amount of tax-exempt obligations (other than obligations described in clause (ii)) which will be issued by such issuer during such calendar year does not exceed $10,000,000.

[1] See References in Text note below.

(iii) Allocation of amount of issue in certain cases

In the case of an issue under which more than 1 governmental entity receives benefits, if—

(I) all governmental entities receiving benefits from such issue irrevocably agree (before the date of issuance of the issue) on an allocation of the amount of such issue for purposes of this subparagraph, and

(II) such allocation bears a reasonable relationship to the respective benefits received by such entities,

then the amount of such issue so allocated to an entity (and only such amount with respect to such issue) shall be taken into account under clause (i) with respect to such entity.

(D) Limitation on amount of obligations which may be designated

(i) In general

Not more than $10,000,000 of obligations issued by an issuer during any calendar year may be designated by such issuer for purposes of this paragraph.

(III) the refunding obligation has a maturity date which is not later than the date which is 30 years after the date the original qualified tax-exempt obligation was issued.

Subclause (II) shall not apply if the average maturity of the issue of which the original qualified tax-exempt obligation was a part (and of the issue of which the obligations to be refunded are a part) is 3 years or less. For purposes of this clause, average maturity shall be determined in accordance with section 147(b)(2)(A).

(iii) Certain obligations may not be designated or deemed designated

(i) an issuer and all entities which issue obligations on behalf of such issuer shall be treated as 1 issuer,

(ii) all obligations issued by a subordinate entity shall, for purposes of applying subparagraphs (C) and (D) to each other entity to which such entity is subordinate, be treated as issued by such other entity, and

(iii) an entity formed (or, to the extent provided by the Secretary, availed of) to avoid the purposes of subparagraph (C) or (D) and all entities benefiting thereby shall be treated as 1 issuer.

(F) Treatment of composite issues

In the case of an obligation which is issued as part of a direct or indirect composite issue, such obligation shall not be treated as a qualified tax-exempt obligation unless—

(i) the requirements of this paragraph are met with respect to such composite issue (determined by treating such composite issue as a single issue), and

In the case of a qualified 501(c)(3) bond (as defined in section 145) issued during 2009 or 2010, this paragraph shall be applied by treating the 501(c)(3) organization for whose benefit such bond was issued as the issuer.

(iii) Special rule for qualified financings

In the case of a qualified financing issue issued during 2009 or 2010—

(I) subparagraph (F) shall not apply, and

(II) any obligation issued as a part of such issue shall be treated as a qualified tax-exempt obligation if the requirements of this paragraph are met with respect to each qualified portion of the issue (determined by treating each qualified portion as a separate issue which is issued by the qualified borrower with respect to which such portion relates).

(iv) Qualified financing issue

§ 267. Losses, expenses, and interest with respect to transactions between related taxpayers

(a) In general

(1) Deduction for losses disallowed

No deduction shall be allowed in respect of any loss from the sale or exchange of property, directly or indirectly, between persons specified in any of the paragraphs of subsection (b). The preceding sentence shall not apply to any loss of the distributing corporation (or the distributee) in the case of a distribution in complete liquidation.

(2) Matching of deduction and payee income item in the case of expenses and interest

If—

(A) by reason of the method of accounting of the person to whom the payment is to be made, the amount thereof is not (unless paid) includible in the gross income of such person, and

(B) at the close of the taxable year of the taxpayer for which (but for this paragraph) the amount would be deductible under this chapter, both the taxpayer and the person to whom the payment is to be made are persons specified in any of the paragraphs of subsection (b),

then any deduction allowable under this chapter in respect of such amount shall be allowable as of the day as of which such amount is includible in the gross income of the person to whom the payment is made (or, if later, as of the day on which it would be so allowable but for this paragraph). For purposes of this paragraph, in the case of a personal service corporation (within the meaning of section 441(i)(2)), such corporation and any employee-owner (within the meaning of section 269A(b)(2), as modified by section 441(i)(2)) shall be treated as persons specified in subsection (b).

(B) Special rule for certain foreign entities

(i) In general

Notwithstanding subparagraph (A), in the case of any item payable to a controlled foreign corporation (as defined in section 957) or a passive foreign investment company (as defined in section 1297), a deduction shall be allowable to the payor with respect to such amount for any taxable year before the taxable year in which paid only to the extent that an amount attributable to such item is includible (determined without regard to properly allocable deductions and qualified deficits under section 952(c)(1)(B)) during such prior taxable year in the gross income of a United States person who owns (within the meaning of section 958(a)) stock in such corporation.

(ii) Secretarial authority

The Secretary may by regulation exempt transactions from the application of clause (i), including any transaction which is entered into by a payor in the ordinary course of a trade or business in which the payor is predominantly engaged and in which the payment of the accrued amounts occurs within 8½ months after accrual or within such other period as the Secretary may prescribe.

(b) Relationships

The persons referred to in subsection (a) are:

(1) Members of a family, as defined in subsection (c)(4);

(2) An individual and a corporation more than 50 percent in value of the outstanding stock of which is owned, directly or indirectly, by or for such individual;

(3) Two corporations which are members of the same controlled group (as defined in subsection (f));

(4) A grantor and a fiduciary of any trust;

(5) A fiduciary of a trust and a fiduciary of another trust, if the same person is a grantor of both trusts;

(9) A person and an organization to which section 501 (relating to certain educational and charitable organizations which are exempt from tax) applies and which is controlled directly or indirectly by such person or (if such person is an individual) by members of the family of such individual;

(10) A corporation and a partnership if the same persons own—

(A) more than 50 percent in value of the outstanding stock of the corporation, and

(B) more than 50 percent of the capital interest, or the profits interest, in the partnership;

(11) An S corporation and another S corporation if the same persons own more than 50 percent in value of the outstanding stock of each corporation;

(c) Constructive ownership of stock

For purposes of determining, in applying subsection (b), the ownership of stock—

(1) Stock owned, directly or indirectly, by or for a corporation, partnership, estate, or trust shall be considered as being owned proportionately by or for its shareholders, partners, or beneficiaries;

(2) An individual shall be considered as owning the stock owned, directly or indirectly, by or for his family;

(3) An individual owning (otherwise than by the application of paragraph (2)) any stock in a corporation shall be considered as owning the stock owned, directly or indirectly, by or for his partner;

(4) The family of an individual shall include only his brothers and sisters (whether by the whole or half blood), spouse, ancestors, and lineal descendants; and

(5) Stock constructively owned by a person by reason of the application of paragraph (1) shall, for the purpose of applying paragraph (1), (2), or (3), be treated as actually owned by such person, but stock constructively owned by an individual by reason of the application of paragraph (2) or (3) shall not be treated as owned by him for the purpose of again applying either of such paragraphs in order to make another the constructive owner of such stock.

(d) Amount of gain where loss previously disallowed

(1) In general

If—

(A) in the case of a sale or exchange of property to the taxpayer a loss sustained by the transferor is not allowable to the transferor as a deduction by reason of subsection (a)(1), and

(B) the taxpayer sells or otherwise disposes of such property (or of other property the basis of which in the taxpayer's hands is determined directly or indirectly by reference to such property) at a gain,

then such gain shall be recognized only to the extent that it exceeds so much of such loss as is properly allocable to the property sold or otherwise disposed of by the taxpayer.

(2) Exception for wash sales

Paragraph (1) shall not apply if the loss sustained by the transferor is not allowable to the transferor as a deduction by reason of section 1091 (relating to wash sales).

(3) Exception for transfers from tax indifferent parties

(e) Special rules for pass-thru entities

(1) In general

In the case of any amount paid or incurred by, to, or on behalf of, a pass-thru entity, for purposes of applying subsection (a)(2)—

(A) paragraph (3) of subsection (c) shall not apply, and

(B) interests owned (directly or indirectly) by or for a C corporation shall be considered as owned by or for any shareholder only if such shareholder owns (directly or indirectly) 5 percent or more in value of the stock of such corporation.

(4) Subsection (a)(2) not to apply to certain guaranteed payments of partnerships

In the case of any amount paid or incurred by a partnership, subsection (a)(2) shall not apply to the extent that section 707(c) applies to such amount.

(B) Qualified 5-percent or less partner

For purposes of this paragraph, the term ''qualified 5-percent or less partner'' means any partner who has (directly or indirectly) an interest of 5 percent or less in the aggregate capital and profits interests of the partnership but only if—

For purposes of the preceding sentence, a partner shall be treated as holding any interest in the partnership which is held (directly or indirectly) by any person related (within the meaning of subsection (b) of this section or section 707(b)(1)) to such partner.

(C) Qualified expenses and interest

For purpose of this paragraph, the term ''qualified expenses and interest'' means any expense or interest incurred by the partnership with respect to low-income housing held by the partnership but—

In the case of any loss from the sale or exchange of property which is between members of the same controlled group and to which subsection (a)(1) applies (determined without regard to this paragraph but with regard to paragraph (3))—

(A) subsections (a)(1) and (d) shall not apply to such loss, but

(ii) such redemption is upon the demand of another regulated investment company.

(4) Determination of relationship resulting in disallowance of loss, for purposes of other provisions

For purposes of any other section of this title which refers to a relationship which would result in a disallowance of losses under this section, deferral under paragraph (2) shall be treated as disallowance.

''(i) any lease of a qualified real property interest if such lease is not otherwise such an interest; or

''(ii) any renewal of a lease which is a qualified real property interest,

''(i) IN GENERAL.—Subparagraph (A) shall not apply to any improvement placed in service after December 31, 1999, which is part of a change in the use of the property to which such improvement relates unless the cost of such improvement does not exceed 200 percent of—

''(4) EXCEPTION FOR PERMITTED TRANSFERS, ETC.—The term 'nonqualified real property interest' shall not include any interest in real property acquired solely as a result of a direct or indirect contribution, distribution, or other transfer of such interest from the exempt REIT or any member of the stapled REIT group to such REIT or any such member, but only to the extent the aggregate of the interests of the exempt REIT and all stapled entities in such interest in real property (determined in accordance with subsection (c)(1)) is not increased by reason of the transfer.

''(5) TREATMENT OF ENTITIES WHICH ARE NOT STAPLED, ETC. ON MARCH 26, 1998.—Notwithstanding any other provision of this section, all interests in real property held by an exempt REIT or any stapled entity with respect to such REIT (or treated under subsection (c) as held by such REIT or stapled entity) shall be treated as nonqualified real property interests unless—

''(A) such stapled entity was a stapled entity with respect to such REIT as of March 26, 1998, and at all times thereafter; and

''(B) as of March 26, 1998, and at all times thereafter, such REIT was a real estate investment trust.

''(A) IN GENERAL.—Except as provided in subparagraph (B), any interest in real property held by a 10-percent subsidiary entity of an exempt REIT or stapled entity shall be treated as a nonqualified real property interest.

''(B) EXCEPTION FOR INTERESTS IN REAL PROPERTY HELD ON MARCH 26, 1998, ETC.—In the case of an entity which was a 10-percent subsidiary entity of an exempt REIT or stapled entity on March 26, 1998, and at all times thereafter, an interest in real property held by such subsidiary entity shall be treated as a qualified real property interest if such interest would be so treated if held or acquired directly by the exempt REIT or the stapled entity.

''(3) REDUCTION IN QUALIFIED REAL PROPERTY INTERESTS IF INCREASE IN OWNERSHIP OF SUBSIDIARY.—If, after March 26, 1998, an exempt REIT or stapled entity increases its ownership interest in a subsidiary entity to which paragraph (2)(B) applies above its ownership interest in such subsidiary entity as of such date, the additional portion of each interest in real property which is treated as held by the exempt REIT or stapled entity by reason of such increased ownership shall be treated as a nonqualified real property interest.

''(A) percentage ownership of an entity shall be determined in accordance with subsection (e)(4);

''(B) interests in the entity which are acquired by an exempt REIT or a member of the stapled REIT group in any acquisition described in an agreement, announcement, or filing described in subsection (b)(2) shall be treated as acquired on March 26, 1998; and

''(5) TREATMENT OF 60-PERCENT PARTNERSHIPS.—

''(A) IN GENERAL.—If, as of March 26, 1998—

''(i) an exempt REIT or stapled entity held directly or indirectly at least 60 percent of the capital or profits interest in a partnership; and

''(B) LIMITATION TO ONE PARTNERSHIP.—If, as of January 1, 1999, more than one partnership owned by any exempt REIT or stapled entity meets the requirements of subparagraph (A), only the largest such partnership on such date (determined by aggregate asset bases) shall be treated as meeting such requirements.

''(C) MIRROR ENTITY.—For purposes of subparagraph (A), an interest in a partnership formed after March 26, 1998, shall be treated as held by an exempt REIT or stapled entity on March 26, 1998, if such partnership is formed to mirror the stapling of an exempt REIT and a stapled entity in connection with an acquisition agreed to or announced on or before March 26, 1998.

''(d) TREATMENT OF PROPERTY SECURED BY MORTGAGE HELD BY EXEMPT REIT OR MEMBER OF STAPLED REIT GROUP.—

''(1) IN GENERAL.—In the case of any nonqualified obligation held by an exempt REIT or any member of the stapled REIT group, the REIT gross income provisions shall be applied by treating the exempt REIT as having impermissible tenant service income equal to—

''(A) which is secured on March 26, 1998, by an interest in real property; and

''(B) which is held on such date by the exempt REIT or any entity which is a member of the stapled REIT group on such date and at all times thereafter,

but only so long as such obligation is secured by such interest, and the interest payable on such obligation is not changed to a rate which exceeds an arm's length rate unless such change is pursuant to the terms of the obligation in effect on March 26, 1998. The preceding sentence shall not cease to apply by reason of the refinancing of the obligation if (immediately after the refinancing) the principal amount of the obligation resulting from the refinancing does not exceed the principal amount of the refinanced obligation (immediately before the refinancing) and the interest payable on such refinanced obligation does not exceed an arm's length rate.

(4) Recreational, etc., expenses for employees

Expenses for recreational, social, or similar activities (including facilities therefor) primarily for the benefit of employees (other than employees who are highly compensated employees (within the meaning of section 414(q))). For purposes of this paragraph, an individual owning less than a 10-percent interest in the taxpayer's trade or business shall not be considered a shareholder or other owner, and for such purposes an individual shall be treated as owning any interest owned by a member of his family (within the meaning of section 267(c)(4)). This paragraph shall not apply for purposes of subsection (a)(3).

(5) Employees, stockholder, etc., business meetings

Expenses incurred by a taxpayer which are directly related to business meetings of his employees, stockholders, agents, or directors.

(6) Meetings of business leagues, etc.

(9) Expenses includible in income of persons who are not employees

Expenses paid or incurred by the taxpayer for goods, services, and facilities to the extent that the expenses are includible in the gross income of a recipient of the entertainment, amusement, or recreation who is not an employee of the taxpayer as compensation for services rendered or as a prize or award under section 74. The preceding sentence shall not apply to any amount paid or incurred by the taxpayer if such amount is required to be included (or would be so required except that the amount is less than $600) in any information return filed by such taxpayer under part III of subchapter A of chapter 61 and is not so included.

For purposes of this subsection, any item referred to in subsection (a) shall be treated as an expense.

(f) Interest, taxes, casualty losses, etc.

This section shall not apply to any deduction allowable to the taxpayer without regard to its connection with his trade or business (or with his income-producing activity). In the case of a taxpayer which is not an individual, the preceding sentence shall be applied as if it were an individual.

(g) Treatment of entertainment, etc., type facility

For purposes of this chapter, if deductions are disallowed under subsection (a) with respect to any portion of a facility, such portion shall be treated as an asset which is used for personal, living, and family purposes (and not as an asset used in the trade or business).

(h) Attendance at conventions, etc.

(1) In general

In the case of any individual who attends a convention, seminar, or similar meeting which is held outside the North American area, no deduction shall be allowed under section 162 for expenses allocable to such meeting unless the taxpayer establishes that the meeting is directly related to the active conduct of his trade or business and that, after taking into account in the manner provided by regulations prescribed by the Secretary—

(A) the purpose of such meeting and the activities taking place at such meeting,

(B) the purposes and activities of the sponsoring organizations or groups,

(C) the residences of the active members of the sponsoring organization and the places at which other meetings of the sponsoring organization or groups have been held or will be held, and

it is as reasonable for the meeting to be held outside the North American area as within the North American area.

(2) Conventions on cruise ships

In the case of any individual who attends a convention, seminar, or other meeting which

is held on any cruise ship, no deduction shall be allowed under section 162 for expenses allocable to such meeting, unless the taxpayer meets the requirements of paragraph (5) and establishes that the meeting is directly related to the active conduct of his trade or business and that—

(A) the cruise ship is a vessel registered in the United States; and

(B) all ports of call of such cruise ship are located in the United States or in possessions of the United States.

With respect to cruises beginning in any calendar year, not more than $2,000 of the expenses attributable to an individual attending one or more meetings may be taken into account under section 162 by reason of the preceding sentence.

(3) Definitions

For purposes of this subsection—

(A) North American area

The term ''North American area'' means the United States, its possessions, and the Trust Territory of the Pacific Islands, and Canada and Mexico.

(B) Cruise ship

The term ''cruise ship'' means any vessel sailing within or without the territorial waters of the United States.

(4) Subsection to apply to employer as well as to traveler

(A) Except as provided in subparagraph (B), this subsection shall apply to deductions otherwise allowable under section 162 to any person, whether or not such person is the individual attending the convention, seminar, or similar meeting.

(B) This subsection shall not deny a deduction to any person other than the individual attending the convention, seminar, or similar meeting with respect to any amount paid by such person to or on behalf of such individual if includible in the gross income of such individual. The preceding sentence shall not apply if the amount is required to be included in any information return filed by such person under part III of subchapter A of chapter 61 and is not so included.

(5) Reporting requirements

No deduction shall be allowed under section 162 for expenses allocable to attendance at a convention, seminar, or similar meeting on any cruise ship unless the taxpayer claiming the deduction attaches to the return of tax on which the deduction is claimed—

(A) a written statement signed by the individual attending the meeting which includes—

(i) information with respect to the total days of the trip, excluding the days of transportation to and from the cruise ship port, and the number of hours of each day of the trip which such individual devoted to scheduled business activities,

(ii) a program of the scheduled business activities of the meeting, and

(iii) such other information as may be required in regulations prescribed by the Secretary; and

(B) a written statement signed by an officer of the organization or group sponsoring the meeting which includes—

(i) a schedule of the business activities of each day of the meeting,

(ii) the number of hours which the individual attending the meeting attended such scheduled business activities, and

(iii) such other information as may be required in regulations prescribed by the Secretary.

(6) Treatment of conventions in certain Caribbean countries

(A) In general

For purposes of this subsection, the term ''North American area'' includes, with respect to any convention, seminar, or similar meeting, any beneficiary country if (as of the time such meeting begins)—

(i) there is in effect a bilateral or multilateral agreement described in subparagraph (C) between such country and the United States providing for the exchange of information between the United States and such country, and

(ii) there is not in effect a finding by the Secretary that the tax laws of such country discriminate against conventions held in the United States.

(B) Beneficiary country

For purposes of this paragraph, the term ''beneficiary country'' has the meaning given to such term by section 212(a)(1)(A) of the Caribbean Basin Economic Recovery Act; except that such term shall include Bermuda.

(C) Authority to conclude exchange of information agreements

(i) In general

The Secretary is authorized to negotiate and conclude an agreement for the exchange of information with any beneficiary country. Except as provided in clause (ii), an exchange of information agreement shall provide for the exchange of such information (not limited to information concerning nationals or residents of the United States or the beneficiary country) as may be necessary or appropriate to carry out and enforce the tax laws of the United States and the beneficiary country (whether criminal or civil proceedings), including information which may otherwise be subject to nondisclosure provisions of the local law of the beneficiary country such as provisions respecting bank secrecy and bearer shares. The exchange of information agreement shall be terminable by either country on reasonable notice and shall provide that information received by either country will be disclosed only to persons or authorities (including courts and administrative bodies) involved in the administration or oversight of, or in the determination of appeals in respect of, taxes of the United States or the beneficiary country and will be used by such persons or authorities only for such purposes.

(ii) Nondisclosure of qualified confidential information sought for civil tax purposes

An exchange of information agreement need not provide for the exchange of qualified confidential information which is sought only for civil tax purposes if—

(I) the Secretary of the Treasury, after making all reasonable efforts to negotiate an agreement which includes the exchange of such information, determines that such an agreement cannot be negotiated but that the agreement which was negotiated will significantly assist in the administration and enforcement of the tax laws of the United States, and

(II) the President determines that the agreement as negotiated is in the national security interest of the United States.

(iii) Qualified confidential information defined

For purposes of this subparagraph, the term ''qualified confidential information'' means information which is subject to the nondisclosure provisions of any local law of the beneficiary country regarding bank secrecy or ownership of bearer shares.

(iv) Civil tax purposes

For purposes of this subparagraph, the determination of whether information is sought only for civil tax purposes shall be made by the requesting party.

(D) Coordination with other provisions

Any exchange of information agreement negotiated under subparagraph (C) shall be treated as an income tax convention for purposes of section 6103(k)(4). The Secretary may exercise his authority under subchapter A of chapter 78 to carry out any obligation of the United States under an agreement referred to in subparagraph (C).

(E) Determinations published in the Federal Register

The following shall be published in the Federal Register—

(i) any determination by the President under subparagraph (C)(ii) (including the reasons for such determination),

(ii) any determination by the Secretary under subparagraph (C)(ii) (including the reasons for such determination), and

(iii) any finding by the Secretary under subparagraph (A)(ii) (and any termination thereof).

(7) Seminars, etc. for section 212 purposes

No deduction shall be allowed under section 212 for expenses allocable to a convention, seminar, or similar meeting.

(i) Qualified nonpersonal use vehicle

For purposes of subsection (d), the term ''qualified nonpersonal use vehicle'' means any vehicle which, by reason of its nature, is not likely to be used more than a de minimis amount for personal purposes.

(j) Employee achievement awards

(1) General rule

No deduction shall be allowed under section 162 or section 212 for the cost of an employee achievement award except to the extent that such cost does not exceed the deduction limitations of paragraph (2).

(2) Deduction limitations

The deduction for the cost of an employee achievement award made by an employer to an employee—

(A) which is not a qualified plan award, when added to the cost to the employer for all other employee achievement awards made to such employee during the taxable year which are not qualified plan awards, shall not exceed $400, and

(B) which is a qualified plan award, when added to the cost to the employer for all other employee achievement awards made to such employee during the taxable year (including employee achievement awards which are not qualified plan awards), shall not exceed $1,600.

(3) Definitions

For purposes of this subsection—

(A) Employee achievement award

(i) In general

The term ''employee achievement award'' means an item of tangible personal property which is—

(I) transferred by an employer to an employee for length of service achievement or safety achievement,

(II) awarded as part of a meaningful presentation, and

(III) awarded under conditions and circumstances that do not create a significant likelihood of the payment of disguised compensation.

(ii) Tangible personal property

For purposes of clause (i), the term ''tangible personal property'' shall not include—

(I) cash, cash equivalents, gift cards, gift coupons, or gift certificates (other than arrangements conferring only the right to select and receive tangible personal property from a limited array of such items pre-selected or pre-approved by the employer), or

(II) vacations, meals, lodging, tickets to theater or sporting events, stocks, bonds, other securities, and other similar items.

(B) Qualified plan award

(i) In general

The term ''qualified plan award'' means an employee achievement award awarded as part of an established written plan or program of the taxpayer which does not discriminate in favor of highly compensated employees (within the meaning of section 414(q)) as to eligibility or benefits.

(ii) Limitation

An employee achievement award shall not be treated as a qualified plan award for

any taxable year if the average cost of all employee achievement awards which are provided by the employer during the year, and which would be qualified plan awards but for this subparagraph, exceeds $400. For purposes of the preceding sentence, average cost shall be determined by including the entire cost of qualified plan awards, without taking into account employee achievement awards of nominal value.

(4) Special rules

For purposes of this subsection—

(A) Partnerships

In the case of an employee achievement award made by a partnership, the deduction limitations contained in paragraph (2) shall apply to the partnership as well as to each member thereof.

(B) Length of service awards

An item shall not be treated as having been provided for length of service achievement if the item is received during the recipient's 1st 5 years of employment or if the recipient received a length of service achievement award (other than an award excludable under section 132(e)(1)) during that year or any of the prior 4 years.

(C) Safety achievement awards

An item provided by an employer to an employee shall not be treated as having been provided for safety achievement if—

(i) during the taxable year, employee achievement awards (other than awards excludable under section 132(e)(1)) for safety achievement have previously been awarded by the employer to more than 10 percent of the employees of the employer (excluding employees described in clause (ii)), or

(ii) such item is awarded to a manager, administrator, clerical employee, or other professional employee.

(k) Business meals

(1) In general

No deduction shall be allowed under this chapter for the expense of any food or beverages unless—

(A) such expense is not lavish or extravagant under the circumstances, and

(B) the taxpayer (or an employee of the taxpayer) is present at the furnishing of such food or beverages.

(2) Exceptions

Paragraph (1) shall not apply to—

(A) any expense described in paragraph (2), (3), (4), (7), (8), or (9) of subsection (e), and

(B) any other expense to the extent provided in regulations.

***(l)* Transportation and commuting benefits**

No deduction shall be allowed under this chapter for any expense incurred for providing any transportation, or any payment or reimbursement, to an employee of the taxpayer in connection with travel between the employee's residence and place of employment, except as necessary for ensuring the safety of the employee.

(2) Exception

In the case of any qualified bicycle commuting reimbursement (as described in section 132(f)(5)(F)), this subsection shall not apply for any amounts paid or incurred after December 31, 2017, and before January 1, 2026.

(m) Additional limitations on travel expenses

No deduction shall be allowed under this chapter (other than section 217) for travel expenses paid or incurred with respect to a spouse, dependent, or other individual accompanying the taxpayer (or an officer or employee of the taxpayer) on business travel, unless—

(A) the spouse, dependent, or other individual is an employee of the taxpayer,

(B) the travel of the spouse, dependent, or other individual is for a bona fide business purpose, and

(C) such expenses would otherwise be deductible by the spouse, dependent, or other individual.

(n) Only 50 percent of meal expenses allowed as deduction

(1) In general

The amount allowable as a deduction under this chapter for any expense for food or beverages shall not exceed 50 percent of the amount of such expense which would (but for this paragraph) be allowable as a deduction under this chapter.

(2) Exceptions

Paragraph (1) shall not apply to any expense if—

(A) such expense is described in paragraph (2), (3), (4), (7), (8), or (9) of subsection (e),

In the case of any expenses for food or beverages consumed while away from home (within the meaning of section 162(a)(2)) by an individual during, or incident to, the period of duty subject to the hours of service limitations of the Department of Transportation, paragraph (1) shall be applied by substituting ''80 percent'' for ''50 percent''.

If any interest costs incurred after Dec. 31, 1986, are attributable to costs incurred before Jan. 1, 1987, the repeal of this section is applicable to such interest costs only to the extent such interest costs are attributable to costs which were required to be capitalized under section 263 of the Internal Revenue Code of 1954 and which would have been taken into account in applying section 189 of the Internal Revenue Code of 1954 (as in effect before its repeal by section 803 of Pub. L. 99–514) or, if applicable, section 266 of such Code, see section 7831(d)(2) of Pub. L. 101–239, set out as an Effective Date note under section 263A of this title.

Repeal applicable to costs incurred after Dec. 31, 1986, in taxable years ending after such date, except as

otherwise provided, see section 803(d) of Pub. L. 99–514, set out as an Effective Date note under section 263A of this title.

§ 279. Interest on indebtedness incurred by corporation to acquire stock or assets of another corporation

(a) General rule

No deduction shall be allowed for any interest paid or incurred by a corporation during the taxable year with respect to its corporate acquisition indebtedness to the extent that such interest exceeds—

(1) $5,000,000, reduced by

(2) the amount of interest paid or incurred by such corporation during such year on obligations (A) issued to provide consideration for an acquisition described in paragraph (1) of subsection (b), but (B) which are not corporate acquisition indebtedness.

(b) Corporate acquisition indebtedness

For purposes of this section, the term ''corporate acquisition indebtedness'' means any obligation evidenced by a bond, debenture, note, or certificate or other evidence of indebtedness issued by a corporation (hereinafter in this section referred to as ''issuing corporation'') if—

(1) such obligation is issued to provide consideration for the acquisition of—

(A) stock in another corporation (hereinafter in this section referred to as ''acquired corporation''), or

(B) assets of another corporation (hereinafter in this section referred to as ''acquired corporation'') pursuant to a plan under which at least two-thirds (in value) of all the assets (excluding money) used in trades and businesses carried on by such corporation are acquired,

(2) such obligation is either—

(A) subordinated to the claims of trade creditors of the issuing corporation generally, or

(B) expressly subordinated in right of payment to the payment of any substantial amount of unsecured indebtedness, whether outstanding or subsequently issued, of the issuing corporation,

(3) the bond or other evidence of indebtedness is either—

(A) convertible directly or indirectly into stock of the issuing corporation, or

(B) part of an investment unit or other arrangement which includes, in addition to such bond or other evidence of indebtedness, an option to acquire, directly or indirectly, stock in the issuing corporation, and

(4) as of a day determined under subsection (c)(1), either—

(A) the ratio of debt to equity (as defined in subsection (c)(2)) of the issuing corporation exceeds 2 to 1, or

(B) the projected earnings (as defined in subsection (c)(3)) do not exceed 3 times the annual interest to be paid or incurred (determined under subsection (c)(4)).

(c) Rules for application of subsection (b)(4)

For purposes of subsection (b)(4)—

(1) Time of determination

Determinations are to be made as of the last day of any taxable year of the issuing corporation in which it issues any obligation to provide consideration for an acquisition described in subsection (b)(1) of stock in, or assets of, the acquired corporation.

(2) Ratio of debt to equity

The term ''ratio of debt to equity'' means the ratio which the total indebtedness of the issuing corporation bears to the sum of its money and all its other assets (in an amount equal to their adjusted basis for determining gain) less such total indebtedness.

(3) Projected earnings

(A) The term ''projected earnings'' means the ''average annual earnings'' (as defined in subparagraph (B)) of—

(i) the issuing corporation only, if clause (ii) does not apply, or

(ii) both the issuing corporation and the acquired corporation, in any case where the issuing corporation has acquired control (as defined in section 368(c)), or has acquired substantially all of the properties, of the acquired corporation.

(B) The average annual earnings referred to in subparagraph (A) is, for any corporation, the amount of its earnings and profits for any 3-year period ending with the last day of a taxable year of the issuing corporation described in paragraph (1), computed without reduction for—

(i) interest paid or incurred,

(ii) depreciation or amortization allowed under this chapter,

(iii) liability for tax under this chapter, and

(iv) distributions to which section 301(c)(1) applies (other than such distributions from the acquired to the issuing corporation),

and reduced to an annual average for such 3-year period pursuant to regulations prescribed by the Secretary. Such regulations shall include rules for cases where any corporation was not in existence for all of such 3-year period or such period includes only a portion of a taxable year of any corporation.

(4) Annual interest to be paid or incurred

The term ''annual interest to be paid or incurred'' means—

(A) if subparagraph (B) does not apply, the annual interest to be paid or incurred by the issuing corporation only, determined by reference to its total indebtedness outstanding, or

(B) if projected earnings are determined under clause (ii) of paragraph (3)(A), the annual interest to be paid or incurred by both the issuing corporation and the acquired corporation, determined by reference to their combined total indebtedness outstanding.

(5) Special rules for banks and lending or finance companies

With respect to any corporation which is a bank (as defined in section 581) or is primarily engaged in a lending or finance business—

(A) in determining under paragraph (2) the ratio of debt to equity of such corporation (or of the affiliated group of which such corporation is a member), the total indebtedness of such corporation (and the assets of such corporation) shall be reduced by an amount equal to the total indebtedness owed to such corporation which arises out of the banking business of such corporation, or out of the lending or finance business of such corporation, as the case may be;

(B) in determining under paragraph (4) the annual interest to be paid or incurred by such corporation (or by the issuing and acquired corporations referred to in paragraph (4)(B) or by the affiliated group of which such corporation is a member) the amount of such interest (determined without regard to this paragraph) shall be reduced by an amount which bears the same ratio to the amount of such interest as the amount of the reduction for the taxable year under subparagraph (A) bears to the total indebtedness of such corporation; and

(C) in determining under paragraph (3)(B) the average annual earnings, the amount of the earnings and profits for the 3-year period shall be reduced by the sum of the reductions under subparagraph (B) for such period.

For purposes of this paragraph, the term ''lending or finance business'' means a business of making loans or purchasing or discounting accounts receivable, notes, or installment obligations.

(d) Taxable years to which applicable

In applying this section—

(1) First year of disallowance

The deduction of interest on any obligation shall not be disallowed under subsection (a) before the first taxable year of the issuing corporation as of the last day of which the application of either subparagraph (A) or subparagraph (B) of subsection (b)(4) results in such obligation being corporate acquisition indebtedness.

(2) General rule for succeeding years

Except as provided in paragraphs (3), (4), and (5), if an obligation is determined to be corporate acquisition indebtedness as of the last day of any taxable year of the issuing corporation, it shall be corporate acquisition indebtedness for such taxable year and all subsequent taxable years.

(3) Redetermination where control, etc., is acquired

If an obligation is determined to be corporate acquisition indebtedness as of the close of a taxable year of the issuing corporation in which clause (i) of subsection (c)(3)(A) applied, but would not be corporate acquisition indebtedness if the determination were made as of the close of the first taxable year of such corporation thereafter in which clause (ii) of subsection (c)(3)(A) could apply, such obligation shall be considered not to be corporate acquisition indebtedness for such later taxable year and all taxable years thereafter.

(4) Special 3-year rule

If an obligation which has been determined to be corporate acquisition indebtedness for any taxable year would not be such indebtedness for each of any 3 consecutive taxable years thereafter if subsection (b)(4) were applied as of the close of each of such 3 years, then such obligation shall not be corporate acquisition indebtedness for all taxable years after such 3 consecutive taxable years.

(5) 5 percent stock rule

In the case of obligations issued to provide consideration for the acquisition of stock in another corporation, such obligations shall be corporate acquisition indebtedness for a taxable year only if at some time before the close of such year the issuing corporation owns 5 percent or more of the total combined voting power of all classes of stock entitled to vote of such other corporation.

(e) Certain nontaxable transactions

An acquisition of stock of a corporation of which the issuing corporation is in control (as defined in section 368(c)) in a transaction in which gain or loss is not recognized shall be deemed an acquisition described in paragraph (1) of subsection (b) only if immediately before such transaction (1) the acquired corporation was in existence, and (2) the issuing corporation was not in control (as defined in section 368(c)) of such corporation.

(f) Exemption for certain acquisitions of foreign corporations

For purposes of this section, the term ''corporate acquisition indebtedness'' does not include any indebtedness issued to any person to provide consideration for the acquisition of stock in, or assets of, any foreign corporation substantially all of the income of which, for the 3-year period ending with the date of such acquisition or for such part of such period as the foreign corporation was in existence, is from sources without the United States.

(g) Affiliated groups

In any case in which the issuing corporation is a member of an affiliated group, the application of this section shall be determined, pursuant to regulations prescribed by the Secretary, by treating all of the members of the affiliated group in the aggregate as the issuing corporation, except that the ratio of debt to equity of, projected earnings of, and annual interest to be paid or incurred by any corporation (other than the issuing corporation determined without regard to this subsection) shall be included in the determinations required under subparagraphs (A) and (B) of subsection (b)(4) as of any day only if such corporation is a member of the affiliated group on such day, and, in determining projected earnings of such corporation under subsection (c)(3), there shall be taken into account only the earnings and profits of such corporation for the period during which it was a member of the affiliated group. For purposes of the preceding sentence, the term ''affiliated group'' has the meaning assigned to such term by section 1504(a), except that all corporations other than the acquired corporation shall be

treated as includible corporations (without any exclusion under section 1504(b)) and the acquired corporation shall not be treated as an includible corporation.

(h) Changes in obligation

For purposes of this section—

(1) Any extension, renewal, or refinancing of an obligation evidencing a preexisting indebtedness shall not be deemed to be the issuance of a new obligation.

(2) Any obligation which is corporate acquisition indebtedness of the issuing corporation is also corporate acquisition indebtedness of any corporation which becomes liable for such obligation as guarantor, endorser, or indemnitor or which assumes liability for such obligation in any transaction.

(i) Effect on other provisions

No inference shall be drawn from any provision in this section that any instrument designated as a bond, debenture, note, or certificate or other evidence of indebtedness by its issuer represents an obligation or indebtedness of such issuer in applying any other provision of this title.

L. 99–514) or, if applicable, section 266 of such Code, see section 7831(d)(2) of Pub. L. 101–239, set out as an Effective Date note under section 263A of this title.

§ 280A. Disallowance of certain expenses in connection with business use of home, rental of vacation homes, etc.

(a) General rule

Except as otherwise provided in this section, in the case of a taxpayer who is an individual or an S corporation, no deduction otherwise allowable under this chapter shall be allowed with respect to the use of a dwelling unit which is used by the taxpayer during the taxable year as a residence.

(b) Exception for interest, taxes, casualty losses, etc.

Subsection (a) shall not apply to any deduction allowable to the taxpayer without regard to

its connection with his trade or business (or with his income-producing activity).

(c) Exceptions for certain business or rental use; limitation on deductions for such use

(1) Certain business use

Subsection (a) shall not apply to any item to the extent such item is allocable to a portion of the dwelling unit which is exclusively used on a regular basis—

(A) as the principal place of business for any trade or business of the taxpayer,

(B) as a place of business which is used by patients, clients, or customers in meeting or dealing with the taxpayer in the normal course of his trade or business, or

(C) in the case of a separate structure which is not attached to the dwelling unit, in connection with the taxpayer's trade or business.

In the case of an employee, the preceding sentence shall apply only if the exclusive use referred to in the preceding sentence is for the convenience of his employer. For purposes of subparagraph (A), the term ''principal place of business'' includes a place of business which is used by the taxpayer for the administrative or management activities of any trade or business of the taxpayer if there is no other fixed location of such trade or business where the taxpayer conducts substantial administrative or management activities of such trade or business.

(2) Certain storage use

Subsection (a) shall not apply to any item to the extent such item is allocable to space within the dwelling unit which is used on a regular basis as a storage unit for the inventory or product samples of the taxpayer held for use in the taxpayer's trade or business of selling products at retail or wholesale, but only if the dwelling unit is the sole fixed location of such trade or business.

(3) Rental use

Subsection (a) shall not apply to any item which is attributable to the rental of the dwelling unit or portion thereof (determined after the application of subsection (e)).

(4) Use in providing day care services

(A) In general

Subsection (a) shall not apply to any item to the extent that such item is allocable to the use of any portion of the dwelling unit on a regular basis in the taxpayer's trade or business of providing day care for children, for individuals who have attained age 65, or for individuals who are physically or mentally incapable of caring for themselves.

(B) Licensing, etc., requirement

Subparagraph (A) shall apply to items accruing for a period only if the owner or operator of the trade or business referred to in subparagraph (A)—

(i) has applied for (and such application has not been rejected),

(ii) has been granted (and such granting has not been revoked), or

(iii) is exempt from having,

a license, certification, registration, or approval as a day care center or as a family or group day care home under the provisions of any applicable State law. This subparagraph shall apply only to items accruing in periods beginning on or after the first day of the first month which begins more than 90 days after the date of the enactment of the Tax Reduction and Simplification Act of 1977.

(C) Allocation formula

If a portion of the taxpayer's dwelling unit used for the purposes described in subparagraph (A) is not used exclusively for those purposes, the amount of the expenses attributable to that portion shall not exceed an amount which bears the same ratio to the total amount of the items allocable to such portion as the number of hours the portion is used for such purposes bears to the number of hours the portion is available for use.

(5) Limitation on deductions

In the case of a use described in paragraph (1), (2), or (4), and in the case of a use described in paragraph (3) where the dwelling unit is used by the taxpayer during the taxable year as a residence, the deductions allowed under this chapter for the taxable year by reason of being attributed to such use shall not exceed the excess of—

(A) the gross income derived from such use for the taxable year, over

(B) the sum of—

(i) the deductions allocable to such use which are allowable under this chapter for the taxable year whether or not such unit (or portion thereof) was so used, and

(ii) the deductions allocable to the trade or business (or rental activity) in which such use occurs (but which are not allocable to such use) for such taxable year.

Any amount not allowable as a deduction under this chapter by reason of the preceding sentence shall be taken into account as a deduction (allocable to such use) under this chapter for the succeeding taxable year. Any amount taken into account for any taxable year under the preceding sentence shall be subject to the limitation of the 1st sentence of this paragraph whether or not the dwelling unit is used as a residence during such taxable year.

(6) Treatment of rental to employer

Paragraphs (1) and (3) shall not apply to any item which is attributable to the rental of the dwelling unit (or any portion thereof) by the taxpayer to his employer during any period in which the taxpayer uses the dwelling unit (or portion) in performing services as an employee of the employer.

(d) Use as residence

(1) In general

For purposes of this section, a taxpayer uses a dwelling unit during the taxable year as a residence if he uses such unit (or portion thereof) for personal purposes for a number of days which exceeds the greater of—

(A) 14 days, or

(B) 10 percent of the number of days during such year for which such unit is rented at a fair rental.

For purposes of subparagraph (B), a unit shall not be treated as rented at a fair rental for any day for which it is used for personal purposes.

(2) Personal use of unit

For purposes of this section, the taxpayer shall be deemed to have used a dwelling unit for personal purposes for a day if, for any part of such day, the unit is used—

(A) for personal purposes by the taxpayer or any other person who has an interest in such unit, or by any member of the family (as defined in section 267(c)(4)) of the taxpayer or such other person;

(B) by any individual who uses the unit under an arrangement which enables the taxpayer to use some other dwelling unit (whether or not a rental is charged for the use of such other unit); or

(C) by any individual (other than an employee with respect to whose use section 119 applies), unless for such day the dwelling unit is rented for a rental which, under the facts and circumstances, is fair rental.

The Secretary shall prescribe regulations with respect to the circumstances under which use of the unit for repairs and annual maintenance will not constitute personal use under this paragraph, except that if the taxpayer is engaged in repair and maintenance on a substantially full time basis for any day, such authority shall not allow the Secretary to treat a dwelling unit as being used for personal use by the taxpayer on such day merely because other individuals who are on the premises on such day are not so engaged.

(3) Rental to family member, etc., for use as principal residence

(A) In general

A taxpayer shall not be treated as using a dwelling unit for personal purposes by reason of a rental arrangement for any period if for such period such dwelling unit is rented, at a fair rental, to any person for use as such person's principal residence.

(B) Special rules for rental to person having interest in unit

(i) Rental must be pursuant to shared equity financing agreement

Subparagraph (A) shall apply to a rental to a person who has an interest in the dwelling unit only if such rental is pursuant to a shared equity financing agreement.

(ii) Determination of fair rental

In the case of a rental pursuant to a shared equity financing agreement, fair rental shall be determined as of the time the agreement is entered into and by taking into account the occupant's qualified ownership interest.

(C) Shared equity financing agreement

For purposes of this paragraph, the term ''shared equity financing agreement'' means an agreement under which—

(i) 2 or more persons acquire qualified ownership interests in a dwelling unit, and

(ii) the person (or persons) holding 1 or more of such interests—

(I) is entitled to occupy the dwelling unit for use as a principal residence, and

(II) is required to pay rent to 1 or more other persons holding qualified ownership interests in the dwelling unit.

(D) Qualified ownership interest

For purposes of this paragraph, the term ''qualified ownership interest'' means an undivided interest for more than 50 years in the entire dwelling unit and appurtenant land being acquired in the transaction to which the shared equity financing agreement relates.

(4) Rental of principal residence

(A) In general

For purposes of applying subsection (c)(5) to deductions allocable to a qualified rental period, a taxpayer shall not be considered to have used a dwelling unit for personal purposes for any day during the taxable year which occurs before or after a qualified rental period described in subparagraph (B)(i), or before a qualified rental period described in subparagraph (B)(ii), if with respect to such day such unit constitutes the principal residence (within the meaning of section 121) of the taxpayer.

(B) Qualified rental period

For purposes of subparagraph (A), the term ''qualified rental period'' means a consecutive period of—

(i) 12 or more months which begins or ends in such taxable year, or

(ii) less than 12 months which begins in such taxable year and at the end of which such dwelling unit is sold or exchanged, and

for which such unit is rented, or is held for rental, at a fair rental.

(e) Expenses attributable to rental

(1) In general

In any case where a taxpayer who is an individual or an S corporation uses a dwelling unit for personal purposes on any day during the taxable year (whether or not he is treated under this section as using such unit as a residence), the amount deductible under this chapter with respect to expenses attributable to the rental of the unit (or portion thereof) for the taxable year shall not exceed an amount which bears the same relationship to such expenses as the number of days during each year that the unit (or portion thereof) is rented at a fair rental bears to the total number of days during such year that the unit (or portion thereof) is used.

(2) Exception for deductions otherwise allowable

This subsection shall not apply with respect to deductions which would be allowable under this chapter for the taxable year whether or not such unit (or portion thereof) was rented.

(f) Definitions and special rules

(1) Dwelling unit defined

For purposes of this section—

(A) In general

The term ''dwelling unit'' includes a house, apartment, condominium, mobile home, boat, or similar property, and all structures or other property appurtenant to such dwelling unit.

(B) Exception

The term ''dwelling unit'' does not include that portion of a unit which is used exclusively as a hotel, motel, inn, or similar establishment.

(2) Personal use by shareholders of S corporation

In the case of an S corporation, subparagraphs (A) and (B) of subsection (d)(2) shall be applied by substituting ''any shareholder of the S corporation'' for ''the taxpayer'' each place it appears.

(3) Coordination with section 183

If subsection (a) applies with respect to any dwelling unit (or portion thereof) for the taxable year—

(A) section 183 (relating to activities not engaged in for profit) shall not apply to such unit (or portion thereof) for such year, but

(B) such year shall be taken into account as a taxable year for purposes of applying subsection (d) of section 183 (relating to 5-year presumption).

(4) Coordination with section 162(a)(2)

Nothing in this section shall be construed to disallow any deduction allowable under section 162(a)(2) (or any deduction which meets the tests of section 162(a)(2) but is allowable under another provision of this title) by reason of the taxpayer's being away from home in the pursuit of a trade or business (other than the trade or business of renting dwelling units).

(g) Special rule for certain rental use

Notwithstanding any other provision of this section or section 183, if a dwelling unit is used during the taxable year by the taxpayer as a residence and such dwelling unit is actually rented for less than 15 days during the taxable year, then—

(1) no deduction otherwise allowable under this chapter because of the rental use of such dwelling unit shall be allowed, and

(2) the income derived from such use for the taxable year shall not be included in the gross income of such taxpayer under section 61.

§ 280G. Golden parachute payments

(a) General rule

No deduction shall be allowed under this chapter for any excess parachute payment.

(b) Excess parachute payment

For purposes of this section—

(1) In general

The term ''excess parachute payment'' means an amount equal to the excess of any parachute payment over the portion of the base amount allocated to such payment.

(2) Parachute payment defined

(A) In general

The term ''parachute payment'' means any payment in the nature of compensation to (or for the benefit of) a disqualified individual if—

(i) such payment is contingent on a change—

(I) in the ownership or effective control of the corporation, or

(II) in the ownership of a substantial portion of the assets of the corporation, and

(ii) the aggregate present value of the payments in the nature of compensation to (or for the benefit of) such individual which are contingent on such change equals or exceeds an amount equal to 3 times the base amount.

For purposes of clause (ii), payments not treated as parachute payments under paragraph (4)(A), (5), or (6) shall not be taken into account.

(B) Agreements

The term ''parachute payment'' shall also include any payment in the nature of compensation to (or for the benefit of) a disqualified individual if such payment is made pursuant to an agreement which violates any generally enforced securities laws or regulations. In any proceeding involving the issue of whether any payment made to a disqualified individual is a parachute payment on account of a violation of any generally enforced securities laws or regulations, the burden of proof with respect to establishing the occurrence of a violation of such a law or regulation shall be upon the Secretary.

(C) Treatment of certain agreements entered into within 1 year before change of ownership

For purposes of subparagraph (A)(i), any payment pursuant to—

(i) an agreement entered into within 1 year before the change described in subparagraph (A)(i), or

(ii) an amendment made within such 1-year period of a previous agreement,

shall be presumed to be contingent on such change unless the contrary is established by clear and convincing evidence.

(3) Base amount

(A) In general

The term ''base amount'' means the individual's annualized includible compensation for the base period.

(B) Allocation

The portion of the base amount allocated to any parachute payment shall be an amount which bears the same ratio to the base amount as—

(i) the present value of such payment, bears to

(ii) the aggregate present value of all such payments.

(4) Treatment of amounts which taxpayer establishes as reasonable compensation

In the case of any payment described in paragraph (2)(A)—

(A) the amount treated as a parachute payment shall not include the portion of such payment which the taxpayer establishes by clear and convincing evidence is reasonable compensation for personal services to be rendered on or after the date of the change described in paragraph (2)(A)(i), and

(B) the amount treated as an excess parachute payment shall be reduced by the portion of such payment which the taxpayer establishes by clear and convincing evidence is reasonable compensation for personal services actually rendered before the date of the change described in paragraph (2)(A)(i).

For purposes of subparagraph (B), reasonable compensation for services actually rendered before the date of the change described in paragraph (2)(A)(i) shall be first offset against the base amount.

(5) Exemption for small business corporations, etc.

(A) In general

Notwithstanding paragraph (2), the term ''parachute payment'' does not include—

(i) any payment to a disqualified individual with respect to a corporation which (immediately before the change described in paragraph (2)(A)(i)) was a small business corporation (as defined in section 1361(b) but without regard to paragraph (1)(C) thereof), and

(ii) any payment to a disqualified individual with respect to a corporation (other than a corporation described in clause (i)) if—

(I) immediately before the change described in paragraph (2)(A)(i), no stock in such corporation was readily tradeable on an established securities market or otherwise, and

(II) the shareholder approval requirements of subparagraph (B) are met with respect to such payment.

The Secretary may, by regulations, prescribe that the requirements of subclause (I) of clause (ii) are not met where a substantial portion of the assets of any entity consists (directly or indirectly) of stock in such corporation and interests in such other entity are readily tradeable on an established securities market, or otherwise. Stock described in section 1504(a)(4) shall not be taken into account under clause (ii)(I) if the payment does not adversely affect the shareholder's redemption and liquidation rights.

(B) Shareholder approval requirements

The shareholder approval requirements of this subparagraph are met with respect to any payment if—

(i) such payment was approved by a vote of the persons who owned, immediately before the change described in paragraph (2)(A)(i), more than 75 percent of the voting power of all outstanding stock of the corporation, and

(ii) there was adequate disclosure to shareholders of all material facts concerning all payments which (but for this paragraph) would be parachute payments with respect to a disqualified individual.

The regulations prescribed under subsection (e) shall include regulations providing for the application of this subparagraph in the case of shareholders which are not individuals (including the treatment of nonvoting interests in an entity which is a shareholder) and where an entity holds a de minimis amount of stock in the corporation.

(6) Exemption for payments under qualified plans

Notwithstanding paragraph (2), the term ''parachute payment'' shall not include any payment to or from—

For purposes of this section, a personal service corporation (or similar entity) shall be treated as an individual. For purposes of paragraph (2), the term ''highly-compensated individual'' only includes an individual who is (or would be if the individual were an employee) a member of the group consisting of the highest paid 1 percent of the employees of the corporation or, if less, the highest paid 250 employees of the corporation.

Any transfer of property—

(A) shall be treated as a payment, and

(B) shall be taken into account as its fair market value.

(4) Present value

Present value shall be determined by using a discount rate equal to 120 percent of the appli-

cable Federal rate (determined under section 1274(d)), compounded semiannually.

(5) Treatment of affiliated groups

Except as otherwise provided in regulations, all members of the same affiliated group (as defined in section 1504, determined without regard to section 1504(b)) shall be treated as 1 corporation for purposes of this section. Any person who is an officer of any member of such group shall be treated as an officer of such 1 corporation.

(e) Special rule for application to employers participating in the Troubled Assets Relief Program

(1) In general

In the case of the severance from employment of a covered executive of an applicable employer during the period during which the authorities under section 101(a) of the Emergency Economic Stabilization Act of 2008 are in effect (determined under section 120 of such Act), this section shall be applied to payments to such executive with the following modifications:

(A) Any reference to a disqualified individual (other than in subsection (c)) shall be treated as a reference to a covered executive.

(B) Any reference to a change described in subsection (b)(2)(A)(i) shall be treated as a reference to an applicable severance from employment of a covered executive, and any reference to a payment contingent on such a change shall be treated as a reference to any payment made during an applicable taxable year of the employer on account of such applicable severance from employment.

(C) Any reference to a corporation shall be treated as a reference to an applicable employer.

(D) The provisions of subsections (b)(2)(C), (b)(4), (b)(5), and (d)(5) shall not apply.

(C) Coordination and other rules

(i) In general

If a payment which is treated as a parachute payment by reason of this subsection is also a parachute payment determined without regard to this subsection, this subsection shall not apply to such payment.

(ii) Regulatory authority

The Secretary may prescribe such guidance, rules, or regulations as are necessary—

(I) to carry out the purposes of this subsection and the Emergency Economic Stabilization Act of 2008, including the extent to which this subsection applies in the case of any acquisition, merger, or reorganization of an applicable employer,

(II) to apply this section and section 4999 in cases where one or more payments with respect to any individual are treated as parachute payments by reason of this subsection, and other payments with respect to such individual are treated as parachute payments under this section without regard to this subsection, and

(III) to prevent the avoidance of the application of this section through the mischaracterization of a severance from employment as other than an applicable severance from employment.

(f) Regulations

The Secretary shall prescribe such regulations as may be necessary or appropriate to carry out the purposes of this section (including regulations for the application of this section in the case of related corporations and in the case of personal service corporations).

§ 302. Distributions in redemption of stock

(a) General rule

If a corporation redeems its stock (within the meaning of section 317(b)), and if paragraph (1), (2), (3), (4), or (5) of subsection (b) applies, such redemption shall be treated as a distribution in part or full payment in exchange for the stock.

(b) Redemptions treated as exchanges

(1) Redemptions not equivalent to dividends

Subsection (a) shall apply if the redemption is not essentially equivalent to a dividend.

(2) Substantially disproportionate redemption of stock

(A) In general

Subsection (a) shall apply if the distribution is substantially disproportionate with respect to the shareholder.

(B) Limitation

This paragraph shall not apply unless immediately after the redemption the shareholder owns less than 50 percent of the total combined voting power of all classes of stock entitled to vote.

(C) Definitions

For purposes of this paragraph, the distribution is substantially disproportionate if—

(i) the ratio which the voting stock of the corporation owned by the shareholder immediately after the redemption bears to all of the voting stock of the corporation at such time,

is less than 80 percent of—

(ii) the ratio which the voting stock of the corporation owned by the shareholder immediately before the redemption bears to all of the voting stock of the corporation at such time.

For purposes of this paragraph, no distribution shall be treated as substantially disproportionate unless the shareholder's ownership of the common stock of the corporation (whether voting or nonvoting) after and before redemption also meets the 80 percent requirement of the preceding sentence. For purposes of the preceding sentence, if there is more than one class of common stock, the determinations shall be made by reference to fair market value.

(D) Series of redemptions

This paragraph shall not apply to any redemption made pursuant to a plan the purpose or effect of which is a series of redemptions resulting in a distribution which (in the aggregate) is not substantially disproportionate with respect to the shareholder.

(3) Termination of shareholder's interest

Subsection (a) shall apply if the redemption is in complete redemption of all of the stock of the corporation owned by the shareholder.

(4) Redemption from noncorporate shareholder in partial liquidation

Subsection (a) shall apply to a distribution if such distribution is—

(A) in redemption of stock held by a shareholder who is not a corporation, and

(B) in partial liquidation of the distributing corporation.

(5) Redemptions by certain regulated investment companies

Except to the extent provided in regulations prescribed by the Secretary, subsection (a) shall apply to any distribution in redemption of stock of a publicly offered regulated investment company (within the meaning of section 67(c)(2)(B)) if—

(A) such redemption is upon the demand of the stockholder, and

(B) such company issues only stock which is redeemable upon the demand of the stockholder.

(6) Application of paragraphs

In determining whether a redemption meets the requirements of paragraph (1), the fact that such redemption fails to meet the requirements of paragraph (2), (3), or (4) shall not be taken into account. If a redemption meets the requirements of paragraph (3) and also the requirements of paragraph (1), (2), or (4), then so much of subsection (c)(2) as would (but for this sentence) apply in respect of the acquisition of an interest in the corporation within the 10-year period beginning on the date of the distribution shall not apply.

(c) Constructive ownership of stock

(1) In general

Except as provided in paragraph (2) of this subsection, section 318(a) shall apply in determining the ownership of stock for purposes of this section.

(2) For determining termination of interest

(A) In the case of a distribution described in subsection (b)(3), section 318(a)(1) shall not apply if—

(i) immediately after the distribution the distributee has no interest in the corporation (including an interest as officer, director, or employee), other than an interest as a creditor,

(ii) the distributee does not acquire any such interest (other than stock acquired by bequest or inheritance) within 10 years from the date of such distribution, and

(iii) the distributee, at such time and in such manner as the Secretary by regulations prescribes, files an agreement to notify the Secretary of any acquisition described in clause (ii) and to retain such records as may be necessary for the application of this paragraph.

If the distributee acquires such an interest in the corporation (other than by bequest or inheritance) within 10 years from the date of the distribution, then the periods of limitation provided in sections 6501 and 6502 on the making of an assessment and the collection by levy or a proceeding in court shall, with respect to any deficiency (including interest and additions to the tax) resulting from such acquisition, include one year immediately following the date on which the distributee (in accordance with regulations prescribed by the Secretary) notifies the Secretary of such acquisition; and such assessment and collection may be made notwithstanding any provision of law or rule of law which otherwise would prevent such assessment and collection.

(B) Subparagraph (A) of this paragraph shall not apply if—

(i) any portion of the stock redeemed was acquired, directly or indirectly, within the 10-year period ending on the date of the distribution by the distributee from a person the ownership of whose stock would (at the time of distribution) be attributable to the distributee under section 318(a), or

(ii) any person owns (at the time of the distribution) stock the ownership of which is attributable to the distributee under section 318(a) and such person acquired any stock in the corporation, directly or indirectly, from the distributee within the 10-year period ending on the date of the distribution, unless such stock so acquired from the distributee is redeemed in the same transaction.

The preceding sentence shall not apply if the acquisition (or, in the case of clause (ii), the disposition) by the distributee did not have as one of its principal purposes the avoidance of Federal income tax.

(C) Special rule for waivers by entities

(i) In general

Subparagraph (A) shall not apply to a distribution to any entity unless—

(I) such entity and each related person meet the requirements of clauses (i), (ii), and (iii) of subparagraph (A), and

(II) each related person agrees to be jointly and severally liable for any deficiency (including interest and additions to tax) resulting from an acquisition described in clause (ii) of subparagraph (A).

In any case to which the preceding sentence applies, the second sentence of subparagraph (A) and subparagraph (B)(ii) shall be applied by substituting ''distributee or any related person'' for ''distributee'' each place it appears.

(ii) Definitions

For purposes of this subparagraph—

(I) the term ''entity'' means a partnership, estate, trust, or corporation; and

(II) the term ''related person'' means any person to whom ownership of stock in the corporation is (at the time of the distribution) attributable under section 318(a)(1) if such stock is further attributable to the entity under section 318(a)(3).

(d) Redemptions treated as distributions of property

Except as otherwise provided in this subchapter, if a corporation redeems its stock (within the meaning of section 317(b)), and if subsection (a) of this section does not apply, such redemption shall be treated as a distribution of property to which section 301 applies.

(e) Partial liquidation defined

(1) In general

For purposes of subsection (b)(4), a distribution shall be treated as in partial liquidation of a corporation if—

(A) the distribution is not essentially equivalent to a dividend (determined at the corporate level rather than at the shareholder level), and

(B) the distribution is pursuant to a plan and occurs within the taxable year in which the plan is adopted or within the succeeding taxable year.

(2) Termination of business

The distributions which meet the requirements of paragraph (1)(A) shall include (but shall not be limited to) a distribution which meets the requirements of subparagraphs (A) and (B) of this paragraph:

(A) The distribution is attributable to the distributing corporation's ceasing to conduct, or consists of the assets of, a qualified trade or business.

(B) Immediately after the distribution, the distributing corporation is actively engaged in the conduct of a qualified trade or business.

(3) Qualified trade or business

For purposes of paragraph (2), the term ''qualified trade or business'' means any trade or business which—

(A) was actively conducted throughout the 5-year period ending on the date of the redemption, and

(B) was not acquired by the corporation within such period in a transaction in which gain or loss was recognized in whole or in part.

(4) Redemption may be pro rata

Whether or not a redemption meets the requirements of subparagraphs (A) and (B) of paragraph (2) shall be determined without regard to whether or not the redemption is pro rata with respect to all of the shareholders of the corporation.

(5) Treatment of certain pass-thru entities

For purposes of determining under subsection (b)(4) whether any stock is held by a shareholder who is not a corporation, any stock held by a partnership, estate, or trust shall be treated as if it were actually held proportionately by its partners or beneficiaries.

Subsection (a) shall apply only to amounts distributed after the death of the decedent and—

(A) within the period of limitations provided in section 6501(a) for the assessment of the Federal estate tax (determined without the application of any provision other than section 6501(a)), or within 90 days after the expiration of such period,

(B) if a petition for redetermination of a deficiency in such estate tax has been filed with the Tax Court within the time prescribed in section 6213, at any time before the expiration of 60 days after the decision of the Tax Court becomes final, or

(C) if an election has been made under section 6166 and if the time prescribed by this subparagraph expires at a later date than the time prescribed by subparagraph (B) of this paragraph, within the time determined under section 6166 for the payment of the installments.

(2) Relationship of stock to decedent's estate

(A) In general

Subsection (a) shall apply to a distribution by a corporation only if the value (for Federal estate tax purposes) of all of the stock of such corporation which is included in determining the value of the decedent's gross estate exceeds 35 percent of the excess of—

(i) the value of the gross estate of such decedent, over

(ii) the sum of the amounts allowable as a deduction under section 2053 or 2054.

(B) Special rule for stock of two or more corporations

For purposes of subparagraph (A), stock of 2 or more corporations, with respect to each of which there is included in determining the value of the decedent's gross estate 20 percent or more in value of the outstanding stock, shall be treated as the stock of a single corporation. For purposes of the 20-percent requirement of the preceding sentence, stock which, at the decedent's death, represents the surviving spouse's interest in property held by the decedent and the surviving spouse as community property or as joint tenants, tenants by the entirety, or tenants in common shall be treated as having been included in determining the value of the decedent's gross estate.

(3) Relationship of shareholder to estate tax

Subsection (a) shall apply to a distribution by a corporation only to the extent that the interest of the shareholder is reduced directly (or through a binding obligation to contribute) by any payment of an amount described in paragraph (1) or (2) of subsection (a).

(4) Additional requirements for distributions made more than 4 years after decedent's death

In the case of amounts distributed more than 4 years after the date of the decedent's

death, subsection (a) shall apply to a distribution by a corporation only to the extent of the lesser of—

(A) the aggregate of the amounts referred to in paragraph (1) or (2) of subsection (a) which remained unpaid immediately before the distribution, or

(B) the aggregate of the amounts referred to in paragraph (1) or (2) of subsection (a) which are paid during the 1-year period beginning on the date of such distribution.

(c) Stock with substituted basis

If—

(1) a shareholder owns stock of a corporation (referred to in this subsection as ''new stock'') the basis of which is determined by reference to the basis of stock of a corporation (referred to in this subsection as ''old stock''),

(2) the old stock was included (for Federal estate tax purposes) in determining the gross estate of a decedent, and

(3) subsection (a) would apply to a distribution of property to such shareholder in redemption of the old stock,

then, subject to the limitation specified in subsection (b), subsection (a) shall apply in respect of a distribution in redemption of the new stock.

(d) Special rules for generation-skipping transfers

Where stock in a corporation is the subject of a generation-skipping transfer (within the meaning of section 2611(a)) occurring at the same time as and as a result of the death of an individual—

(1) the stock shall be deemed to be included in the gross estate of such individual;

(2) taxes of the kind referred to in subsection (a)(1) which are imposed because of the generation-skipping transfer shall be treated as imposed because of such individual's death (and for this purpose the tax imposed by section 2601 shall be treated as an estate tax);

(3) the period of distribution shall be measured from the date of the generation-skipping transfer; and

(4) the relationship of stock to the decedent's estate shall be measured with reference solely to the amount of the generation-skipping transfer.

§ 304. Redemption through use of related corporations

(a) Treatment of certain stock purchases

(1) Acquisition by related corporation (other than subsidiary)

For purposes of sections 302 and 303, if—

(A) one or more persons are in control of each of two corporations, and

(B) in return for property, one of the corporations acquires stock in the other corporation from the person (or persons) so in control,

then (unless paragraph (2) applies) such property shall be treated as a distribution in redemption of the stock of the corporation acquiring such stock. To the extent that such distribution is treated as a distribution to which section 301 applies, the transferor and the acquiring corporation shall be treated in the same manner as if the transferor had transferred the stock so acquired to the acquiring corporation in exchange for stock of the acquiring corporation in a transaction to which section 351(a) applies, and then the acquiring corporation had redeemed the stock it was treated as issuing in such transaction.

(2) Acquisition by subsidiary

For purposes of sections 302 and 303, if—

(A) in return for property, one corporation acquires from a shareholder of another corporation stock in such other corporation, and

(B) the issuing corporation controls the acquiring corporation,

then such property shall be treated as a distribution in redemption of the stock of the issuing corporation.

(b) Special rules for application of subsection (a)

(1) Rules for determinations under section 302(b)

In the case of any acquisition of stock to which subsection (a) of this section applies, determinations as to whether the acquisition is, by reason of section 302(b), to be treated as a distribution in part or full payment in exchange for the stock shall be made by reference to the stock of the issuing corporation. In applying section 318(a) (relating to constructive ownership of stock) with respect to section 302(b) for purposes of this paragraph, sections 318(a)(2)(C) and 318(a)(3)(C) shall be applied without regard to the 50 percent limitation contained therein.

(2) Amount constituting dividend

In the case of any acquisition of stock to which subsection (a) applies, the determination of the amount which is a dividend (and the source thereof) shall be made as if the property were distributed—

(A) by the acquiring corporation to the extent of its earnings and profits, and

(B) then by the issuing corporation to the extent of its earnings and profits.

(3) Coordination with section 351

(A) Property treated as received in redemption

Except as otherwise provided in this paragraph, subsection (a) (and not section 351 and not so much of sections 357 and 358 as relates to section 351) shall apply to any property received in a distribution described in subsection (a).

(B) Certain assumptions of liability, etc.

(i) In general

In the case of an acquisition described in section 351, subsection (a) shall not apply to any liability—

(I) assumed by the acquiring corporation, or

(II) to which the stock is subject,

if such liability was incurred by the transferor to acquire the stock. For purposes of the preceding sentence, the term ''stock'' means stock referred to in paragraph (1)(B) or (2)(A) of subsection (a).

(ii) Extension of obligations, etc.

For purposes of clause (i), an extension, renewal, or refinancing of a liability which meets the requirements of clause (i) shall be treated as meeting such requirements.

(iii) Clause (i) does not apply to stock acquired from related person except where complete termination

Clause (i) shall apply only to stock acquired by the transferor from a person—

(I) none of whose stock is attributable to the transferor under section 318(a) (other than paragraph (4) thereof), or

(II) who satisfies rules similar to the rules of section 302(c)(2) with respect to both the acquiring and the issuing corporations (determined as if such person were a distributee of each such corporation).

(C) Distributions incident to formation of bank holding companies

If—

(i) pursuant to a plan, control of a bank is acquired and within 2 years after the date on which such control is acquired, stock constituting control of such bank is transferred to a BHC in connection with its formation,

(ii) incident to the formation of the BHC there is a distribution of property described in subsection (a), and

(iii) the shareholders of the BHC who receive distributions of such property do not have control of such BHC,

then, subsection (a) shall not apply to any securities received by a qualified minority shareholder incident to the formation of such BHC. For purposes of this subparagraph, any assumption of (or acquisition of stock subject to) a liability under subparagraph (B) shall not be treated as a distribution of property.

(D) Definitions

For purposes of subparagraph (C) and this subparagraph—

(i) Qualified minority shareholder

The term ''qualified minority shareholder'' means any shareholder who owns less than 10 percent (in value) of the stock of the BHC. For purposes of the preceding sentence, the rules of paragraph (3) of subsection (c) shall apply.

(ii) BHC

The term ''BHC'' means a bank holding company (within the meaning of section

2(a) of the Bank Holding Company Act of 1956).

(4) Treatment of certain intragroup transactions

(A) In general

In the case of any transfer described in subsection (a) of stock from 1 member of an affiliated group to another member of such group, proper adjustments shall be made to—

(i) the adjusted basis of any intragroup stock, and

(ii) the earnings and profits of any member of such group,

to the extent necessary to carry out the purposes of this section.

(B) Definitions

For purposes of this paragraph—

(i) Affiliated group

The term ''affiliated group'' has the meaning given such term by section 1504(a).

(ii) Intragroup stock

The term ''intragroup stock'' means any stock which—

(I) is in a corporation which is a member of an affiliated group, and

(II) is held by another member of such group.

(5) Acquisitions by foreign corporations

(A) In general

In the case of any acquisition to which subsection (a) applies in which the acquiring corporation is a foreign corporation, the only earnings and profits taken into account under paragraph (2)(A) shall be those earnings and profits—

(i) which are attributable (under regulations prescribed by the Secretary) to stock of the acquiring corporation owned (within the meaning of section 958(a)) by a corporation or individual which is—

(I) a United States shareholder (within the meaning of section 951(b)) of the acquiring corporation, and

(II) the transferor or a person who bears a relationship to the transferor described in section 267(b) or 707(b), and

(ii) which were accumulated during the period or periods such stock was owned by such person while the acquiring corporation was a controlled foreign corporation.

(B) Special rule in case of foreign acquiring corporation

In the case of any acquisition to which subsection (a) applies in which the acquiring corporation is a foreign corporation, no earnings and profits shall be taken into account under paragraph (2)(A) (and subparagraph (A) shall not apply) if more than 50 percent of the dividends arising from such acquisition (determined without regard to this subparagraph) would neither—

(i) be subject to tax under this chapter for the taxable year in which the dividends arise, nor

(ii) be includible in the earnings and profits of a controlled foreign corporation (as defined in section 957 and without regard to section 953(c)).

(C) Regulations

The Secretary shall prescribe such regulations as are appropriate to carry out the purposes of this paragraph.

(6) Avoidance of multiple inclusions, etc.

In the case of any acquisition to which subsection (a) applies in which the acquiring corporation or the issuing corporation is a foreign corporation, the Secretary shall prescribe such regulations as are appropriate in order to eliminate a multiple inclusion of any item in income by reason of this subpart and to provide appropriate basis adjustments (including modifications to the application of sections 959 and 961).

(c) Control

(1) In general

For purposes of this section, control means the ownership of stock possessing at least 50 percent of the total combined voting power of all classes of stock entitled to vote, or at least 50 percent of the total value of shares of all classes of stock. If a person (or persons) is in control (within the meaning of the preceding sentence) of a corporation which in turn owns at least 50 percent of the total combined voting power of all stock entitled to vote of another corporation, or owns at least 50 percent of the total value of the shares of all classes of stock of another corporation, then such person (or persons) shall be treated as in control of such other corporation.

(2) Stock acquired in the transaction

For purposes of subsection (a)(1)—

(A) General rule

Where 1 or more persons in control of the issuing corporation transfer stock of such corporation in exchange for stock of the acquiring corporation, the stock of the acquiring corporation received shall be taken into account in determining whether such person or persons are in control of the acquiring corporation.

(B) Definition of control group

Where 2 or more persons in control of the issuing corporation transfer stock of such corporation to the acquiring corporation and, after the transfer, the transferors are in control of the acquiring corporation, the person or persons in control of each corporation shall include each of the persons who so transfer stock.

(3) Constructive ownership

(A) In general

Section 318(a) (relating to constructive ownership of stock) shall apply for purposes of determining control under this section.

(B) Modification of 50-percent limitations in section 318

For purposes of subparagraph (A)—

(i) paragraph (2)(C) of section 318(a) shall be applied by substituting ''5 percent'' for ''50 percent'', and

(ii) paragraph (3)(C) of section 318(a) shall be applied—

(I) by substituting ''5 percent'' for ''50 percent'', and

(II) in any case where such paragraph would not apply but for subclause (I), by considering a corporation as owning the stock (other than stock in such corporation) owned by or for any shareholder of such corporation in that proportion which the value of the stock which such shareholder owned in such corporation bears to the value of all stock in such corporation.

§ 305. Distributions of stock and stock rights

(a) General rule

Except as otherwise provided in this section, gross income does not include the amount of any distribution of the stock of a corporation made by such corporation to its shareholders with respect to its stock.

(b) Exceptions

Subsection (a) shall not apply to a distribution by a corporation of its stock, and the distribution shall be treated as a distribution of property to which section 301 applies—

(1) Distributions in lieu of money

If the distribution is, at the election of any of the shareholders (whether exercised before or after the declaration thereof), payable either—

(A) in its stock, or

(B) in property.

(2) Disproportionate distributions

If the distribution (or a series of distributions of which such distribution is one) has the result of—

(A) the receipt of property by some shareholders, and

(B) an increase in the proportionate interests of other shareholders in the assets or earnings and profits of the corporation.

(3) Distributions of common and preferred stock

If the distribution (or a series of distributions of which such distribution is one) has the result of—

(A) the receipt of preferred stock by some common shareholders, and

(B) the receipt of common stock by other common shareholders.

(4) Distributions on preferred stock

If the distribution is with respect to preferred stock, other than an increase in the conversion ratio of convertible preferred stock made solely to take account of a stock dividend or stock split with respect to the stock into which such convertible stock is convertible.

(5) Distributions of convertible preferred stock

If the distribution is of convertible preferred stock, unless it is established to the satisfaction of the Secretary that such distribution will not have the result described in paragraph (2).

(c) Certain transactions treated as distributions

For purposes of this section and section 301, the Secretary shall prescribe regulations under which a change in conversion ratio, a change in redemption price, a difference between redemption price and issue price, a redemption which is treated as a distribution to which section 301 applies, or any transaction (including a recapitalization) having a similar effect on the interest of any shareholder shall be treated as a distribution with respect to any shareholder whose proportionate interest in the earnings and profits or assets of the corporation is increased by such change, difference, redemption, or similar transaction. Regulations prescribed under the preceding sentence shall provide that—

(1) where the issuer of stock is required to redeem the stock at a specified time or the holder of stock has the option to require the issuer to redeem the stock, a redemption premium resulting from such requirement or option shall be treated as reasonable only if the amount of such premium does not exceed the amount determined under the principles of section 1273(a)(3),

(2) a redemption premium shall not fail to be treated as a distribution (or series of distributions) merely because the stock is callable, and

(3) in any case in which a redemption premium is treated as a distribution (or series of distributions), such premium shall be taken into account under principles similar to the principles of section 1272(a).

(d) Definitions

(1) Rights to acquire stock

For purposes of this section, the term ''stock'' includes rights to acquire such stock.

(2) Shareholders

For purposes of subsections (b) and (c), the term ''shareholder'' includes a holder of rights or of convertible securities.

(e) Treatment of purchaser of stripped preferred stock

(1) In general

If any person purchases after April 30, 1993, any stripped preferred stock, then such person, while holding such stock, shall include in gross income amounts equal to the amounts which would have been so includible if such stripped preferred stock were a bond issued on the purchase date and having original issue discount equal to the excess, if any, of—

(A) the redemption price for such stock, over

(B) the price at which such person purchased such stock.

The preceding sentence shall also apply in the case of any person whose basis in such stock is determined by reference to the basis in the hands of such purchaser.

(2) Basis adjustments

Appropriate adjustments to basis shall be made for amounts includible in gross income under paragraph (1).

(3) Tax treatment of person stripping stock

If any person strips the rights to 1 or more dividends from any stock described in paragraph (5)(B) and after April 30, 1993, disposes of such dividend rights, for purposes of paragraph (1), such person shall be treated as having purchased the stripped preferred stock on the date of such disposition for a purchase price equal to such person's adjusted basis in such stripped preferred stock.

(4) Amounts treated as ordinary income

Any amount included in gross income under paragraph (1) shall be treated as ordinary income.

(5) Stripped preferred stock

For purposes of this subsection—

(A) In general

The term ''stripped preferred stock'' means any stock described in subparagraph (B) if there has been a separation in ownership between such stock and any dividend on such stock which has not become payable.

(B) Description of stock

Stock is described in this subsection if such stock—

(i) is limited and preferred as to dividends and does not participate in corporate growth to any significant extent, and

(ii) has a fixed redemption price.

(6) Purchase

For purposes of this subsection, the term ''purchase'' means—

(A) any acquisition of stock, where

(B) the basis of such stock is not determined in whole or in part by the reference to the adjusted basis of such stock in the hands of the person from whom acquired.

(f) Cross references

For special rules—

§ 306. Dispositions of certain stock

(a) General rule

If a shareholder sells or otherwise disposes of section 306 stock (as defined in subsection (c))—

(1) Dispositions other than redemptions

If such disposition is not a redemption (within the meaning of section 317(b))—

(A) The amount realized shall be treated as ordinary income. This subparagraph shall not apply to the extent that—

(i) the amount realized, exceeds

(ii) such stock's ratable share of the amount which would have been a dividend at the time of distribution if (in lieu of section 306 stock) the corporation had distributed money in an amount equal to the fair market value of the stock at the time of distribution.

(B) Any excess of the amount realized over the sum of—

(i) the amount treated under subparagraph (A) as ordinary income, plus

(ii) the adjusted basis of the stock,

shall be treated as gain from the sale of such stock.

(C) No loss shall be recognized.

(D) TREATMENT AS DIVIDEND.—For purposes of section 1(h)(11) and such other provisions as the Secretary may specify, any amount treated as ordinary income under this paragraph shall be treated as a dividend received from the corporation.

(2) Redemption

If the disposition is a redemption, the amount realized shall be treated as a distribution of property to which section 301 applies.

(b) Exceptions

Subsection (a) shall not apply—

(1) Termination of shareholder's interest, etc.

(A) Not in redemption

If the disposition—

(i) is not a redemption;

(ii) is not, directly or indirectly, to a person the ownership of whose stock would (under section 318(a)) be attributable to the shareholder; and

(iii) terminates the entire stock interest of the shareholder in the corporation (and for purposes of this clause, section 318(a) shall apply).

(B) In redemption

If the disposition is a redemption and paragraph (3) or (4) of section 302(b) applies.

(2) Liquidations

If the section 306 stock is redeemed in a distribution in complete liquidation to which part II (sec. 331 and following) applies.

(3) Where gain or loss is not recognized

To the extent that, under any provision of this subtitle, gain or loss to the shareholder is
